

STOCK SHOW COMES SATURDAY EVENING

To Send Judging Team to International Show at Chicago on Proceeds.

Plans are being made for the annual Baby International Livestock Show to be held at 7:30 Saturday evening, November 3, at the stock judging pavilion on the Agricultural College campus.

The Block and Bridle Club, organization of students in the Agricultural College, has charge of the program for this show which it claims is second only to the Farmers Fair in importance on the Ag College calendar.

The show is called the Baby International, since it is a reproduction of the world-famed show in Chicago, and the expenses of the Cornhusker stock judging representatives at the national event will be paid from the proceeds of Ag college miniature production.

The purpose of the show is to train students to fit stock for show purposes, since the most effective manner of advertising stock is to show it whenever possible.

Each student prepares an animal for the show and receives credit on the condition of his animal when shown.

The public is invited to attend the show and ask questions concerning the exhibited stock. The stock on display will also be among the best owned by any college in the country.

The following is the list of committee chairmen and the management of the exhibit:

General manager, Bud Stenger; assistant managers, Buss Daniels and Wilber Shainholtz; committees: cattle exhibit chairman, Clyde Walker; hog exhibit chairman, Galord Hattan; sheep exhibit chairman, H. G. Glass; horse exhibit chairman, Hugh McLaughlin; entertainment chairman, Lee King; construction chairman, Dean Higgins; publicity and finance chairman, Hobb R. Turner.

Ku Klux Klan Stunt Staged by Corncocks

A stunt built around the recent struggle of Governor Walton of Oklahoma with the Ku Klux Klan was staged between the halves of the game Saturday by the Corncocks, University pep organization. The governor, the klan, the militia and the state university were all pictured in a fracas.

A dozen Corncocks, representing Nebraska, ran out and swept the four brawlers off the field. Then the governor, the klan, the militia and the school were compelled to pull "the Nebraska machine around the field."

The Corncock organization, which is a chapter of Pi Epsilon Pi, national pep organization, plans to stage similar stunts at the other home games.

HUSKERS TRIUMPH OVER SOONERS IN FIRST HOME GAME

(Continued from Page 1)

counter by the touchdown route when Douglas Meyers, holding down Nebraska's right wing, recovered a fumble and ran ninety-four yards for Nebraska's second touchdown. Locke and Weir were with him and delivered perfect interference. Rufus Dewitz kicked goal, making the score 17 to 0 in favor of the Cornhuskers.

Nebraska's third touchdown came as a result of Locke intercepting a Sooner pass on the 50 yard line and running it back twenty yards before he was downed. After a ten yard end run by Locke and two ten yard plunges by Terb and Dave, the Nebraska 194 pound halfback took the ball over for another touchdown. R. Dewitz kicked goal.

Nebraska kicked off to Oklahoma and the Sooners marched right down to the Husker goal by the aerial method. Their passes were being completed consistently and making them about ten to fifteen yards each. With the ball on Nebraska's 4 yard line Rufus Dewitz intercepted a pass behind his own goal and ran it back fifty yards. The game ended with Nebraska in possession of the ball in the middle of the field.

In the first half Oklahoma made but one first down. She did not

have the ball in Nebraska's territory. In the second half the Sooners opened up an aerial attack and came within striking distance several times.

In the game Oklahoma attempted eleven forward passes, seven of which were completed for a total of ninety-four yards, two were incomplete and two were intercepted. Nebraska attempted six passes, one of which was completed for twenty yards but was called back for both teams being offside. Four were incomplete and one was intercepted. Nebraska made seventeen first downs and Oklahoma made six. Nebraska was penalized fifty yards while Oklahoma was set back twenty yards. Nebraska recovered three fumbles and Oklahoma none. Nebraska attempted three place kicks, completing one.

The end running by Gip Locke and the line smashing by Dave Noble and Herb Dewitz were the outstanding features of the Cornhusker attack. Rufus Dewitz delivered the goods in Captain Lewellen's shoes. The defensive work of Rhodes and Meyers at ends and Weir and Bassett tackles is well worth mentioning. McGlasson and Berquist allowed practically no gains through the center of the line. Hutchison played a nice game at the pivot position. His defensive work held the Sooner onslaught in check through his station.

The lineup at the start of the game was:

*A New Banded Black Pen
A Special Pen for Students*

Has large ring that links it to your note-book or a pocket-clip—Free

THE idea of a super-smooth medium priced pen with good ink-capacity and a large ring-end to link to the ring of your note-book originated with students themselves. We acknowledge our indebtedness, and we know their idea is a winner for wherever this new Parker D. Q. has been introduced it has stepped right off in the lead of the medium-priced class.

Moreover, this Parker D. Q. is produced by the makers of the Parker Duofold—everywhere acknowledged as the fountain pen classic. Not only in craftsmanship, but in all mechanical features save the color and point, it is like the Parker Duofold. Yet even the point of this \$3 Parker D. Q. is 14k gold, tipped with NATIVE Iridium and polished to the super-smoothness of a costly jewel bearing. The cap is reinforced by a strong metal girdle—the only pen we know of, of equal size, at less than \$5 with a banded cap.

Try this new Parker D. Q. at any near-by pen counter. It is your idea of a pen—made to the students' own specifications.
