Debating Try-outs to Be Held Monday

Tryouts for the University debating team will be held Monday from 1:00 to 3:00 o'clock. The place where the tryouts will take place has not been decided as yet but may be learned from Professor Fogg in U112.

These tryouts will determine eight members of the debating team for 1924. The team has debates with the universities of Iowa and South Dakota this spring. Since these two meets come earlier this year than has been the custom, Nebraska's team must be selected at once so that it will have adequate time to prepare.

The program, which is to be held in Ellen Smith hall, is in charge of Margaret Wattle.

Invite Doctor Pound for Summer Courses

Professor Louise Pound of the department of English has received an invitation to give two courses in a "national summer school from June 9 to July 18" in Utah, as one of a faculty of twenty specialists drawn from Harvard, Columbia, John Hopkins and elsewhere. TOURNEY RESULTS FOR SATURDAY

Sig Alph-D U Game Features Saturday's Playing; D U Loses.

FAST PLAYING IS MARK OF EACH TEAM

Fast playing marked the fraternity basketball games Saturday. The Sigma Alpha Epsilon-Delta Upsilon game was the feature of the day's playing and was hotly contested to the end. The early lead gained by the D. U. quintet was too much for the Sig Alphas to overcome and the game ended 10 to 8. Phi Delta Theta lost to Phi Delta Chi; Sigma Phi Epsilon won over Beta Theta Pi; and Zeta Beta Tau went down before the Delta Chi team.

The Phi Delta Chi-Phi Delta Theta game was filled with long shots. The pharmacists made their lead safe by a five-minute spurt at the first of the second half and finished the half ahead, score 7 to 2. The final count was 18 to 9. Stuhr, Phi Delta Chi, was high point man with 8 points. Lewellen refereed the game.

Altho both the Zeta Beta Tau and the Delta Chi teams exhibited excellent defensive ability, neither seemed to be able to start a scoring streak. The half ended 3 to 1 with the Delta Chis ahead. The Delta Chis sprinted at the opening of the second half until they had a good lead and succeeded in keeping it. The game ended with the score 12 to 8. Lewellen also refereed this game.

Sig Alphas Determined.

The Sig Alphas and D Us staged the fastest contest of the day. George of the D U team started the scoring with a field goal. In spite of all the Sig Alpha team could do the D Us rang up ten points in the first half and the Sig Alphas only three. The second half was marked by a Sig Alpha rally so determined that the D Us were unable to score a point. The D U lead was too big for the Sig Alphas to overcome, however, and the game ended 10 to 8. The referee was Olds.

The Sigma Phi Epsilon-Beta Theta Pi game opened as a fast and evenly fought contest. Both teams showed good defensive all through the game but the Sig Eps tightened in the second half until the Beta team was unable to score. The half ended 9 to 4 and the final score was 22 to 6 with the Sig Eps at the top both times. Hecht of the Sig Eps team was high point man with 11 points to his credit.

The Sigma Chi and Delta Tau Delta teams will meet Monday at 4:00, followed by the Phi Kappa Psi-Alpha Sigma Phi contest at 4:30. On Tuesday, Lambda Chi Alpha meets Kappa Sigma at 4:00 and Alpha Tau Omega plays Phi Alpha Delta at 4:30.

HOLD TRYOUTS FOR KANSAS MAT MEET

Skinner and Mooberry Will Represent Huskers Against the Jayhawks.

Skinner won over Mooberry, and Blore over Whaley, in the tryouts Friday for the dual wrestling meet with the Jayhawkers on February 8. Skinner obtained a time advantage of 2 minutes and 22 seconds over Mooberry in the 145 pound class, and in the 115 pound division Blore won over Whaley with a time advantage of 1 minute, 27 seconds.

These men represented the Cornhusker school in the meet with Northwestern last week and in winning their respective events made the Huskers victorious by a score of 13 to 7. The other men representing Nebraska at the Kansas meet are: Kellog, 125 pounds; Uhler, 135 pounds; Thomas, 158 pounds; Robertson, 175 pounds; Highley, heavyweight.

Highly, who won the heavyweight bout in the meet with Northwestern last week, sprained his ankle several times in the match and for a time it was thought that he would be unable to make the trip to Kansas.

Kansas has a veteran squad this year and the Huskers are expecting a stiff opposition. In the meet with the Jayhawkers last year Nebraska returned with the long end of a 30 to 0 score.

Weather Forecast

Fair weather for Sunday and Monday for Nebraska and somewhat colder was the prediction of the University weather bureau yesterday afternoon.

ALUMNI AND VESTALS OFF POETRY PRIZE

Alumni and Vestals to Award Two Best Poems by Students.

COLLECTION PUBLISHED

A prize poetry contest is being conducted jointly by the alumni of the class of '98 and Vestals of the Lamp, honorary women's organization of the College of Arts and Sciences. Fifty dollars and \$25 are offered for the two best poems written by University students submitted before March 1.

Publication of a collection of the poems will be made in April and the volume is to be representative of the best literary ability of the University. This publication will be the first of its kind at the university for a number of years.

Manuscripts must be submitted to Prof. J. A. Rice, jr., of the department of ancient languages, chairman of the committee. Prof. Louise Pound, Prof. Sherlock B. Gass, and Miss Constance Syford of the department of English, and Dr. Hartley Burr Alexander of the department of philosophy are the other members.

No restriction is placed on the subject matter of the poems submitted by one person; contestants must, however, be resident students of the University carrying at least twelve hours of work this semester. The committee prescribes that the poems shall be submitted in sealed envelopes containing one signed copy and three unsigned copies.

From all these contributed poems twenty will be selected by a local committee of judges to be submitted to the three final judges, who will be non-residents of the state. The poems will be graded on a basis of one to twenty; after the addition of these rank-numbers the lowest score will win first and the next lowest, second place.

Kernels Hold Party in Ellen Smith Hall

The Kernels held a "get acquainted" party at Ellen Smith hall Saturday. The program consisted of a reading by Frances McChesney, a vocal solo by Thelma King, games, and dancing. Ice cream, wafers, and candy were served.

This party was the fourth of a series of "get acquainted" parties sponsored by the Y. W. C. A. for the furthering of friendship among university women.

Books by Faculty Members in Library

Thirty-three volumes by members of the faculty of the university—only a small part of their total publications—are exhibited this week in the hallway of the Library. The selection was made from a collection presented by Dr. James T. Lees, formerly chairman of the department of ancient languages, who is on leave in California. Original works rather than translations for editions have been chosen. Examples of work in many fields of literary and scientific endeavor are shown in this group of volumes.

Grumann to Lecture in Omaha on Ibsen

To friends of dramatic art in Omaha Prof. Paul E. Grumann, director of the School of Fine Arts of the University of Nebraska, will offer a series of eight lectures on the continental drama under the auspices of the extension division. The class will meet in the Central high school building from 4 o'clock to 5:40 Thursday afternoons, beginning February 7.

The course will consist of reviews and analyses of the plays of Henrik Ibsen. Two dramas will be studied each week. Written reports and an examination will be required of all who pursue the course for University credit.

(Special to the Nebraskan.)

DES MOINES, Ia., Feb. 2.—Drake won her first Valley tilt tonight by defeating the Cornhuskers 19 to 15 in a fray that was hard fought throughout. Cozier's long shots were Nebraska's best display in the first half, which ended with Nebraska on the upper rim of an 11 to 10 score.

Friday Nights Game.

Before 5,000 fans who fully expected to see Nebraska lose by at least 10 points, Coach Kline's proteges opened up Friday night with a fine brand of basketball and beat Creighton by the score of 25 to 21.

With close guarding, free passing and accurate shooting, the Scarlet and Cream players soon tied the 3 point lead made by Creighton in the first few minutes of play. After that Nebraska kept in the lead by two or more points until the end of the game.

At the very first it looked as tho the dope was right—Creighton would swamp the Cornhuskers. Mahoney, the much heralded Bluejay center, dribbled down the floor and made the first goal of the game. Before long Tipton sent the ball sailing from the center of the floor and it went in. Volz made a free throw and tied the score. Cozier, who was the star of the game, made one, and another. Tipton made two more long shots count. Every one of Nebraska's players scored in the first half.

When the whistle blew the score was 15 to 11. Creighton came back for the second half, determined to win. But they weren't quite as determined as were Coach Kline's stars. The second half was just the first half played a little harder.

Creighton's men were playing a wonderful game, but the Scarlet and Cream warriors were playing as supermen. Cozier made eight of Nebraska's ten points in the second half.

Find Employment for Thirty-six

The employment bureau of the University Y. M. C. A. found work for thirty-six students during the month of January. There were places for forty-seven and the places that were not filled were the ones calling for students to work part time on commission basis.

Twenty-one of the thirty-six who received positions now are regularly employed for the remaining months of the school year. Bennet S. Martin, secretary of the bureau, reports that fewer odd jobs were to be had this month because of the weather conditions. It is expected that a great many such jobs will be open within the next few weeks.

History is essential; without it, children might not know which country to hate.
