

# THE DAILY NEBRASKAN

## HIGH POINT OF FRESHMAN WEEK COMES TUESDAY

Classes Will Be Transferred to Armory for "Rally in Morning."

### TO INTERVIEW EACH FRESHMAN IN PERSON

All freshman classes will be transferred at 10 o'clock next Tuesday morning to the Armory for the big freshman rally which will mark the climax of "Freshman Week" which begins Monday morning and continues all week.

The purpose of "Freshman Week" is to give the first-year students an opportunity to show their loyalty and patriotism to the Cornhusker school by pledging a unit to Nebraska's memorial stadium. All new students at Nebraska who are not freshmen may also take advantage of this opportunity to show that they have the true Cornhusker spirit.

The speakers at the rally will be Coach Schulte and Dr. Condra. The rest of the program will help make the rally produce a lasting and forcible impression on every freshman's memory.

The rally will not be in the nature of a drive. A freshman should feel that it is a real privilege to be given the chance to help build Nebraska's memorial stadium as those who made pledges last year do. With 1,900 freshmen in school and 300 new upper classmen, the block of 1,127 units of \$25 each cannot last long, so that the holder of one of them may feel that he has been very fortunate.

Pledges are paid in installments of five dollars for each unit held, at intervals of six months after the first payment is made. This arrangement avoids all financial hardship for the pledger and makes it possible for any student to help build the stadium.

The organizations in charge of the personal campaigning for Freshman Week are the Innocents, Black Masque, Vikings, and Silver Serpents. Every freshman will be personally interviewed and given a chance to pledge one or more units of \$25 each. The committees will work until Thursday night when the final committee meeting will be held. Each member will interview ten freshmen.

## TO HAVE ORGANIZED CHEERING SECTION

### One Thousand Students to Sit in Body at Notre Dame Game.

One thousand cadets will compose an organized cheering section at the Notre Dame game a week from Saturday. These men have volunteered and have pledged themselves to cooperate with the cheerleaders in every possible way. They will sit in a body in the student section.

The poor cheering at previous games has clearly demonstrated the need of some such organization.

"What we need," said Monroe Gleason, head cheerleader, "is a body of men who will yell, and yell for all they are worth, whenever a yell is called for. We need men who will devote their attention to the yell while it is being given, no matter what is happening on the field. With a thoroughly organized rooting section, we will be able to put our yells across in a way that should instill fight in the team when it is needed."

All men who volunteered to join this section are expected to report in uniform to Nebraska hall at 1:30 the afternoon of the game. Over 500 cadets have already volunteered and it is expected that the section will be filled within a few days.

### "Beat Notre Dame" Sign to be Hung on U Hall by Sigma Tau

"Beat N. D.!" a huge electric sign, will be hung on the tower of University hall. Members of Sigma Tau, national honorary engineering fraternity, have made this sign, and will hang it next Monday.

## Mystic Fish to Hold Subscription Dance

At a meeting of the organization Wednesday night, Mystic Fish, freshman girls' honorary society, decided to hold a subscription dance Friday evening, November 16, at Ellen Smith hall. The special train to the Ames football game leaves at 12 o'clock that night, and it is expected that many will attend the dance before leaving on the special. Samuelson's orchestra will furnish the music for the party.

## ANNOUNCE MEMBERS OF FRESHMAN COMMISSION

### Will Entertain New Members at Dinner Tuesday in Ellen Smith Hall

New members of the freshman commission are announced by the Y. W. C. A. Twenty-six girls, half of whom are non-sorority, have been chosen. The new members will be entertained at dinner Tuesday, Nov. 6, at Ellen Smith Hall by the retiring commission. Gertrude Tomson is president of the commission. The list of new girls follows:

- Katherine McWhinnie
- Marie Bowden
- Margaret Dunlap
- Eloise MacAhan
- Ruth Johnson
- Mary Walton
- Ruth Godfrey
- Julia Drath
- Glema Boals
- Marjorie Stuff
- Edytha Reed
- Irma Guhl
- Margaret Schmitz
- Margaret Blish
- Sylvia Lameson
- Ruth Wood
- Kathryn Johnson
- Adelaide Norseen
- Clara Woody
- La Mira Waite
- Virginia Vorhees
- Louise Van Sickle
- Betty Coolidge
- Laura Whelpley
- Laura Rooney
- Virginia Taylor

Members of the retiring commission are:

- Helen Tomson, Mariel Flynn,
- Luree Fiss, Anne Gerdes, Ruth Wells,
- Winifred Steele, Norma Carpenter,
- Eloise Monies, Marie Walker, Corinne Anderson, Isola Curry, Doris Trott,
- Mary Wigton, Nettie Ulry, Anna Anderson, Mildred Upson, Janice Anthes, Frances McChesney.

## Bengtson to Speak at Meeting in St. Paul

Professor N. A. Bengtson, of the Department of Geography, left Thursday afternoon for St. Paul, Minnesota, where he is to be one of the speakers before the annual meeting of the Minnesota State Teachers' Association. He is to lecture on "Central America—Geographic Aspects of a Tropical Wonderland."

## Collection of Supermen From Notre Dame is Not Invincible

From reports emanating from the east, many Cornhuskers have received the impression that the Notre Dame football squad is composed of eleven Hercules and Mercuries judiciously distributed. They tell of the superhuman speed of the fleet backs; how with winged feet they swing around opposing ends for ninety and hundred yard runs for touchdowns; how their line is an exact reproduction of the proverbial stone wall, and how the "master mind" of Knute Rockne controls every shift and punt.

We've heard a lot of master minds recently. Take the "master mind" of John McGraw, for example. John was supposed to be able to think his way into the world's series championship. He didn't. Neither will Knute Rockne's subtle cerebrum enable Notre Dame to defeat Nebraska.

Remember, Cornhuskers, this "wonder team," this idealized squad of supermen, of "born" football men, is EXACTLY THE SAME OUTFIT NEBRASKA DEFEATED DECISIVELY LAST FALL. With the same spirit and backing that the students

## STUDENTS URGED TO ENTER TRACK MEET SATURDAY

### Freshmen and Other Students Scholastically Eligible May Take Part.

### PUT VARSITY MEN UNDER HANDICAPS

Every eligible man in school should try out in the fall track meet Saturday morning at 10 o'clock, says Coach H. F. Schulte. Varsity men will be handicapped, and everyone will have a chance to show his ability. The first events, the sprints, will be started at 10 o'clock.

Men should be in sweat suits so that they can be on the field ready for the events as they are run off. Freshmen and other students, scholastically eligible as well as varsity men should report to the officials Saturday morning.

A temporary track will be marked off within the cinder oval which is incomplete and not available for use. The hurdles will be run off the long way of the enclosed space and the field events will be held to one side and out of the way.

The meet is to be a "look-see" affair which will enable the coaches to see what material they can use in building a track squad for 1924.

Varsity men will be given the following handicaps in the events in which they won their letters: 100-yard dash, 2 yards; 220-yard dash, 4 yards; 440 run, 10 yards; 880 run, 20 yards; mile, 40 yards; 2-mile, 80 yards; high jump, 2 inches; broad jump, 6 inches; shot-put, 18 inches; discus throw, 5 feet; javelin throw, 10 feet; pole-vault, 6 inches.

- The order and time of events will be as follows:
- 60 yard high hurdles, 10 a. m.
- Mile run, 10 a. m.
- 100-yard dash, 10:20 a. m.
- 440-yard dash, 10:30 a. m.
- 110 low hurdles, 10:40 a. m.
- 880-yard run, 11 a. m.
- 2-mile, 11:15 a. m.
- High jump, 10 a. m.
- Broad jump, 10 a. m.
- Shot-put, 10 a. m.
- Discus after shot-put.
- Javelin, 11:15 a. m.
- Pole vault after high jump.

## Architects Perfect Permanent Society

Architectural engineering students met at a smoker Wednesday evening at the Pi Kappa Phi house to perfect an organization for the coming year. There has never been a permanent organization of architectural engineers but it is hoped that such an organization can be made this year.

Various designs for an official emblem, were also discussed. Anyone with any suggestions for a pin should see Prof. Smay at once.

Officers of the Architectural Engineering Society, who will hold over from last year are: Joe Wood, president; Rollin Smith, vice president; Knox

## It Must Be Done!

With the number of seat reservations already surpassing all previous records of Nebraska football, it is probable that 30,000 persons will watch the Cornhuskers of 1923 block the victorious onrush of Rockne's Irishmen from Notre Dame.

Not alone will Nebraska lovers of the pigskin sport scan every play of our team—the nation will be sizing up Nebraska, East and west, north and south, followers and critics of football will observe with supreme interest Notre Dame's attempt at revenge for the Cornhusker victory of last year.

Thirty-three years of honorable football history have lent to the University a notable prestige, which goes on trial November 10.

Eleven men in moleskins are not the sole defenders of this reputation. Every student, every alumnus, and every friend of Nebraska must contribute to the defense of this prestige by unswerving loyalty. This University implores a victory and demands a united Husker spirit. We must not fail!

## Beat Notre Dame!

## SPECIAL TRAIN MAY RUN TO AMES GAME

### Necessary for 125 to Sign Before Train Can Be Assured.

A special train will be run to Ames for the game there November 17 if 125 students sign up before then. Negotiations are now being made for the price which will be at a very reduced rate. The project is being managed by Herbert Gish, assistant to the athletic director and Carl Kruger, member of the Innocents.

The train will leave Lincoln early on the morning of Saturday, November 17, and will arrive in Ames in time for the students to eat lunch and get to the game which starts at 2:30. The train will leave Ames not long after the game.

The Ames game is the last game which the Cornhusker squad plays away from home, and the only game for which a special train is run this year. The full particulars regarding the price and time of departure will be published in the Daily Nebraskan Sunday.

## Y. M. DRIVE FOR FUNDS STILL SHORT OF GOAL

### Total of \$800 Reported Subscribed by Thursday noon.

Eight hundred dollars was the total reported at the luncheon of the Y. M. C. A. drive workers yesterday noon. Although this figure was a little disappointing to those in charge of the drive it is still hoped that the final checkup this noon will show that the quota of \$1,925 has been reached. Every team member is expected to be present at the final luncheon at the Grand hotel this noon.

The first team to "go over the top" was Monroe Gleason's with a total of \$103.50 to its credit. The teams captained by Dendell Brown and Crawford Follmer were also near the head of the list.

"The chief difficulty," said W. Paul McCaffree, general secretary of the Y. M. C. A., "is that the workers are not seeing enough men. To date less than 500 students have been asked to subscribe. The success of this drive is mainly a question of seeing the men."

Dr. Paul Johnson, pastor of the Westminster church, spoke at the meeting yesterday noon. He said that the chief factors in making a drive of this kind successful were patience, perseverance and co-operation.

## Chemistry Notes

A new book by Dr. H. G. Deming of the Chemistry Department has proved quite a success. The book, "General Chemistry," published by Wiley and Sons of New York City, although published only three months ago, has been adopted by thirty-one colleges and universities. The first edition has already sold out. Dr. Deming, in collaboration with S. D. Aronson, is now preparing a laboratory manual to be used in conjunction with his book.

## VARSITY WORKS AGAINST PLAYS USED BY IRISH

Huskies Solve and Break Up Notre Dame Formations Thursday.

FRESHMEN UNABLE TO GAIN IN SCRIMMAGE

The solving and breaking up of Notre Dame plays and formations were the main features on Thursday's practice sheet for the Cornhuskers. Two teams of varsity players and two teams of freshmen aspirants were in action for almost two hours each team hitting with all the driving power it could muster.

The freshmen, coached by Farley Young, Owen Frank, and Captain Hagan, have mastered the Notre Dame plays and formations almost to perfection and at times they would make some good gains through the varsity line on trick plays but never were they able to make a yard around the ends. McAllister and Collins held down the wing positions on one team and Rhodes and Robertson ran them on the other squad.

Shifty line bucks and crass charges were the only means the frosh had of collecting a yard or so from the varsity forwards, and soon the yardage was accounted for mainly by the short aerial method. When the varsity would take the ball they would plow right through the yearling line for yardage on almost every down. Every man in the varsity backfields broke away for a touchdown some time during the practise.

The two varsity teams that were in action Thursday night were:

Team "A"	Team "B"
Rhodes	Collins
Weir	Hendrickson
Berquist	Armstrong
Hutchison	Westapoul
Packer	Ogden
Bassett	Halbersleben
Robertson	McAllister
Capt. Lewellen	Bloodgood
Noble	Crites
H. Dewitz	Melenz
R. Dewitz	Locke

## APPOINT COMMITTEES FOR FRESHMAN CLASS

### Weir in Charge of Olympics; Elizabeth Shepherd Heads Party Committees.

Committees of the freshman class for the first semester have been appointed by President Jere Mickel. Elizabeth Shepherd has been made general chairman of the freshman party committees. The members of the committees are as follows:

- Olympics—Joe Weir, chairman; Judd Crocker, Ivan Walters, John Porter, Fred Gardner, Clark McManigall, Edwin Letson.
- Debate—Douglass Orr, chairman; Marjorie Stuff, Paul Walters, Gustav Shrank.
- Finance—Gordon Luikhart, chairman; Kenneth Cook, Thelma King, Minnie Yvonne Taylor.
- Freshman Party Committees. Elizabeth Shepherd, general chairman.
- Music—Mary Walton, chairman; Helen Aach, Melvin Kern.
- Refreshments—Sylvia Lewis, chairman; Marvin Ward, Mary Gillham.
- Decorations—Mildred Schwab, chairman; Maynard Arnot, William Lamme, Eloise McAhan, Polly Chloupka.

## DOROTHY SUPPLE WINS TENNIS CHAMPIONSHIP

### Defeats Anna Jensen in Finals of Women's Singles Tournament.

Dorothy Supple of Chicago is the new woman tennis champion of the University, having defeated Anna Jensen in the finals of the all-university women's singles tournament, 6-3; 6-4.

The winner of the tournament has displayed wonderful form in her matches. She plays the game easily, showing a definite knowledge of tennis technique. Her deep-court drives and placement shots were spectacular. Miss Supple is a graduate of the Chicago School of Physical Education.

With Margaret Tool as her partner Miss Supple defeated Ruth Wright and Dorothy Dougan in the doubles' finals, 6-2; 6-4. The champions were never threatened in their drive toward the title. The titleholders are both juniors in school and will be expected to defend their title in the spring tournament.

## FIRST DINNER GIVEN BY COMMERCIAL CLUB

### Toasts and Music on Program of Meeting at Chamber of Commerce.

The first monthly dinner of the University Commercial club was held October 31, at the Chamber of Commerce club rooms. One hundred and twenty-five attended the dinner. Merle Loder, president was toastmaster.

Clarence Hines, head of the insurance department of the First Trust company, spoke on the "Value of the Business Administration Course in Business." Joe Ryons spoke in behalf of the students on the subject "The Student's Responsibility." "College Spirit" was the subject of a talk by Prof. R. S. Boots, who brought out the fact that students could not build character and stability by dishonesty in their studies.

An orchestra gave a few selections, and Mr. Zinc sang. Arrangements have been made by the Commercial Club to hold their banquets at the Chamber of Commerce club rooms this year. The next banquet will be held the first week in December.
