**SWIMMERS ENGAGE
 IN TRIPLE CONTEST**

Meet Ames and Omaha Athletic Club Either on February 1 or 15.

The date for the swimming meet with Ames university to be held at Omaha has narrowed down to either February 1 or 15. One of these dates will be picked within the next few days. Nebraska will meet the Omaha Athletic club at the same time that they engage Ames, making the tank exhibition a triple meet instead of the customary dual.

The Omaha Athletic club has a number of swimmers of championship calibre who have placed in mid-western A. A. U. events in the past few years, and they have a good swimming instructor in Pete Wendell. Ames has been advancing steadily in the aquatic sport and is fortunate in having a university swimming pool.

Coach Frank Adkins has outlined a program for the varsity swimmers to keep them in shape during the holidays. The fellows who remain in Lincoln will take daily plunges in the "Y" pool. Those who go out of town will follow some setting up exercises to keep their muscles in shape.

Tryouts for places on the swimming team will be held previous to each meet and Coach Adkins is emphasizing the fact that the men who make the team will be those who have earned their places. The backstroke and breaststroke events are rather weak with only one candidate out for each, but before the season is over Adkins expect to have some good men in these events.
