THE FLAVOR-MASTERS

"TOO DOGGONE COLD" for track workouts yesterday, so the Cornhusker cinder artists had to be satisfied with a sweat-up in the Armory. Next year the new track under the stadium stands will be enclosed and heated, and the Huskers will be able to work regardless of the contrariness of the weather man. Showers and locker-rooms in the stadium will also be completed for athletics next fall.

"TED" CANTY, who is probably the greatest track meet announcer in the world, was a Lincoln visitor of Coach Schulte Saturday. Canty acts as announcer at the Drake Relays, the Western Conference meet, and other meets of national repute. "The Oregon Aggie mile relay team, from 'Out where the West begins,'" was one of Canty's cracks at the Drake Relays last year.

INTEREST in the 1924 Olympics is growing at Nebraska. Several Nebraska track men are possibilities for the 1924 American Olympic team. Nebraska has never sent an athlete to the Olympics. The "Indian" has a knack of turning out Olympic athletes. He developed three at Mis-

souri. Who will be the first Cornhusker to go to the Olympics? He is probably practicing daily on the stadium track. Can you pick him out?

CHAMPIONSHIP prospects in the Husker mile relay were given a decided boost Saturday when Louis Trexler, member of the 1923 track team, returned to school and participated in the K. C. tryouts. Trexler consistently captured points for Nebraska in both the sprint races and the 440-yard dash last year.

NEBRASKA tracksters will compete in practically every event at the K. C. A. C. meet at Kansas City Saturday. Freshman athletes as well as varsity cinder men are eligible for this meet, since it is not a regular valley meet.

Denmark, and five for study in Norway—have been announced by the American Scandinavian Foundation for 1924-25.

Candidates must have been born in the United States or its possessions and must be capable of original research and independent study, for which they must submit a definite plan. The Foundation prefers college graduates who are familiar with at least one language in addition to English—preferably Swedish, Danish or Norwegian.

Information concerning these fellowships may be got at the office of Executive Dean Carl C. Engberg. The Foundation asks all applicants to submit their qualifications before March 1 in order that official endorsement from the University may be forwarded to the office of the Foundation before March 15. Men who are not college graduates and college graduates who do not ask for the official recommendation of their college may apply directly.

Successful candidates will be notified about April 15. The final selection of Fellows will be made by a jury of University professors and technical experts appointed by the Foundation.

The Fellowship Exchange conducted by the American-Scandinavian Foundation provides also for twenty Scandinavian students at American

institutions. The practice was begun in 1911.

Elect DeFord Head Of Uni Rifle Team

George H. DeFord was elected president of the University rifle team at a meeting held in the Nebraska hall gallery Friday. James Marshall was made secretary-treasurer of the squad. The formation of a rifle club was discussed but no definite plans were made.

Coach Captain Eggers announced that his team of marksmen were making an enviable record on the range this season, having lost but one of nearly a dozen meets thus far this year. Dale Skinner made a score of 392 out of a possible 400 in a recent competition.

"A cap as good as the cream"

High praise for Williams Shaving Cream is contained in this suggested slogan for the Hinge-Cap. Yet truly, the combination of faster beard-softening, elimination of razor friction through lubrication of the skin, and the extraordinary care of the skin which Williams gives, has never been equalled by any other shaving cream. And Williams is a pure product, absolutely without coloring matter! Begin on a tube—compare it in every way.

\$250 in Prizes
For the best sentence of ten words or less on the value of the Williams Hinge-Cap, we offer the following prizes: 1st prize \$100; 2nd prize \$50; two 3rd prizes, \$25 each; two 4th prizes, \$10 each; six 5th prizes, \$5 each. Any undergraduate or graduate student is eligible. If two or more persons submit identical slogans deemed worthy of prizes, the full amount of the prize will be awarded to each. Contest closes at midnight March 14, 1924. Winners will be announced as soon thereafter as possible. Submit any number of slogans but write on one side of paper only, putting name, address, college and class at top of each sheet. Address letters to Contest Editor, The J. B. Williams Co., Glastonbury, Conn.

Williams Shaving Cream

—are you sure you deserve it?

"Give me a log with Mark Hopkins at one end of it and myself at the other," said, in effect, President Garfield, "and I would not want a better college."

But if Mark Hopkins was an inspired teacher, it is just as true that James A. Garfield was an inspiring student.

Sometimes Garfield's praise of his professor is quoted in disparagement of present day faculties—the assumption being that we as listeners are sympathetic, all that we ought to be—and that it is the teacher who has lost his vision.

Is this often the case?

It is the recollection of one graduate at least that he did not give his professors a chance. Cold to their enthusiasms, he was prone to regard those men more in the light of animated text-books than as human beings able and eager to expound their art or to go beyond it into the realm of his own personal problems.

This is a man to man proposition. Each has to go half way. Remember, there are two ends to the log.
