Evanston and feel confident that their mat artists will take another scalp Friday. Next week Nebraska meets Ames on foreign soil and on February 22 Iowa will take on the Huskers at the Armory in the first home meet.

The team which will go against Kansas Friday will be among the best of any college in the west represented in the wrestling game, according to the Husker coach. Blore will uphold the local colors in the 115 pound group; Kellogg, veteran from last year, will be seen in action in the 125 division; Uhlir in the 135 pound class and Skinner in his weight, the 145 pound group. All four of the lighter artists won decisions against Northwestern. Thomas in the 158 and Robertson in the 175 groups will attempt to make up for their defeats two weeks ago while Hyley will again do the heavyweight grappling.
