

DE MOLAY SHOW WELL RECEIVED

Students and Townspeople Applaud Amateur Performance.

EIGHT ACTS IN THIRD VARIETY PRODUCTION

The third annual DeMolay variety show was presented at the Orpheum last night before an audience of students and townspeople who offered generous applause to the high class acts and clever stunts staged by amateurs. Every act was carefully presented and indicated the great success of the entire performance.

The Aerial Four opened the show with some acrobatic work, lead by O. B. Anderson. It was followed by Charles Wiles on the xylophone. The next act was a short play entitled, "Behind the Scenes." It offered an opportunity for the show masters to present their difficulties to the audience and also offered clever entertainment.

John B. Dawson and Mary Ellen Bradshaw staged a vaudeville act that was cleverly presented. It was followed by Doona Gustin and Company act entitled a "Dance Fantasy." The Louisiana Ragadors, Orville Andrews and a chosen cast presented the three final numbers on the program.

The entire performance was skillfully and cleverly presented. The audience seemed to announce its hearty approval of the earnest work of the local artists in presenting the De Molay variety show.

The same performance will be given for the last time tonight.

HUNDREDS STILL OWE ON STADIUM PLEDGES

Second Payments to Memorial Building Fund Now Sixty Days Past Due.

That 800 students have not paid their second installments on their stadium pledges, more than sixty days past due, was the statement made by officials of the Nebraska Memorial Stadium Association last night. The second payment was due October 24, and statements were sent to all those who had not paid by January 1.

All possible means are being used by members of the stadium committee to get the money in. They are now working with the Lincoln credit men's association. Under the conditions of membership in this association, it will be necessary to report all delinquent accounts. This action will naturally affect the credit of such individuals with city stores.

"Every student who signed a stadium pledge really signed a note. It seems that many of them do not realize the seriousness of such a business transaction. They should not allow this bill to hang over due any more than they would one at a downtown store," Harold F. Holtz, secretary of the alumni and stadium associations said last night.

Many freshmen already owe money on their pledges. In the statement sent January 1 was enclosed an addressed envelope so that all the student would have to do would be to write out a check and put it in the envelope. Even this failed to bring in any great amount of money.

"This failure to make the payment on the pledges shows a very poor spirit on the part of those students who owe the money. When the campaign was going on last year, the spirit was wonderful and many sacrifices were made. But now that the campaign is all over, some of the students are showing anything but the proper attitude," continued Mr. Holtz.

The committee also emphasized the unnecessary cost of sending out statements such as were sent out the first of the year.

Women Practice for Basketball

Basketball practices for girls are now in full swing. A schedule of the games is posted on the W. A. A. bulletin board in Memorial hall. Eight practices in basketball make a girl eligible to play in the Color Tournament, which gives fifty points towards membership in W. A. A.

Engineers Choose Chicago for Annual Trip of Inspection

Chicago has been selected by the Engineers as the place to be visited this year on their annual inspection trip. The vote was 8 to 1 for Chicago. Denver was a close second.

The trip will be taken March 30 to April 4. The number of Engineers who will make the trip has not been decided as yet but every upperclassman will be interviewed by the committee this week, and the number will be known definitely by January 15.

DATE IS SET FOR UNIVERSITY NIGHT

Annual Skit Program to Be Held February 23 in City Auditorium.

ALL ACTS MUST BE READY BY FEBRUARY 1

University Night, annual University fun fest, will be held in the City Auditorium the evening of February 23. All organizations and individuals who wish to present skits must submit their acts to the University Night committee before February 1. No acts will be accepted after that date. No skit should take longer than twelve minutes, committee members say, in order that the program may include eight full acts.

Immediately after February 1 the committee will select the acts to be presented. The accounts turned in will be judged on originality, manner of presentation, and anticipated popularity.

Each skit turned in will be given careful consideration. No partiality will be shown and the majority of acts will be used as the 1924 committee plans to make this event among the best ever produced.

The University Night committee will meet each Monday at Ellen Smith hall at 5 o'clock until arrangements for the night have been completed.

SITTINGS FOR JUNIOR PICTURES SCHEDULED

Cornhusker Lists Third-year Students to Visit Photographer Wednesday.

Junior pictures are being taken this week for the 1924 Cornhusker, and all third-year students should watch the Nebraskan to see when they may have their pictures taken. Students who are of junior standing and who have not seen their names in the lists run in the paper are urged to report to the Cornhusker office. Every possible effort has been made to make the lists complete but in some cases names may have been left out.

A dozen pictures may be obtained at the additional cost of a dollar and a half. The cost for each sitting is two dollars.

"We are trying to make the Cornhusker this year the most representative annual ever put out at Nebraska, but we cannot do it unless every upperclassman will co-operate in getting his picture taken as early as possible," stated Robert F. Craig, editor-in-chief of the annual.

Students are reminded that only pictures taken at Dole's studio will be accepted for the Cornhusker. Pictures taken last year at Dole's may be used by making arrangements at the studio.

The following juniors are to have their pictures taken Wednesday at Dole's studio, 1225 O street. It is imperative that each one on the list call the Cornhusker office today and make arrangements for a definite appointment.

Elizabeth Fisher, Esther Fisher, Leslie Fisher, Marguerite Fisher, Meda Fisher, Rebecca Fisher, Isabel Fletcher, Ralph Fletcher, George Follmer, Marcia Follmer, Dorise Fonda, Aurel Foreman, Clarence Fortna, Victor Foss, Gladys Foster, Howard Fowler, Mildred Freas, Edith Frease, Helen French, Marie Fritz, Luther Frost, Frank Fry, Marian Funk, Dudley Furse, Charles Gardner, Glee Gardner, Marie Garham, Evelyn Garrison, Charles Gasser, Karl Gastoyer, Pauline Gellatly, Elton George, Herman Ginsburg, Harold Gish, Clarence Gittings, Monroe (Continued on Page 4)

ALL PAN-HELLENIC TICKETS SOLD

Kosmet Klub Limits Attendance at Greek-letter Formal to 250 Couples.

FRATERNITY SALESMEN MUST CHECK IN TODAY

All tickets for the Pan-Hellenic formal Saturday evening, January 12, under the auspices of Kosmet Klub, have been sold.

Fraternity representatives in charge of ticket sales are requested to check in immediately to the member of Kosmet Klub supervising the sales. Two hundred and fifty couples will attend the formal. Three hundred twenty tickets were passed out to fraternity ticket sellers, so the remaining seventy tickets must not be sold but must be checked in today.

With representation of every Greek letter organization on the campus assured, Kosmet Klub committees are turning their attention to making the party distinctive. Unusual favors are being secured and programs carrying out the purpose of Pan-Hellenic are promised by the party committee.

Original Musical Program.

Music from the 1924 Kosmet Klub play, "The Wishing Ring," will be played for the first time in public by the combined orchestra which has been secured for the formal. If possible, a medley of favorite fraternity songs will also be included on the program of dances for the evening.

Announcement of the chaperones and patronesses will be made soon. Plans to decorate the Scottish Rite temple with fraternity crests and emblems are complete. Fraternity representatives are asked to watch for further announcement as to the time when these crests will be needed by the decoration committee.

Entertainment will be provided only for the 250 couples who were able to secure tickets for Pan-Hellenic. Calls for tickets today will meet with refusal by the committee in charge as it is their desire not to overcrowd the dance floor.

Corsages Barred.

"Corsages are barred," was the edict sent out by the Klub in response to questions asked by some of the organizations. Men are requested not to send flowers to the girls as the Klub has tried to lower the cost as far as possible, reducing the price of the tickets 50 cents.

The movement, inaugurated this winter by the Kosmet Klub, to have couples at University dances trade partners frequently during the evening, will culminate at the Pan-Hellenic dance. Men are asked to keep this in mind Saturday as the Pan-Hellenic is given to acquaint all fraternity men and women with each other. A distinctly Nebraska spirit cannot be shown if all do not co-operate in trading dances.

ORATOR MAKES THIRD NEBRASKA APPEARANCE

Southwick to Interpret "Othello" at Temple Theater Thursday.

Henry Lawrence Southwick, distinguished orator and reader, who will present an interpretative recital of "Othello" at the Temple Theater Thursday evening at 8 o'clock, has twice before appeared at Nebraska. Year before last he gave Sheridan's "The Rivals" here and several years previous to that he gave a performance of "Richard III."

Miss H. Alice Howell of the dramatic department, who is a personal friend of Professor Southwick, in speaking of him said, "Professor Southwick is a man of extraordinary personality and it is an inspiration to hear him. At both of his previous appearances here he made a splendid impression."

At one time this artist appeared on the stage in such large cities as Boston and New York. After leaving the stage he devoted himself to Journalism work and classic teaching, and has since become president of the Emerson College of Oratory at Boston. The Emerson text is used by classes in the dramatic department here.

Admission to the recital on Thursday will be 50 cents.

COACH HUSKEA PICKS HUSKER RIFLE TEAM

Twenty-one Cadets to Represent Nebraska in Intercollegiate Shoots.

The University rifle team of twenty-one cadets has been selected by captain Huskea, rifle team coach. The list was announced yesterday and consists of two seniors, five juniors, five sophomores, and nine freshmen.

The team members are L. R. DeFord, F. B. Millson, W. D. Dover, A. N. Huddleston, D. P. Roberts, I. R. Ross, Dale Skinner, D. H. Bartholomew, W. Lamli, D. D. Lewis, F. E. F. E. Hunt, R. Currier, E. A. Swanson, R. F. Russell, A. Seamens, M. L. Seavers, R. B. Ward, H. G. Shafer, E. L. Plots, William Cejnar and J. C. Hunt.

The men appointed should hold rifle consultation this week with Captain Huskea.

The first week of intercollegiate rifle competition began yesterday with Nebraska firing against five schools in the New England states. They are New Hampshire College of A. & M., University of Vermont, Rhode Island State, Yale University, and Massachusetts Institute of Technology.

The members of the rifle team are firing individually the required forty shots this week in the prone, sitting, kneeling, and standing positions. The captain will be elected at an early meeting of the rifle team.

The results of the shooting this week will be telegraphed to the eastern schools, which will telegraph the results of their team firing to Nebraska. Next week a group of colleges farther west will be met.

Intensive Study Heralds Coming of Final Exams

The one armed paper hanger from Oklahoma who has the cigarette habit and the itch is probably a man of leisure in comparison with the 1924 Cornhuskers from holidays to the twenty-first.

The instructor greets his returned students with the hope that they have made a New Year's resolution to study diligently. He is met with grim expressions and tightened lips. The happy relaxation of vacation has passed and the throaty growl of semester examinations has come too close for comfort; it wakens the dreamers and stirs the plodders.

The weather has also heeded the faculty prayers and tardy winter has put a razor edge on the outdoor air and turned inviting walks to a chilly crispness. If a student is seen outside it is a safe assumption that he is aiming straight for the nearest open door. The Library has doors that swing easily, and they are swinging all the time. Inside it is comfortably warm and truly academic; noses are not to be seen for they are all buried in textbooks.

The newcomer hears only the whisking of leaves and the scratching of pencil and the shuffle to from the reserve desk. He receives an uneasy impression that if he were to revive his habit of the lazy warmth of November and December, the habit of frequent halts from the scholarship race to indulge in pleasant meditation and reverie, the wrath of the powers of justice would descend upon him with suddenness and ferocity. His remembrance of languid autumn is only a misty dream of former incarnations. So he studies with the rest.

Dairy Department Conducts Cafeteria

During Organized Agriculture Week the dairy department is conducting a cafeteria in room 114 of the Dairy building for those who are attending the meetings on Ag campus. Dairy products, apples, pie, sandwiches and so on are sold. The prices are reasonable and popular.

OKLAHOMA—University journalists published all editions from noon through the night extra of the Oklahoma News on January 4.

According to statistics, eastern football teams far surpass those of the middle west as point scoring machines.

Girl Reserve Leader to Speak at Vespers

Miss E. Van Sant Jenkins, field secretary of the Girls Reserve, will speak to University girls at Vespers Tuesday evening. Alice Beavers will lead the meeting. There will be special music. Girls in the Girl Reserve class will be hostesses.

MANY REGISTER ON FIRST DAY

Unusual Heavy Registration Reported in College of Arts and Sciences.

TO CHARGE LATE FEE AFTER JANUARY 12

Reports from the deans indicate that the number of students registering the first day has been large. Although the first day of registration is usually very light, the offices were crowded. Students who do not register before Saturday noon, January 12, will be charged a late registration fee.

The College of Arts and Sciences reports a registration of about 150. Compared with other years this is a large number. Students are arranging their schedules and seeing their advisors the first part of the week and the college does not expect any very large number to reach the final stage of registration until Wednesday.

The estimates of the number registered in each college for the first day follow:

College of Engineering, 70.
College of Pharmacy, 50.
Teachers College, 75.
College of Dentistry, 30.
College of Arts and Sciences, 150.
No estimate could be given by the College of Business Administration.
Over 300 students in the College of Agriculture registered January 3 to 5.

RAISE TIME LIMIT FOR ENTERING RIFLE MEET

Seven Fraternities Already Signed for Greek-letter Shoot Next Week.

Time for registering in the interfraternity rifle match has been extended until Saturday of this week by Captain Huskea, rifle team coach and director of marksmanship. Seven fraternities have signed up for the meet so far and the number is expected to be increased during the week.

The fraternities already entered are Kappa Sigma, Sigma Chi, Phi Tau Epsilon, Phi Kappa Psi, Phi Delta Theta, Lambda Chi Alpha, and Delta Chi.

The meet will continue through the whole week, the teams and team members coming up to fire as their programs permit.

Members of the fraternity teams may practice this week on Wednesday and Friday from 9 to 12 o'clock in the morning and 1 to 4 o'clock in the afternoon, and on Saturday morning. They gallery on the other days of the week is reserved for the girls' rifle team. Freshmen who have not completed their requirements may also fire.

Dairymen Conduct Judging Contests

Two separate Dairy Judging contests will be held under the auspices of the Nebraska Dairymen's Association, Friday morning, January 11, of Organized Agriculture Week. One will be open to the dairymen and farmers of the state and the other to the college students who have never been on college teams in national shows.

Professor J. P. Fitch of the State Agricultural college of Manhattan, Kansas, has been secured to act as the official judge. Prof. Fitch holds a national reputation, having acted as official judge at the National Dairy Show and other such shows.

The awards for each contest will be a gold medal, four silver medals, and four bronze medals. The contest is open to anyone who has paid the one-dollar membership fee in the Nebraska Dairymen's Association.

HUSKERS LEAD SOONERS 35-21

Captain Usher Leads Attack in Fast Game for Second Victory.

NEBRASKA IN FRONT FROM FIRST OF GAME

By John Hollingsworth.

The Oklahoma Sooners, who would sooner beat Nebraska than any other team in the Valley, were forced to retire from the fastest game that has ever been played on a Husker floor, with the wrong end of the pleasant score. The Sooners were all set to win, but soon after the whistle was blown, Usher, Nebraska's diminutive captain, sunk one from the side and from then on Nebraska led.

The season's launching was executed on the home rectangle Saturday night when the Nebraska cagers turned back the invading Tigers from Missouri with the short end of a 24 to 18 count, was reinforced and Nebraska's stand in the Valley remains at 100 per cent, two games won and none lost.

Ahead at Half.

The Huskers were leading at the close of the first frame 20 to 9. The offensive combination of Captain Usher, Black, and Goodson was one that the southerners were unable to solve. The Oklahoma coach called on his total supply of reserves in a vain effort to halt the onslaught, but the Nebraskans were hot and they weren't hankerin' for a cooling. In the first half Captain Usher sunk four baskets and two free throws, Black connected three times on two-point baskets, and Goodson made a difficult overhead shot. Tipton and Volz were invincible in the Husker's back court and the invaders were held to two baskets from the field.

In the second half Wallace, inserted in the Sooner lineup for McBride, got on a shooting streak and made four baskets before the Huskers could stop him. His basket-shooting and floor work, and the floor work of Ruppert and Goodwin were the features of the opposing play.

Usher Stars.

The floor work and basket shooting of Captain Usher belong in the headlines and with it the floor work of Black, Cozier and Goodson. Cozier had been in the game but a few seconds when he caged the first of three baskets. Then impenetrable guarding of Tipton and the fast advancing of Volz after he had stopped opposing plays were factors in the Huskers defense that remained a puzzle to Oklahoma throughout the contest.

The Huskers hit the basket from all angles and passed with lightning speed. Like Missouri, Oklahoma was outplayed in all branches of the game.

Friday night Nebraska crosses goals with the Kansas Aggies on the home court.

The box score:
