**FEW BIG GAMES WILL BE PLAYED THIS WEEK**

**Most Teams Resting After Hard Contests of Last Saturday.**

Following last Saturday's games in which most of the major teams in the country met other strong teams, there are few "big" games carded for this week.

On the coast, California, after a hard battle with Washington State which they won by a 9 to 0 score will have an easy game with Nevada. Washington State plays Oregon U.

In the south Georgia Tech plays Alabama, Auburn will battle Georgia U, and Centre will play Kentucky.

In the east and in the Big Ten several hard games are on tap for football elevens. Chicago meets Illinois and Iowa meets Michigan, in games which will undoubtedly decide the Big Ten title. Chicago, fearing the open field running of half-back Grange, Illinois star, is working developing a strong defense. Coach Zuppke of the Illinois squad, in preparing for the game, is using three sets of backfield men. A real game of football will be seen when these two mentors bring their teams together.

Interest in the east centers around the Syracuse-Penn State game at Syracuse. The Orange team is undefeated this season and have demonstrated some brilliant football, while Penn State was held to 13 to tie with West Virginia last Saturday. Saturday's game will be a real test for Syracuse and will give her opponents for the rest of the year, an idea of the kind of game she can play.

In other major contests Yale meets Army, Carnegie Tech meets Leigh, Harvard plays Tufts, Lafayette tackles Washington and Jefferson, Pennsylvania plays Pitt, and Navy plays Colgate.

Notre Dame, in anticipation of the Cornhusker game on the 10th, and from the fact that they have met three major teams in as many weeks, will have a comparatively easy team in Purdue, although the Purple warriors have shown some real football in past games.

The athletic board of Notre Dame has ruled that the Irish team will not go west for a post-season game unless invited to play at Pasadena in the Tournament of Roses. Since Navy and Penn State are both considered for this date, it is doubtful if Rockne's team will make the trip.

Dr. F. W. Upson, chairman of the department of chemistry, is to give a talk on "Colloids" before the physical science section of the State Teachers Association this afternoon.

**HARRIERS PREPARE FOR MISSOURI VALLEY MEET**

**Cross-Country Team Not Discouraged by Defeats This Season**

With the Missouri Valley Cross country meet but two weeks away, the Husker Harriers have been doubling their efforts, in an attempt to develop a winning team.

Though the team has failed to register victories this season, their showing has been far from discouraging. Each meet has shown a marked improvement in the material. In spite of the injuries of two men in the first meet, the team came back in the second meet and gave the Jayhawkers a good run.

The comparative score at Missouri does not do justice to the team. Though the Tiger harriers placed five men ahead of the first Husker, the Nebraska runners made a better race than at any other meet of the season. In the exceptional time of 26:50.5 the first Missouri runner crossed the tape, only two seconds behind their home record. The first Nebraska man was only four seconds behind the first Missouri harrier, while the second Husker completed the course in 26:58.

It must be understood that Missouri has a team of champion caliber this year. Hewett, the Tiger runner that led the field here last year, was unable to make the team this fall, as well as another member of last year's squad.

**Call Off Basketball Practice for Monday**

Due to the stadium drive there will be no basketball practice Monday. About November 15 the squad will start daily practices and light scrimmage will be on the card. The next two weeks will find the basket shooters occupied with fundamentals and it is essential that every possible candidate report at once to get these fundamentals because it will be impossible to go over them again when the scrimmages open in full tilt November 15. All candidates should report Mondays, Wednesdays and Fridays from 5 to 7 o'clock.
