**CLUB TO ENTERTAIN
STADIUM ARCHITECTS**

**University Organization Plans
Banquet for Men Who
Designed Stadium.**

The Lincoln University club will give a banquet December 15 for Ellery Davis of Lincoln and John L. Latenser of Omaha, architects of the stadium, in appreciation of their work. Gifts will also be presented to the men.

"Few students realize the amount of work that the architects did in designing our stadium," declared Superintendent Hawkins, who is in charge of the construction work. He said that the usual charge of architects for a job of this kind was five per cent of the total cost of the structure. This means that Dr. Davis and Mr. Latenser donated about \$35,000 to the University.

Mr. Hawkins also stated that a conservative estimate of the time required by an architect for an undertaking of this size would be four months if the time was spent exclusively on it. The architect besides drawing a picture of the finished undertaking has to figure out the materials to be used, strengths of materials, and other technical and difficult problems.

The architects had to design a structure that would have endurance and beauty with relatively little cost. A further problem was to secure a seating capacity of 40,000 and yet have all the seats close to the field, leaving room inside for a track 2,100 feet long.

**NEBRASKA FILIPINO
CLUB REORGANIZED**

**Constitution Approved by Uni-
versity Organizations
Committee.**

The Nebraska Filipino club, organized several years ago, has reorganized this year and its constitution was approved by the committee on student organizations on December 6. The officers for the present semester are as follows:

President, B. M. Velasco; vice president, H. Tianges; secretary, Miss C. Polafox; sergeant at arms, V. Frando. The organization is composed of those Filipinos on the campus who care to join and exists for the purpose of promoting friendship among all students in the University as well as to give accurate information concerning the Philippines.

PENNSYLVANIA: Recently the student tribunal dealt out justice to six freshmen for various breaches of customs and made several important rulings in regard to the yearling regulations.

OKLAHOMA—The University is strictly enforcing the ruling that no student shall have an automobile at the institution without special permit. One student was expelled recently for violation of this ruling and several more expulsions are expected.

KANSAS—The assistant dean says that the most important reasons for which students fail in college are the following: Insufficient time devoted to studying, low standards of work, lack of ability to do college work or lack of purpose.

MICHIGAN—The Educational Foundation commission for relief in Belgium at Ann Arbor has announced that a number of scholarships to Belgian universities during the year will be awarded. The purpose is to create a closer exchange of ideas between the United States and Belgium. The candidate must be an American citizen, must have a speaking knowledge of French and must be a graduate of a recognized college in the United States.

MINNESOTA—Gopher debaters defeated Iowa in a debate on the question: "Resolved, that the United States should join the World Court as proposed by the late President Harding."

ILLINOIS—Nine awards were given to the architectural students at the University of Illinois by the Beaux Arts Institute of Design in a competition held recently in New York. Although this is the year that the department of architecture competed, five first and four second mentions were secured.

**Kansas U. Sororities
Hold Swimming Meet**

Sororities at Kansas University are planning a swimming meet to be held in the latter part of January. An entrance fee of \$1.50 is charged each house entering, and the proceeds will be used to buy a loving cup that will be awarded to the winner.

The events in the meet will be—Relay, front and back diving, fifty-yard side stroke, fifty yard breast, fifty yard free, plunge for distance, and a stunt. The stunt may be anything that the houses wishes and can include any number of women.

Each sorority will be allowed to enter but one woman in each event, and each entrant will be limited to three events. The meet is being organized under auspices of the W. A. A.

**PEYTON COMPLETES
CADET INSPECTION**

**Major Says Nebraska Should
Secure Distinguished
Rating.**

Major P. B. Peyton, officer in charge of R.O.T.C. units in the seventh corps area, completed his inspection of the Nebraska corps yesterday. He inspected companies E and F in the morning and afternoon, and visited instruction classes of the junior and senior advanced courses during the day.

Major Peyton talked to the cadet officers and urged them to make all possible efforts to secure the distinguished rating next spring when a staff of officers from Washington will again inspect the cadets and consider Nebraska's application for rating as a distinguished military school. The major said that in his opinion the Nebraska unit is capable of passing the strict tests and ought to attain the rating next spring.

The visit by the major was the first semi-annual inspection of the corps this year. He will inspect the cadets again next spring.

He left for Omaha yesterday afternoon.

**Psychology Class
Invites 'Alumni' to
Christmas Party**

Former students in the Philosophy 100 course are cordially invited to attend the party given by the members of the class next Wednesday evening in the laboratory. The party will begin early, and there will be three hours of solid fun from 7 until 10 o'clock.

Any so-called "alumni" who will be able to attend the party are requested to leave their names in the mailbox outside Dr. Winifred Hyde's office, so that provision may be made for them in the plans for the party.

\$1,500.00
in cash prizes

1st Prize \$200.00
2nd Prize 125.00
3rd Prize 75.00
4th Prize 50.00
and Special Awards of \$25.00 Each

Cash prizes—totaling \$1,500.00—will be awarded for the best advertisements written for college publications by college students on the world-famous cereal products, Grape-Nuts, Post Toasties and Post's Bran Flakes.

Four grand prizes, the first \$200.00; the second \$125.00; the third \$75.00; and the fourth \$50.00 for the best advertisements received from all colleges, and special prizes of \$25.00 each for the best advertisement received from each college.

To be eligible for one of these cash prizes, you must be a college student.

All advertisements must be received on or before January 15, 1924, and awards will be made February 15, 1924.

Ask the business manager of the Daily Nebraskan, or write us for information about the contest, and literature describing the products, right away. See if you can't write the best ad in your college, and top the entire field as well.
