

**KANSAS BATTLE CORNHUSKERS TO SCORELESS TIE**  
(Continued from Page 1)

ceived the ball they started their charging again with Herb Dewitz and Dave Noble sharing in the yardage honors.

The second quarter started with Nebraska in possession of the ball on their own 30 yard line. On two end runs Locke, who had substituted for Lewellen, ran the ends for eighteen yards. Noble hit the line on two yards. Noble ran the ends for five and thirteen yards respectively. With the ten yard pass from Rufus Dewitz line ball on the Kansas 13 yard line Noble hit for three yards, Herb Dewitz plunged four and Rufus Dewitz failed to gain. Dave smashed again for two yards but the Kansas team took the ball on downs and punted out of bounds to the 50 yard line. On a pass from Rufus Dewitz line to Rhodes a Kansas man touched the ball in attempting to ground it, but Weir got it before it hit the ground and carried it eighteen yards. The half ended with Nebraska in possession of the ball on the Kansas 30 yard line.

The second half started by Smith, the Kansas fullback, kicking off to Herb Dewitz who returned twenty yards. Lewellen was in again in place of Locke. After ten yards of line plunging by Noble, Griffin playing right end on the visiting team intercepted his first, of a series of four intercepted passes, and made twelve yards before he was downed by R. Dewitz.

Another exciting period in the last half occurred when Herb Dewitz scooped a pass and was off for a touchdown but the referee called the play back and penalized Nebraska five yards for offside. Kansas got the ball on downs and attempted a drop kick from the 38 yard line but it fell short. Nebraska took the ball on its own 20 yard line and Lewellen punted to Black who fumbled and Weir recovered.

With the ball on the Kansas 35 yard line, Lewellen hit the line for nine yards. Noble went through for five and Rufus Dewitz for six but the play was called back and Nebraska penalized fifteen yards for holding. A pass from Lewellen to Noble put the ball on the Kansas eight yard line but Noble hit the line twice for two yards each. With but a yard to go the Kansas line stone walled and held. They took possession of the ball and kicked from behind their own goal. The third quarter ended with Kansas in possession of the ball.

The final quarter started with Locke in the lineup again in place of Captain Lewellen. Black hurled a pass to Griffin which put the pigskin within fifteen yards of a Kansas touchdown. Another pass netted six yards. But that was the extent of the Kansas advance and Locke punted from behind his own goal. On the next play Weir threw Black for a sixteen yard loss and immediately following McGlasson intercepted a pass but was thrown in his tracks. The game ended with the ball in the center of the field, Nebraska in possession of the ball but

neither team in possession of a marker in their scoring column. Some of the statistics of the game are:

	Nebr.	Kan.
First downs	15	2
Yards gained plunging	219	22
Yards thrown back	24	25

Passes grounded by	6	6
Yards gained on passes	60	47
Total yards gained	255	44
Penalties	60	15

Average yards on punts	38	38

The lineup at the start of the game was:

Nebraska	Kansas
Rhodes	McLean
Weir	Mosby
Berquist	Haley
Hutchison	Lonborg
McGlasson	Freese
Bassett	Davison
Meyers	Griffin
R. Dewitz	Capt. Black
Noble	Shannon
H. Dewitz	Burt
Capt. Lewellen	Smith

Substitutions: Nebraska—Locke for Lewellen, Lewellen for Locke, Locke for Lewellen, Bloodgood for H. Dewitz, Westoupal for Hutchison. Kansas: Collier for Sannon, Hedge for Gollier, Frake for Freese.

After the game Coach Patsy Clark said he was proud of the showing his team made. He also said that the Cornhuskers had the makings of a good team. He remarked that he was glad that Kansas played the Cornhuskers October 20 rather than about a month later because "Nebraska has almost as much driving power as she had last year and with

Lewellen in the lineup her offense is considerably strengthened. By the time Syracuse comes here she will have a team that will make things tough for her opponents."

**Amateur Camer-men Will Snap Chas. Ray and Compete for Prizes.**

When Chas. Ray, the well-known stage and screen star, arrives in Lincoln Monday at 1:20 p. m. by the Burlington from the west he will be greeted by a great number of admirers, and among them any number of amateur photographers who want to secure a picture of the famous star with their own camera. Chas. Ray comes to Lincoln to fill an engagement at the Orpheum Theater Monday and Tuesday in the spoken play "The Girl I Love." The star is traveling in a special car and he will not leave it until other passengers of the train have descended from the train, so it is certain that all those who are there to greet him will be able to get a close view of him and probably a word or two. For the amateur pho-

tographers, who are encouraged to be out in full force, a series of five prizes are being offered by the management for the best snap-shot of the star.

Those competing are requested to turn their pictures in immediately to the Orpheum box office. The prizes are as follows: First, \$10; second, two of the best seats for one of the

performances; and the third, fourth, and fifth, are autographed photographs of Chas. Ray.

Dr. R. H. Wolcott has received in the past three weeks two collections of water mites for collection and identification. Professor Yound of the University of North Dakota, who is working on a study of the aquatic

life of that state, sent a collection from Devil's Lake. Professor Needham of Cornell University sent specimens of the marine life of California for identification and classification.

Prof. Clara O. Wilson spoke before the Teachers' Institute of two Iowa counties last week at Fairfield and at Mount Pleasant.
