

**HUSKER TEAM IS  
TALK OF SEASON**

(Continued from page 5)

greatest game of the season against the Irish, and some critics have said that Nebraska was fit to defeat any team in the country that day.

Notre Dame scored its lone marker in the last few minutes of play when she forward passed her way down from the middle of the field. In the second quarter she was on the Husker eight-yard line and was held on downs.

The playing of Captain Lewellen and Dave Noble featured the game again. Lew's generalship and the manner in which he handled the team were largely responsible for the victory. Big Dave's line plunging never failed. He made both touchdowns, the first through the line, and the second when he snagged a pass from Rufus Dewitz.

The last game on foreign ground was played with Ames, the Huskers returning with a 26 to 14 victory. The game was noticeable for the number of injuries received. Dave Noble had been injured in the Notre Dame game and did not get in the battle with Ames at all.

The Iowa State touchdowns were both made by forward passes in the final period, and it looked bad for Nebraska for a few minutes. Robertson ran for the first Nebraska touchdown; the second one was made by Herb Dewitz after a series of line plunges. Rufus Dewitz intercepted an Ames' pass and ran for a third touchdown. Lewellen made the final score after catching a pass from Rufus Dewitz.

The Cornhuskers entered the hardest game of the season, that with Syracuse, in poor condition. Many of the men had been injured in the Ames game and had not been in a real practice since. They fought with all they had, but that was not enough and they finally fell before Syracuse's mighty team by a score of 7 to 0.

In the first three quarters, the Nebraska team showed wonderful fight and held the Syracuse eleven. Many of the men were carrying injuries that should have kept them out for the rest of the season. They could not stand the strain, however, and they finally went down fighting in the last quarter.

Nebraska completely out-played the Orangemen in the first half, and it looked as though Syracuse would taste of the same medicine fed to Notre Dame. The Nebraska linemen threw the Syracuse backs for losses time and again.

The Syracuse touchdown was made in the final quarter, after the Orange had marched 80 yards up the field, by a pass over the goal line.

The defeat of last week has made Nebraska fighting mad and a victory over the Kansas Aggies is looked for, although everyone admits that it will be a battle from start to finish.

**NEBRASKA'S COACHING STAFF**

As his able assistants he has had the services of Owen Frank who has had charge of the most of the backfield work, and Line Coach Schulte. With this combination, along with Coach Dawson's personal tutoring, the squad has developed wonderfully this year. It will be remembered that when Nebraska kicked off the first time this season she had five new men in the lineup, these men have since been drilled to be regulars.

Billy Day, ex-captain and former Missouri Valley center, has been an assistant line coach this year and it has been under his personal guidance that Hutchison and Wostoupal have become the players they have. Ex-captain Chick Hartley, Missouri Valley fullback, has had charge of the new backfield material this year and Leo Scherer has been instructing the ends.

Farley Young, the freshman mentor, has been largely responsible for the success of the Husker season in drilling his freshmen in opponent's plays and formation. The week preceding a game Farley had his team drilled to perfection in the plays of the team Nebraska was to meet that Saturday and he sent them in scrimmage against the Huskers using those plays. Captain Hagen of the military department has been an able assistant of Young's with the backfield.

**EVERTT CRITES**

Ev is a fast halfback. He was a member of the varsity track squad and his speed enables him to cover football ground in dazzling runs. He is shifty and tricky in his ball-lugging. He will make a stronger bid for a regular berth next year. He is a member of Sigma Phi Epsilon and his home is Central City.

**MONTE KIFFIN**

Kiff is a hard-hitting halfback. He has not been used this year but he is drilling hard every night and learning the ropes. He is a hard worker and next year will no doubt be given an opportunity of showing his stuff. He lives in Lincoln. He is affiliated with Pi Kappa Phi fraternity.

## You'll Get Continued Pleasure Out of a Hart Schaffner & Marx Overcoat

What a pleasure it is to slip into a coat, comfortable in its warm fleecy cloth; comfortable in its easy fit; comfortable in the way it becomes you; comfortable and good looking after months of wear.

That's the kind of service we're giving our customers; Hart Schaffner & Marx are helping us to deliver it along with exceptional values at
