FRESHMEN START PLEDGES ROLLING TO STADIUM FUND

475 Units Are Already Secured—1,127 Is Goal of Committee.

HARTLEY AND SCHULTE SPEAKERS AT RALLY

The committee in charge of the freshman stadium drive urges that all freshmen who have not yet been seen by members of the committee to go to the campaign headquarters in the lobby of the Temple and make a voluntary pledge today. The committee has over a thousand names of freshmen, and it takes some time before every freshman can be seen. The committee explained that every freshman would be talked to, but that it would be some time before every freshman could be interviewed personally.

Four hundred and seventy-five units had been secured Tuesday night towards the 1127 unit goal for freshman subscriptions to the Nebraska memorial stadium.

The difficulty which is causing the slowness of the response seems to be that the present freshmen are not taking the athletic structure and its building as seriously as did the students who were on the campus last year.

Between this morning and Thursday evening at 5 o'clock every freshman man and woman will be interviewed personally, according to the plans of the special stadium committee which is at work receiving subscriptions from the freshmen.

The thermometer of freshman stadium pledges went quickly up to 500 units at the big rally held yesterday morning in the Armory and then stopped. Twelve hundred freshmen, both men and women assembled at 10 o'clock and heard speeches given by "Chick" Hartley and Coach Henry Schulte, but they failed to reach even half of their quota of 1127 units.

Hartley Speaks.

Hartley, last year's football captain, gave a very enthusiastic and inspiring speech. He first showed the freshmen why they came to Nebraska, "because it is the greatest school in the Missouri Valley." He then explained what real loyalty to a school should mean.

Coach Schulte Talks.

In a speech directly following Hartley's, Coach Schulte said, "The stadium idea is so completely sold to me, the very action is so apparent and definite, that it seems as though everyone should feel the same way about it. I belong to the stadium, I am part of it. It was given by Nebraska people to the University of Nebraska and it stands for those gone beyond."

"You are now having a chance to make a big score for your class. If we are to make Nebraska great, we must give—from hearts as well as pocketbooks," added the coach.

"Don't forget that what you are now doing is going to be repeated by others in the future, perhaps not on this project but on some other. Nebraska is just beginning to grow, and there will be many other projects in the future," Mr. Schulte concluded.

Pre-Medic Sorority Is Organized Here

Mu Epsilon Delta, local professional fraternity of pre-medical women, was recognized at the meeting of the Student Organizations committee, Monday afternoon. The fraternity is composed exclusively of pre-medical women.

No record can be found of any other pre-medical fraternity for women. The group does not plan to have a house this year.

The charter members are: Doris Ponda, Mildred Shok, Lillian Hinrichs, Iva Glene Murphy, Margaret Fahnstock, Mary Cavanaugh, Gertrude Eberspacher, Mary Fochtman, May Kirkwood, Selma Anderson, Margaret McLaughlin, Neva Nichols, Geraldine Waite, Florence Watson, Albie Hervet, Catherine Lieneman, Martha Curtis.

Two Special Trains Bring Omaha Fans

Two special trains will be required to bring the Omaha delegation down to the Notre Dame game Saturday.

Twenty-five hundred tickets were allotted to Omaha by the athletic office and according to latest reports, all but 100 had been sold. Vincent Hascall, in charge of the ticket sale in Omaha, expects that these will be taken in a short time and he plans to order more tickets if he can secure them.

The train will leave Omaha shortly before noon on the day of the game and return in the early evening. The delegation will occupy a special section of the stadium.

Y. M. C. A. DRIVE ENDS WITH TOTAL OF \$1475

Enough to Fill Budget for Year But Leaves Note of \$500 Unpaid.

Fourteen hundred dollars was the total reported at the final luncheon yesterday of the workers in the drive for money with which to conduct the Y. M. C. A. activities during the present year. Several teams did not report and it is expected that a complete check will show a total of \$1475 which will be enough to fulfill the budget for the year but will leave a \$500 note unpaid.

Although the financial committee had hoped to be able to clear up this obligation, they were extremely well pleased with the outcome of the drive.

Bennett S. Martin, general chairman of the drive, said that although the goal of \$2,000 had not been reached, the campaign had exceeded his expectations.

"The spirit shown by those who took part in the drive was wonderful and was the principal factor in making the drive a success," he stated.

"More than twice as much money was raised this year as last," said W. Paul McCaffree, general secretary of the University Y. M. C. A. "All those connected with the drive are well satisfied with the outcome." More than 600 university students contributed to the fund. We hope to be able to make up the deficit by other means."

Four of the twenty teams taking part in the drive reached the quota of \$100 set for each team. Wendell Brown, John Ricker, Monroe Gleason and Earl Smith were the captains of these teams. The team captained by Clarie Fairchild with \$98 to its credit came near the top.

The University Y. M. C. A. receives money from three sources, as follows: Community Chest \$2,000, alumni, parents and miscellaneous \$900 and student subscriptions \$1,475.

GIRLS' CADET CORPS TO DRILL AT GAME

Will Stage Five-minute Program Between Halves Saturday.

The Hastings Cadet Corps, twenty girls in West Point uniforms, which recently made such a hit at the national convention of the American Legion at San Francisco, will perform between halves of the Notre Dame Saturday.

They will put on about five minutes of military drill under the command of Lawrence E. Jones, regular army officer, who trained them.

Marcus L. Poteet, Lincoln lawyer, was instrumental in bringing the corps here. Since their success at San Francisco they have received many flattering offers to appear at various theaters. They have had numerous offers to put on their drill at various Armistice Day celebrations throughout the country, but they have promised to come to Lincoln for that day.

They will appear in the Armistice Day parade and will be the feature of the American Legion reception and dance which will be held at the city auditorium that evening.

"Twenty girls dressed in West Point uniforms and carrying real guns are seldom held of, and Lincoln is especially fortunate in being able to see them in the parade, at the football game, and at the reception in the evening," said Poteet Tuesday.

DR. ALEXANDER AUTHOR OF OATH TO OUR IDEALS

Work of Professor of Philosophy to Become University Tradition.

CADETS WILL SWEAR ALLEGIANCE TO FLAG

Dr. Hartley B. Alexander, professor in the department of philosophy, is the author of the oath to the ideals and traditions of the University, which will be given to the R. O. T. C. cadets at the Armistice day exercises to be held next Saturday morning on the parade ground.

The oath will be administered by Coach Henry F. Schulte. The oath of allegiance to the flag will be given by Professor Charles W. Taylor of the Teachers College, who is state commander of the American Legion.

Oath to Be Tradition.

The oath, written by Professor Alexander, is to be made a tradition and will be given every year to the underclassmen in the military department. The oath will be taken following a review by Major-General Duncan, commander of the Seventh Corps area.

Immediately after making this affirmation to the ideals of the University, the "Cornhusker" will be played. At its close the cadets will take the oath of allegiance to the flag and then the playing of the Star Spangled Banner will end the ceremonies on the parade ground and the cadets will take their place in the Armistice day parade.

The Affirmation.

The affirmation to the ideals of the University that the cadets will take is:

"In remembrance of the devotion of our University, in recognition of the generosity of the people of Nebraska in freely maintaining it, in the hope that it may continue to serve the public good, and in gratitude for its particular gifts to my private life, I hereby pledge myself to support in all ways open to me, the true interests of the University and of the public which it represents, to make its honor as my honor, and to cherish its fair name."

Oath of Allegiance.

The oath of allegiance to the flag is:

"I, _____, with a steadfast belief in the principles under which my country was founded, with sincere appreciation of my privileges as a citizen thereof and a due regard for my duties in upholding that citizenship, now reaffirm my faith in and allegiance to Our Flag, and the institutions it represents. So help me God."

General Duncan to Decorate.

At the review Saturday General Duncan will personally pin the ribbons on the men of last year's winning company in compet.

The thirty-four men who will receive the decorations are: Herbert W. Rathbuck, Ernest Mulligan, John Cameron, Jay Hepperly, Charles Allen, Frank Boyles, Eugene Babcock, Ernest Bruce, John Carr, Varro Clark, Arthur Clendenin, Arthur Coulson, Hugh Cox, Lewis Cox, Edward Dickson, Leslie Welch, Maurice Dodd, Arild Eriksen, James Franks, Oliver Hallam, Enos Heller, William Inman, John Kleven, Verle McBride, James Marshall, Philip O'Hanlon, Clifford Rees, Ben Ravitz, Gerald Stephenson, Clyde Sharrar, Roscoe Tutty, Kenneth VanVoorhis, and Jack Whaleb.

All women, freshman or advanced, who have become eligible for membership, are invited by the Women's Athletic Association to the general meeting to be held at Ellen Smith hall Wednesday at 7 p. m. All those who have made their class first teams in soccer have made the required 100 points for entrance into W. A. A.

SING GANG, SING!

Every chance that you get from now until Saturday, sing gang, sing. Spirit rests partly in song. The "Cornhusker" should be your menu for the rest of the week.

Whenever you get together, sing gang, sing. Don't try to confine your enthusiasm. If you can't sing, sing anyway, but for the love of Mike, sing gang, sing.

TORCHES, YELLS, SONGS BILLED FOR BIG RALLY

Nebraskans Will Greet Rockne's Team With Usual Procession.

BAND AND CORNCOBS TO LEAD PROCESSION

Torches will flare, students will yell and sing, representatives from Nebraska and Notre Dame will speak, and Husker spirit will be at its highest pitch at the rally to be held on the eve of the annual game with the Irish from Indiana.

The torchlight parade is always reserved for the arrival of Knute Rockne's team. A short meeting will be held in the Armory, Coach "Indian" Schulte and Captain Verne Lewellen will tell the students in a few terse phrases what the "Fighting Cornhuskers" will do to the Irish on Saturday and a gigantic parade will be formed. Torches and flares will be provided.

The band and the Corncobs will lead the march. The city will be informed that there is a university with spirit in town when the procession passes up O street on the way to the Lincoln hotel.

Knute Rockne and Captain Brown of the Notre Dame team will be called upon for talks when the students have gathered as near as possible to the balcony of the hotel.

The parade is expected to surpass in brilliancy and impressiveness any stunt ever put on by Nero in his prime, and incidentally, committee-men want Nebraskans to make a great showing than did Notre Dame two years ago when the Huskers went to South Bend. The Nebraska gridsters were met by a crowd of 5,000 six blocks from the station, the train was stopped, and the men were escorted to their hotel by the yelling crowd.

CHOOSE TEAMS FOR SOCCER TOURNAMENT

More Women Try Out This Year Than Ever Before.

Teams have been chosen for the women's soccer tournament. More women have tried out this year than ever before and the junior and freshman classes have two teams chosen. The teams are as follows:

Senior Team. Lois Putney, Elizabeth Armstrong, LaVerne Brubaker, Lois Pederson, Anna Hines, Marie Snaveley, Esther Swanson, Glee Gardner, Bernice Ballance, Edith Gramlich, and Pearl Safford. The subs are Dora Sharp, Minnie Schlichting and Emma Kosch.

Junior Teams. Irene Mangold, Rosalie Platter, Thelma Lewis, Mildred Armstrong, Jean Kellenbarger, Louise Branstad, Vivian Quinn, Margaret Tool, Anna Jensen, Dorothy Supple and Ella Neurenberger.

Second team—Leone McFerrin, Ruth Kess, Marie Hermanek, Blanche Meyers, Marieta Reed, Emma Hejtmank, Laura Rooney, Kathro Kidwell, Lucy McReynolds, and Dorothy Abbot.

Watch the bulletin board in the entrance of Memorial hall for the schedule of games.

Fair co-eds need fear no longer from darkness at night at the University of Washington, as a project to put lights on the campus is now under way.

Alpha Zeta Head Visits Nebraska

Dr. C. B. Hutchison, director of the northern branch of the California Agricultural College, spent Tuesday at the Agricultural College. He was entertained at luncheon by alumni and student members of the fraternity of Alpha Zeta of which he is national president. Dr. Hutchison is enroute to the national convention of Alpha Zeta at Chicago, accompanied by Lew T. Skinner of Lincoln, who is also a member of the national executive council.

Allen Cook, a senior in the Agricultural College, will follow Wednesday as delegate from the Nebraska student chapter.

JUDICIAL COMMITTEE TO HANDLE DISPUTES

Student Council Creates Body to Investigate "Green Cap" Controversy.

A judicial committee of five members of the Student Council, representative student governing body, was appointed Tuesday night to have complete jurisdiction over cases of disputes arising in connection with the wearing of green caps by freshmen, cases of violation of honor in examinations and cases incident to reports that certain students in the University of Nebraska have refused to observe the rules of courtesy observed during the singing or playing of the Nebraska anthem, the Cornhusker.

The committee, consisting of Dietrich Dirks, chief justice, Ruth Small, Clifford Hicks, Josephine Shramek and Robert F. Craig will go into session immediately. The first case on the list will probably be that of a freshman student who has refused to wear a green cap.

An investigation into the case will be made by the committee and a hearing for the freshman and the Iron Sphinx as the enforcing committee will be held.

The appointment of the committee form the Student Council to handle the situation was made as the outcome of the report of the disputes to the council for settlement.

Protest Against Conduct.

A violent protest was registered with the council against certain named students who refused to stand during the singing of the "Cornhusker" at the opening of a class. This is not the first nor second violation of this courtesy by these same students, according to the protest registered at the council meeting. The judicial committee will take the case under advisement. The offending students will be called before the committee this week.

Urge Faculty Leniency.

Members of the council urged that faculty members be more lenient in some cases in allowing the classes to sing Nebraska songs before each class session as a part of the general singing campaign of the week. Faculty members who stopped the singing of one song before class were scored in the discussion.

Violations of the green cap tradition will be referred by the Iron Sphinx to the Student Council for settlement, according to an agreement of the Sphinx and the council Tuesday. The finding of the judiciary committee will be adhered to in every case.

Any student is requested to send reports of any violations of tradition, either personally or by a signed statement, addressed to the Student Council.

Wyoming's Coach reports that the football field is covered with several inches of snow and a continued fall.

WE CONCEDE NOTHING.

The team is getting ready for the supreme test. There are five thousand students who are expected to be ready for the same battle. You are one of them. Allow your spirit to bubble over and run rampant this week.

This will be one of the greatest games in America and it deserves one of the greatest set of rooters. Do you realize your responsibility? You are a Cornhusker and this is a Cornhusker team. Fight with them until the end. Bear but one word in mind, "FIGHT."

DRIVER PARTLY RESPONSIBLE, IS VERDICT OF JURY

Charges Will Be Preferred Against C. H. Ketelhut This Morning.

BERTIE MEIER DIES; ETTA PARKS INJURED

After being out one hour and four minutes, the coroner's jury returned the verdict last night "that deceased came to death by being struck by an automobile driven by C. H. Ketelhut, who was driving at a rate of speed that was not reasonable and proper, and that did not have due regard for the traffic and the use of the road at that time."

It is understood that Charles E. Matson, county attorney, will file charges of manslaughter today.

Bertie Meier, eighteen, University freshman, died at 2:15 a. m. yesterday from injuries received Monday evening when an automobile driven by H. H. Ketelhut, 2907 Starr street, struck her as she, in company with two other girls, was crossing N street at Sixteenth.

Miss Etta Parks, age twenty, who was injured, will be out of the hospital in a few days, according to Dr. C. H. Arnold, who is attending her. Miss Park was seriously bruised and cut about the face.

Lived in Scribner.

Both the girls' homes were in Scribner and they roomed together at 1645 K street. Miss Meier was a student in the Teachers College and Miss Park in the Agricultural College.

The two girls accompanied by Miss Verona Stabenow, also of Scribner, were on their way to a show when the accident happened. They were walking north on the east side of Sixteenth street. Just as they started to cross N street the Overland car, driven by Ketelhut, came around the corner and crashed into the trio. Miss Stabenow jumped back and escaped injury. The car veered diagonally across the street dragging the girls under it and struck a cement curb post where it stopped.

Claimed to Be Going Slowly.

Ketelhut said that he was not going fast at the time of the accident. "I came out of the oil station, where I had been getting some gas and turned east when I came to the (Continued on Page 4)

HOLD INTERFRATERNITY CONFERENCE NOV. 30

All Greek Letter Men's Fraternities to be Represented at Meeting

The annual Interfraternity Conference, of which every one of the national Greek-letter men's fraternities in the United States is a member, will be held at the Hotel Pennsylvania in New York on Friday and Saturday, Nov. 30 and Dec. 1.

More than two hundred officers of the various fraternities will be present, as well as a number of college presidents and other educators. Among them will be Pres. W. H. P. Faunce of Brown, whose inspired the Interfraternity Conference.

For the first time in the fourteen years of the Conference's existence, undergraduate delegates will be present, representing local interfraternity councils at various colleges and universities. They will take part in the discussions of college men's problems.

An interesting experiment will be tried in conjunction with this year's Conference. Believing that there are now too few college men given the opportunity of fraternity membership and fellowship, the Interfraternity Conference has invited representatives of 550 local fraternities to come to New York at the time of the Conference with the purpose of forming full-born at least one new national society.

The conference will be presided over by John J. Kuhn, well-known lawyer of 115 Broadway, a member of Delta Chi at Cornell. The secretary of the Conference is A. Bruce Bielaski, lawyer of 120 Broadway formerly with the Department of Justice, a member of Delta Tau Delta at Columbia.
