## INJURIES PROVE BOTHERSOME IN NEBRASKA CAMP

Bassett, Berquist, and Hutchison, Who Are Annoyed by Minor Hurts, Expected to Be Able to Play Saturday.

## LEWELLEN ALMOST SURE TO BE OUT OF CONTEST

Dawson Trying Some New Plays and Shifty Formations—Potsy Clark Says Kansas Won't Mind Mud.

Injuries seem to be the prevailing nuisance in the Cornhusker training camp at present. Captain Lewellen, who has been laid up with an infected knee for the past week is out hobbling around but hasn't been in moleskins for more than a week and it is almost certain he will be unable to get into the Homecoming game Saturday when his team meets the invading Jayhawks from Kansas in the crucial game of the Valley.

Heinie Bassett, veteran tackle has been carrying a "charley horse" on his left leg ever since the Oklahoma game and he has not been in scrimmage this week although he has been out limbering up. Bassett will be in the game Saturday according to Doc MacClean who says he will have the injury gone in another day. Bergquist has a weak left ankle but it has not kept the big guard out of scrimmage the last few days. Hutchison twisted his knee in scrimmage Wednesday but it is getting along all right. Coach Dawson will be able to take his pick from the entire squad at the start of the game Saturday with the exception of Captain Lewellen who will probably see the game from the sidelines.

Coach Potsy Clark says he isn't particular now what kind of a field the Jayhawks go onto when they play Nebraska because he says "We are accustomed to the mud now, having played in it for the past two weeks, and our team members are getting to be expert swimmers, so if the field is muddy we will be able to hold our own, but if it is dry we will be able to show our strength—something we haven't been able to do so far this year on account of muddy fields."

Coach Dawson has been sending the varsity against the freshmen every night for an hour of good hard scrimmage. He has a bunch of new plays that he is planning on springing next formations.

The backfield has been composed of Rufus Dewitz at quarter, Noble and Herb Dewitz, halves, and Locke at fullback. The line has been, Meyers and Rhodes ends, Weir and McGlasson, tackles; Bergquist and Hubka guards, and Hutchison, center. The

lineups have been changed considerably during the scrimmages and McAllister, Voltz, Robertson, Halbersleben, Hendrickson, Ogden, Hill, Westoupal, Gately, Hartman and Rorby have all been given their turns and have been looking good.

A short signal practice is on the card for Friday's workout.

## KANSAS PLAYS TRIED BY FRESHMAN SQUAD

Varsity Gets Chance to Face Methods Used by Jayhawk Team.

The freshmen tried Potsy Clark's Kansas plays against the varsity yesterday, with only occasional success. Most of the plays attempted were pass formations with a few tricky cross-backs that Kansas used in their game with Oklahoma A. M. last Saturday.

Some of the plays were done at a slow speed by the freshmen in order to show the varsity the exact position of each man during the execution of the play. However, the varsity was going fine and the freshmen were spilled for losses about as often as they made gains. When the varsity had the ball they made great gains in the frosh forward wall, and the backs tore through for long gains.

Several minor changes were made on team A of the yearlings. Bill Bronson was away from practice and Kamm took his place as quarterback. Swearingin played right guard in place of Bass who is down in his studies. Weir was changed to right tackle from his former position at left guard.

Team B battled with the second squad of the varsity. They used for-

ward passes freely, also, and connected many of them.

## FIRST VARSITY GAME PRACTICE IS HELD

Captain Usher Is in Charge of Candidates; Five Letter Men Back This Year.

The first regular varsity basketball practice was held in the Armory Tuesday afternoon. Captain Billy Usher is in charge and is giving the candidates only light workouts.

The work will consist of light floor work until the end of the football season. Practice is held in the Armory every afternoon from 5 to 6 o'clock.

Besides Captain Usher, there will be four last year's letter men on the squad for the coming season. Volz, who won his spurs at guard last year, and Cozier, Tipton, and Klepser, forwards, are back. Captain Usher is a forward.

The last year's letter men who will not be in uniform this year are Warren, who was captain last year, and Riddlesbarger, who played guard.

Three other members of last year's squad are in school this year. They are: Holland, a forward; Goodson, a center; and Wyant, a guard.

Regular workouts for the varsity will probably not begin until after the Thanksgiving football game. There will be no call for frosh basketball candidates until after football season.

He stood with head uncovered Whenever she went by.

He thought she was the fairest thing

That e'er had met his eye She passed him by the stair And thought he was the janitor.

## INTERCOLLEGE TRACK MEET COMES NOV. 3

All Men Students Eligible for Competition; Handicap for Varsity.

An intercollege track meet will be held November 3, Henry F. Schulte, head track coach, announced this week. All men in the university, both varsity and novice tracksters, are eligible to compete in this meet. The varsity cinder artists will compete under definite handicaps. November 3 is an open date in football so every athlete in the university will have an opportunity to compete in the meet.

When the new Nebraska running track in the stadium is completed, the Husker track and field athletes will have one of the best cinder paths in the middlewest. There will be nine lanes for hurdles, and a 220 yard straightaway with but a negligible turn.

Equipment under the stadium stands for indoor track work during the winter season is being rapidly completed, and when it is finished there will be room for 500 men to work out under the stands. Every event except the javelin and discus throws can be held on the indoor field.

## Syracuse Wins From Strong Alabama Poly Team by 23-0 Score

After a week's slump following their game with the weak Willjam and Mary squad, the Syracuse football team came back and won from Alabama Poly by a 23 to 0 score. The Alabama team is one of the

strongest aggregations in the south and the Syracuseans are reported to have put up a good battle against them.

In Roy Simmons, a junior, Coach Chick Meehan believes he has an all-American quarterback. As a freshman Simmons was an exceptionally strong player, attracting much attention in football circles. Illness at the first of the season last year prevented him from playing with the varsity squad, but he is back this year better than ever. He is a heady general and a deadly tackler.

## NEBRASKA HARRIERS TO MEET JAYHAWKERS

Rogers and Howard Are Out of Line-up for Remainder of Season.

With Rogers and Howard out for the season with torn ligaments, the cross-country team has been putting forth every effort to overcome the handicap and run a winning race against the Kansas Jayhawker Saturday.

Coach McMasters had the team doing over-distance Monday evening by sending them over a six mile course. Tuesday he put the harriers over the three-mile course at a fast pace, while the rest of the week will be spent in lighter workouts.

The vacancies on the team, caused by the injuries of Rogers and Howard last Saturday, will be filled by a choice from Haskell, Ross and Hyde. Letter men of last year have been experiencing trouble in getting into shape this fall.

Eleven men have won numerals so far this season. They are Dickson, J. C. Lewis, Zimmerman, Cohen, Rogers, Howard, Hyde, Ross, Wallin, Schultz and Guire.
