FRESHMAN RALLY FOR NEW STADIUM SET FOR TUESDAY

Fifteen Hundred Are Expected
to Attend Get-together
at Armory.

GIVEN GOBLIN AND MYSTIC FISH HELP

Fifteen hundred freshmen are expected to crowd the Armory Tuesday at 10 o'clock for the big freshman stadium rally, inaugurating Freshman Week. All freshman classes have been excused and will be transferred to the Armory for the meeting.

The stadium and the need for its completion will be presented to the first-year men and women by loyal Cornhuskers who have watched the development of Nebraska athletics. A rally bigger than the freshman convocation is expected.

Realizing the importance of the Tuesday stadium rally, the Green Gobblins and the Mystic Fish, freshman honorary organizations, have passed these resolutions:

Green Goblin Pass Resolution.
"We, the Green Gobblins, freshman men's honorary organization, realize the importance of the freshman stadium campaign November 5 to 10 to the progress of the University.

"We urge every freshman to attend the stadium rally in the Armory Tuesday at 10 o'clock. We pledge ourselves to the stadium cause and ask every freshman to pledge at least one unit of \$25. We're for Nebraska."

Mystic Fish Resolution.
"We, the Mystic Fish, freshman girls honorary organization, feel keenly the importance of the freshman stadium campaign November 5 to 10, and realize that its success will mark a forward step in the progress of the University.

"We pledge ourselves 100 per cent to the cause of the stadium drive. We strongly recommend that every freshman girl attend the freshman stadium rally at the Armory Tuesday, November 6, and to pledge one or more units to the memorial stadium. "We're for the stadium."

ENGINEERS MINGLE AT ANNUAL STAG

Students of College of Engineering Are Organized in Six Societies.

(University News Service)
Engineers' Stag, the annual social event of the College of Engineering sponsored by the University chapter of the American Association of Engineers, was held Friday evening at Mechanical Engineering building.

It brought students and faculty members of the various engineering departments into closer touch.

The organization of the students of the college into six branch societies—the American Institute of Electrical Engineers, the American Society of Civil Engineers, the American Society of Mechanical Engineers, the American Society of Agricultural Engineers, the Architectural Engineering Society, and the Chemical Engineering Society—all operating under and fusing in the American Association of Engineers, has proved so efficient that the institutional committee of the National Society for the promotion of engineering education favors the adoption of the Nebraska plan in other engineering colleges to solve the general difficulties of student organization.

Promote Fellowship.
These various societies are intended to promote fellowship of all engineers, appreciate advances in the engineering world, and keep in close contact with the work of the national technical societies.

Dean O. J. Ferguson of the College is vice president of the National Society for the Promotion of Engineering Education, and is chairman of the committee on institutions.

Hypnotism was the subject of address given by Mr. DeSylva at McGill University to the Psychological Society. Practical demonstrations were given. He claims that Professors and Soldiers make the best subjects for hypnotism.

Vice President Is Elected by W. A. A.

At the election held yesterday, Louise Branstad was chosen vice president of the Woman's Athletic Association to replace Mable Dickinson who did not return to University this fall.

Teams have been chosen for the women's soccer tournament. More girls have tried out for these teams this year than ever before. In two of the classes there are both first and second teams.

Y. W. C. A. DRIVE ENDS AS TEAMS SURPASS QUOTA

Over \$2,000 Turned In By
Twenty Groups Making
Canvass.

\$1,325 CASH RAISED, BALANCE IN PLEDGES

The \$1700 goal of the Y.W.C.A. finance campaign was reached early Friday and by 6 o'clock when the drive closed, more than \$2,000 was turned in by the twenty teams, \$1,325 of which was in cash and the rest in pledges. The team under Desma Renner raised \$155 and won the dinner to be given by the cabinet.

University women are behind the organization more than ever before. The campaign last year realized only \$1,135 or little more than half of the sum turned in this year. Various members of the university faculty showed their approval of the Y. W. C. A. by contributing about \$125.

Six Teams Get \$100.
Six of the twenty teams went over the hundred dollar mark. They were: Desma Renner, Helen Guthrie, Dorothy Davis, Charlotte Baker, Pauline Gellatly and Mariel Flynn. Twenty-eight dollars was raised on the finance staff which is composed of four girls under Frances Mentzer, finance chairman.

The winning team under Desma Renner canvassed women living in dormitories who gave their united support and made it possible for that team to win. The girls on the team are:

Rachel Harry, Izma Hamm, Ruby Bliss, Mary Rothermel, Dorothy Withers, Genevieve Reyman, Dorothy Olmstead, Bernice Timma, Ruth Shrank, Virginia Arganbright.

Team Standings.

The team standings are as follows: Margaret Williams \$87.50, Mildred Daly \$66, Frances McChesney \$59, Mariel Flynn \$103, Arvilla Johnson \$92.50, Desma Renner \$155.90, Margaret Wattles \$60, Helen Guthrie \$102.50, Millicent Jaeke \$87.25, Pauline Gellatly \$110.75, Julia Sheldon \$75, Frances Wientz \$77.50, Dorothy Davis \$113, Jessie Sutter \$83.50, Rosanna Williams \$63.50, Ruth Wells \$70.50, Laura Whelpley \$71.25, Charlotte Baker \$115.50, Eleanor Flatemersch \$89.50, Dorothy Dougan \$37.50.

ENGLISH SECTION OFFICERS ELECTED

Principal Claire McPhee of
Capitol School, Lincoln,
Is President

(By University News Service)
The English section of the first district, Nebraska State Teachers' Association, Prof. M. M. Fogg, president, at its meeting Friday afternoon elected Principal Claire McPhee, '02, of the Capitol School, Lincoln, as president for 1923-24; re-elected Louise McNeerney, '13, of York, secretary; and elected Sarah T. Muir, '09, district director of the National Council of Teachers of English.

Principal McPhee explained "The Revision of Courses in English for the Seventh and Eighth Grades in Lincoln"; Miss Constance M. Syford of the department of English, the University, discussed "Our English Orphans" from the point of view of the University instruction, and J. Manly Phelps, University School of Music, urged more thorough, intelligent training in "Oral English in the Schools."

It Shall Be Done!

The fog of discouragement which settled upon the campus after the Missouri game has been dissipated. Every time students gather one hears the enthusiasm of an awakened Nebraska spirit translated into the slogan "Beat Notre Dame!" Forbidding depression is disappearing, and in its place there rises a loyalty to Nebraska which bodes ill for the conquering "Micks" from the Hoosier state.

Secret practices in the method of the Rockne system have already instilled an admirable esprit de corps in every member of the Husker squad. Nebraska men are battling for places on the team which is to clutter up Notre Dame's advance as though the season had just begun.

Coach Rockne's proteges are going to meet a resolute and undaunted Varsity next Saturday. Every man on the team is determined to give his best against the Irishmen.

The "Fighting Cornhuskers" will live up to their name. The University—your University—faces the most mountainous task of years. The collegiate world asks, "What sort of men and women are those at Nebraska?" Our spirit shall be the answer.

Let's Settle the Irish Question!

Dairy Club Holds Open House Friday

The Dairy Club held open house in Machinery hall on the Ag Campus Friday night.

Dancing and playing several new and novel games were the chief features of the program. A lunch of dairy products was served and proved a very pleasing feature.

Charts were hung about the walls demonstrating the food value of milk and its products and the profit derived from their production. About two hundred were present.

Columbus Ohio University has made changes in their initiation rules of fraternities. No pledges will be accepted until one month after registration.

COACHING STAFF USES OPEN DATE TO SCOUT

Dawson and Lewellen Journey
to Notre Dame to Watch
Irish.

The open date on the Nebraska schedule not only gave the team a little layoff, but also the coaches. Because of the Missouri valley ruling each Valley team is allowed but eight games on its schedule and Nebraska's was made up with November 3 open. Consequently it gave the coaching staff an opportunity to scout some of the big games at other schools and benefit therefrom in regard to new plays and formations.

Coach Dawson and Captain Lewellen journeyed to South Bend, Ind., to witness the Notre Dame-Purdue game, while Coach Owen Frank was taking in the Ames-Drake combat at Des Moines. Bill Day, Leo Scherer and Chick Hartley were scout coaches at the Kansas Aggies-Missouri game at Manhattan. Schulte and Farley Young were officials in the Lincoln High-St. Joseph game.

When the coaching staff re-assembles for the final period of tutoring before the Notre Dame game there will be a group of new plays worked over and the best selected as a reserve for future use.

SPECIAL TO AMES ASSURED IF 125 GO

Students Planning Trip May
Sign Up at Athletic
Office.

All students wishing to make the trip to Ames on the special train should sign up in the athletic office within the next few days, according to Herbert Gish, assistant to the athletic director. The special is assured when 125 students indicate their intention of seeing the Ames-Nebraska game November 17.

As this is the only game this year to which a special will be run, it is expected that a great number will take this opportunity of seeing the Huskers in action on a foreign field. The fare has been reduced and will come to \$11.12 for a round trip ticket.

The special will leave Lincoln at 6 a. m. on the morning of the game and will arrive at Ames in plenty of time for the students to eat lunch before the game, which starts at 2:30.

The freshmen football squad will make its annual trip to Ames. Twenty-five or more will be selected to go.

The band and the Corncobs will also go on the special. Herbert Gish and Carl Krueger are in charge of the arrangements.

A craze for football has swept over Germany. Many buildings which prior to 1914 were used for making implements of war, ammunition or army supplies, are now manufacturing sporting articles for games. Formerly football was unpopular in Germany.
