DEDICATORY ADDRESS

Kansas and Nebraska Bands
Conduct Flag-raising Cer-
emony Assisted by Firing
Squad from Cadet Regiment.

Five thousand students, faculty, and alumni attended the dedication of Nebraska's new memorial stadium Saturday morning at the east side of the structure. Dr. C. R. Richards, who delivered the dedicatory address, and Senator C. B. Carney of Kansas were introduced by Chancellor S. Avery who expressed the appreciation of those in charge for generous contributions which made the stadium possible.

The Kansas and Nebraska university bands, assisted by a firing squad and color squad from the Nebraska R.O.T.C. unit, conducted an impressive flag-raising ceremony and concluded the dedication by playing "The Star Spangled Banner."

"I heartily congratulate the University of Nebraska on its fine new Memorial Stadium," said Dr. Charles Russ Richards, former dean of the Nebraska College of Engineering, in the principal address. "I have always been interested in sports, and I know of the advantages and the disadvantages of it. I think that in the last few years there has been a slow but steady improvement in the morals connected with the games," he continued.

"Athletics must be taken seriously by all university authorities, because they have their place in every university in the country. I have known of University of Nebraska athletes from almost the very beginning," said Dr. Richards. He then told of the athletic field and the various sports as they were in the old days.

"And now after all of these pioneer days, the University has met to dedicate this new stadium. It is a memorial to the Nebraska men who upheld the honor of their country in the great war. There could be no greater and more fitting monument than this," continued the former Nebraska dean.

"The completion of the stadium marks a new era in the loyalty and affection of the alumni for their old alma mater. It is too easy for students and alumni to take the University too much for granted. The generous contributions show a feeling of loyalty and responsibility among the alumni."

PARADE TO STADIUM IS SIX BLOCKS LONG

Kansas Representatives
Included in Procession.

Eight blocks of students, bandmen, and cadets made up the parade Saturday morning before the dedication exercises. Two bands, the R. O. T. C. regiment, a firing squad, the Ku Klux Klan, and a large body of students were in the procession.

Led by Cadet Colonel Robert F. Craig, the long column of cadets, preceded by the band, formed at Twelfth and R streets, marched south to P street, east to Sixteenth street, south to O street, then five blocks up O street to Eleventh, and north to the east entrance of the stadium where the parade divided, the bands and firing squad going around to the west entrance, and the cadets, students and faculty members and alumni finding seats in the east stand.

The sixty-piece Kansas band, fifty K. U. followers, and thirty members of the Ku Klux chapter of Pi Epsilon Pi, national pep organization, staged a parade through the streets Saturday morning. Seven hundred and fifty students came to Lincoln in one way or another. Some of the K. U. boys were selling "N" buttons in order to get enough money to ride back on the train.

Students May Get Extra Nebraskans

Students wishing to secure copies of the Stadium Dedication edition of the Daily Nebraskan may call at the Nebraskan office and obtain copies. This edition will be very valuable to Cornhuskers for souvenir purposes, and an extra thousand copies were printed and distributed free to alumni and visitors.

HUSKER TEAM BEATEN BY KANSAS HARRIERS

K. U. Takes First, Fifth and
Seventh Places in Cross
Country Meet.

With two men leading the field with a fifth, and seventh place to their credit, the Jayhawkers defeated the Husker harriers over the Belmont course Saturday by a score of 37 to 18. Pratt and James of Kansas tied for first place in 27:22 minutes. Zimmerman of Nebraska, twenty seconds behind the first Kansas men, placed third. Cohen of Nebraska followed close on the next two Jayhawkers' heels. Dickson, the third Nebraska man to finish, placed eighth.

For the first two miles the outcome was an even bet for either team, but at the three mile mark two Kansas men and one Husker were in the lead. The finish found both teams well separated, with Kansas in the lead.

FOUR LAW STUDENTS GIVEN SCHOLARSHIPS

Toft, Hanson, Lind and Matzke
Receive Awards Valued
at \$75 a Year.

(University News Service)
Four scholarships have been given to deserving students in the College of Law of the University of Nebraska by the Board of Regents. This practice of assisting students whose scholarship record is above the average and who can qualify as deserving was authorized and first used in the fall of 1922. These scholarships excuse students from the payment of fees but entail no further monetary consideration. Each scholarship is valued at approximately \$75 a year. Scholarships were awarded to:

Gaylord A. Toft, '25, Oak.
Fred T. Hanson, '25, Bertrand.
Clarence S. Lind, '24, Arcadia.
Stanley A. Matzke, '24, Milford.
All students in the college, excepting freshmen, are eligible, but in order to be considered, they must apply to the College of Law faculty. In turn the requests are forwarded to the Board of Regents. Because the fees are higher in the Law College than in others, promising students who might otherwise be unable to proceed with their work are preserved to the profession, according to Dean Warren A. Seavey. The granting of scholarships also encourages harder work by the students.

Beginning with the granting of the cum laude degree in 1921, the College of Law has continually put more stress upon scholastic standing and has encouraged worthy students in the legal profession.

DECORATIONS ON SIG ALPHA HOUSE WIN FIRST PRIZE

Phi Kappa Psi, Beta Theta Pi,
Sigma Phi Epsilon, Delta
Gamma and Kappa Kappa
Gamma Are Runners Up.

LETTERED SKIN IS
AWARDED TO WINNER

College Book Store Donates
Prize; Plan to Make Contest
Permanent and to Have
Traveling Award.

Sigma Alpha Epsilon was awarded first prize for the most attractively decorated house. The Sig Alphas will receive the lettered skin offered by Ernie "Red" Long of the College Book store. There were a number of very well decorated houses and honorable mention is given to the Phi Psis, Betas, Delta Gammas, Sig Eps and Kappas.

Practically every organization on the campus had some sort of decorations up and the contest was a great success for the first year. There was a great deal of comment on the house decorations from the Kansas visitors and the old grads. The spirit of homecoming was exemplified by all the organizations in their decorations.

The winner's decorations consisted of goal posts in the front yard wrapped in the colors of Kansas and Nebraska and were very realistic in their appearance. Streamers were stretched from the posts to the balcony of the house. A Kansas and Nebraska football player flanked each side of the porch and a sign with "Boy, Howdy" on it greeted everyone who went up on the porch. Red lights were strung around all the decorations.

The Phi Psi house was very well decorated as were the Beta and Sig Ep houses. Among the sororities the Kappas and Delta Gammas carried off the honors. Next year it is hoped that a prize can be offered for both the sororities and fraternities. A cup or some permanent traveling prize will be offered.

pus Organizations.

The 1923-24 student and faculty University Directory will be issued October 29 by the joint Y. M. C. A. and Y. W. C. A. committee in charge. An innovation has been promised, as the volume will be larger than usual and will contain two new sections. One of these is devoted to the College of Medicine at Omaha, containing information concerning students and faculty, and the other giving the names of all campus organizations and their officers.

Attractively printed, with a dark red india cover, the book appears three weeks earlier than it did last year. As in other years this handbook will contain the addresses, telephone numbers, titles and degrees of faculty members, and the affiliations, colleges, addresses and telephone numbers of the students. All towns represented in the University by three or more students will be listed alphabetically.

PRIZE OFFERED BY KOSMET KLUB FOR BEST PLAY

Winning Manuscript to Be
Awarded \$100; Klub An-
nounces That All Plays Must
Be Handed in by Nov. 15.

PLAY TO BE PRODUCED
SOMETIME IN SPRING

Should Be Adaptable to Use of
Musical Numbers; Work on
Play to Begin Soon After Se-
lection of Winning One.

Competition for a prize of \$100, offered last spring by Kosmet Klub to the person connected with the University writing and submitting the best play to be produced by the Klub this year, is now open.

Kosmet Klub announced after a meeting this week that all manuscripts must be handed by November 15. Several students have started work on manuscripts but all handed in before the final date will be given equal consideration.

The play must be one that is along the lines of past Kosmet plays. It must be adaptable to the use of musical numbers which include choruses. Information on the exact nature of the plays may be obtained from the president, Oliver Maxwell, or from other members of the organization. Plays, of course, must be original.

Offered Annually

The prize offered each spring by Kosmet and in the past the contest has met with a good response from students. The prize last year was awarded to Cyril Coombs, a senior in the Law College, for his play, "The Yellow Lantern", a Chinese musical production. The play was produced under the direction of Kosmet at the Orpheum in Lincoln and the Brandeis in Omaha. It was pronounced one of the best of a long line of Kosmet plays.

The Klub wishes to state to those who intend to hand in manuscripts that November 15 is the last day on which manuscripts will be accepted as an extension has been made already. The usual date for presentation of plays is November 1. Work on the 1924 play will begin soon after the play is chosen.

Plans for Year

At the first meeting of the Klub this fall, plans were made, not only to start work on the annual production, but to sponsor the annual Pan-Hellenic formal party and the interfraternity sings. The Kosmet Klub presents each year a silver loving cup to the fraternity winning the interfraternity sing.

Kosmet is an organization of fifteen upperclassmen annually producing a musical play written by someone connected with the University of Nebraska and sponsoring such other activities as work for the betterment and growth of Nebraska spirit.

Unique Contest

A contest of unique interest to all students will be announced soon by members of the Klub. The nature of the competition will not be disclosed until further particulars have been worked out by a committee of the members. This prize is entirely separate from the \$100 prize for the play to be handed in by November 15.

SENATE CLUB ELECTS ERICKSON PRESIDENT

Organization Will Meet Every
Two Weeks to Discuss
Public Questions.

A. L. Erickson was elected president of the Senate Club Friday evening. Devon Eyer was chosen president pro tempore, and Carter Battershell, secretary.

"To have a better understanding of the functions and personnel of the U. S. senate, to have a clearer insight into the vital questions of the day, and to develop ourselves in the expression of our views of public questions in the face of criticism" was the purpose of the founders of the club.

The twenty-four students composing the club were sworn in as senators, took their seats.

Players to Present "Three Wise Fools"

"Three Wise Fools," a comedy hit, will be presented by the University Players Thursday night, October 25, as the opening play of the season. Margeurite Munger and Harold Felton are cast in the leading roles. According to an announcement by the Players, the play is guaranteed to give the "hold the line" spirit that will take students through the coming mid-semesters.

EIGHT HUNDRED GIRLS AT ANNUAL LUNCHEON

Miss Appleby and Miss Hepp-
ner Are Guests of Honor
at Dinner.

Eight hundred attended the annual girls' Cornhusker luncheon in the Armory Saturday noon. Miss Appleby, secretary of the University Y. W. C. A., and Miss Heppner, dean of women, were guests of honor. A few Kansas girls were special guests. The luncheon was given by the W. S. G. A. Board with Ruth Carpenter as general chairman. Music was furnished by the GIGris' Octette and a three-piece orchestra.

Elaborate decorations of streamers and balloons in scarlet and cream made the Armory attractive. Favors were red and white carnations and rolls of serpentine. The menus and toast lists were elliptic shaped, printed in red ink, and carried a cut of the stadium on the cover.

Toasts were: "Mine," Julia Sheldon; "Yours and Mine," Ruth Miller; and "Theirs," Adelheit Dettmann. Jean Holtz, president of W. S. G. A., was toast mistress.

University songs and yells preceded and closed the luncheon. Silver Serpents, Xi Delta, and Mystic Fish served. These girls dressed in red and white, headed the procession to the stadium and sat together in the form of an "N" at the game.

The application of short wave-length radiation in the treatment of this malignant disease is said to relieve suffering.

Next Installments on Stadium Pledges Fall Due This Week

A booth is to be erected on the corner of Twelfth and R streets this week where all loyal Cornhuskers may pay the second installment on the stadium pledges made last year.

The booth is being placed at that place by the committee in charge of the collection of the payments, so that students will have a convenient place to pay the installments. Nebraska students should make their payments as soon as possible, either at the booth or at the stadium office, 106, Law.

Statements are now being prepared by the office, to be sent out to students who have not made the payment. This causes added expense and work which could be avoided if the student pledges were paid when due.

The new memorial stadium is nearing completion and is now ready for the student body to enjoy, but the pledges must be met when they are due. The Cornhusker student body has contracted to build the stadium and the student body must build it.

HUSKERS LACK PUNCH
IN CRITICAL MOMENTS

Comparative Statistics Show
That Nebraska Outplayed
Jayhawkers in All Depart-
ments of Game.

Before a crowd of twenty thousand enthusiastic football followers the Nebraska Cornhuskers and the Kansas Jayhawkers battled for sixty minutes without either team receiving a reckoning in the scoring column. Twice the Cornhuskers had the ball within touching distance of a touchdown but lacked the scoring punch.

Although neither team scored, the comparative statistics show that the Huskers had the best of the argument in all departments of the game.

Both teams played a wonderful defensive game. Twice Kansas was forced within her own five yard line but she held the charging Huskers. Nebraska's defense was good throughout the game and it was this strong defense on the part of the Huskers that was responsible for Kansas collecting but two first downs. At one time, by a thrilling forward pass, the Jayhawks carried the ball into sensitive territory but the Huskers took the ball on downs and brought it back to the middle of the field.

Nebraska's defense was featured by Ed Weir, sophomore tackle. In one play when Rufus Dewitz passed to Rhodes a Kansas man tried to ground the pass but Weir scooped the ball and placed it eighteen yards closer to a touchdown. He also recovered a fumbled punt that netted forty yards. In the fourth quarter when Kansas was threatening, he broke through and threw Black, the Kansas captain, for a sixteen yard loss on an attempted pass.

The line plunging of Dave Noble was the big noise in the Husker offense, Big Dave was registering in the yardage column every time he took the ball. The Dewitz brothers played a consistent line plunging game. Locke contributed some spectacular end runs that added materially to the Husker's advance.

Kansas started the battle by kicking off to Rhodes who returned ten yards. The Nebraskans promptly carried the ball down the field to the Kansas 15 yard line but there the advance was halted and the visitors tried to advance but were forced to kick. When Nebraska again re-
