TWO YEARLING SQUADS TUSSLE WITH VARSITY

Regular Game Rules Observed
During Scrimmages
Monday.

Two freshman teams were used against the varsity in the scrimmage yesterday. Team A played first until tired out and then team B took the field until darkness put a stop to practice.

Regular game rules were observed during the practice, with special attention being given to offside. The varsity suffered several penalties for offside plays.

The freshman squad is thinning down now to the few fellows that come out regularly. There were only about thirty men out yesterday. They were divided into two teams with subs for each. This allowed freshmen Young and Hagan to give attention to the men on each team, without having part of their time diverted to men on the third and fourth teams.

By next year several men on the yearling squad should develop into varsity material. Weir will give some man strong competition for a berth on the line, as will Roy Mandary at end, Grow at center, and Bass and Swearingen at guards. In the backfield Avard Mandary has been doing varsity playing all fall. Triba is fast and is a fierce line plunger. Bronson and Mandary are a good pair at forward passing. Kamm, quarter, on the second team can take Bronson's place on the first team whenever he is needed.

HUSKER RIVALS WIN GAMES SATURDAY

Notre Dame and Syracuse
Emerges Victors—Dope
Bucket Upset.

Football in the east last Saturday was featured by the defeat of Princeton by Notre Dame 25 to 2, and the defeat of Warner's Pitt Panthers by the Syracuse team 3 to 0. The only score of the Syracuse game was a drop kick by McBride in the third quarter. The contest was hotly contested as Pitt and Syracuse are close rivals, meeting every year on the gridiron.

Last Saturday saw many close games and the dope bucket badly tilted. In the east, Syracuse, Yale, Washington and Jefferson, Penn State and West Virginia are still undefeated. Illinois or Michigan seem slated to take the Big Ten. In the west, California is again the champion team, unless the unforeseen should happen.

A record crowd of 45,000 saw Michigan swamp the Ohio State eleven 23 to 8. Michigan played a passing game, completely bewildering the Buckeyes, who are famed for their own prowess with an aerial game. Illinois defeated Iowa, twice champions of the Big Ten, by a 9 to 6 score. After the score had been

Illinois 3, Iowa 0 for several quarters, Iowa suddenly opened up her passes and on a long pass, Fry to Romey, and a 25 yard run by Romey, succeeded in crossing the Illini goal line. Late in the last period Illinois completed three long passes, Hall to Grange, which took the ball to Iowa's 10 yard line, where Grange smashed over for the winning score.

The Notre Dame football team after winning from the Army last Saturday 13 to 0, went back east and defeated Princeton 25 to 2, in their game the past Saturday. Notre Dame used few passing tactics in the game, making most of their gains off tackle and on end runs. They did, however, use just enough passes to worry the Princeton eleven.

Each one of their quartet of backs was credited with making a touchdown in the game. Princeton although trying desperately for a touchdown were able to score only a safety.

The Irish still have several small games and Georgia Tech on their schedule before meeting the Huskers here on Armistice day. Altho Notre Dame has a wonderful team this year, they have still to meet a team of Nebraska's caliber and the Cornhuskers, with the proper student spirit behind them, will win from the Irish, just as they did last year.

THEISEN TO COACH BASKETBALL TEAM

Former Husker Star Will Direct
Varsity Cage
Practices.

Ralph Theisen, former star forward on the Cornhusker basketball team in 1914-15-16 has been appointed coach of the 1923-24 basketball squad. Daily practice is to start Monday in the armory at 5 o'clock. Theisen will be assisted by Owen Frank. Coach Frank will have most of his time taken up with football until the latter part of November then his services will be with the basketballers.

The practices are to be held daily in the University armory, Monday, Wednesday and Friday, from 5 to 6, and Tuesday and Thursday from 4 to 6. Four letter men are back in school and are ready to start tossing the apple through the hoop, they are: Captain "Willie" Usher, Cozier, forwards, Milo Tipton, center and "Mutt" Volz, guard. Merriett Klepper forward and star floor man on the quintet last year will not be back in school until the second semester, but he is holding little practices all his own every night. Bill Riddlesbarger, guard on last year's team is coaching athletics at Council Bluffs, Ia., and will not be in Husker trunks this season. The other letter man lost to the squad is last year's captain, "Slim" Warren.

All men who are interested in varsity basketball are to report and start practice with the squad. Beside the letter men who are out, other men who will make a strong bid for a berth on the team are: Barney Bernard, Gay Toft, Dick Johnson, Black, the Lang brothers, Beryl, Uhle, Ex-trom and Berkle.

11,503 Pay Admission to See Kansas Game

The crowd at the Kansas game last Saturday was estimated to be about 12,000. There were 11,503 paid admissions to the game. Among the spectators were 100 men from out in the state who were county chairmen in the stadium drive last year. They were guests of the University at the game.

More tickets have been sold for the Notre Dame game already than there were paid admissions to the Kansas game. Every indication point toward a capacity crowd at this game with this number of tickets sold and the game three weeks away.

University Calls for Amateur Radio Men

All men who are interested in radio work are asked to report to room 110 Electrical Engineering building at 5 p. m. Wednesday, October 24.

The WFAV broadcasting station is one of the best advertising mediums of the University and needs the support of all amateur radio men.
