JAYHAWK FIVE DEFEATS WASHINGTON 17 TO 16

Kansas Quintet Wins Thirty-fourth Consecutive Victory on Home Floor.

The K. U. Basket ball team continued as the peer of the valley by winning their game with Washington U. on the Lawrence court, 17 to 16 in a fast hard game. This makes a string of thirty-four victories without a defeat for the Jayhawks, which is an enviable record for any college team in the country.

During the '22 season the Kansans won fifteen and lost one game tying with Missouri for the Valley championship. Last year they were undefeated, and they are still undefeated strongest teams of the Valley.

Much of the Kansas success is attributed to Coach "Phog" Allen, who came here in 1920 and immediately initiated the coaching system which has built for him this unbeatable team. The Kansas team plays a short passing and dribbling game, and excels in team work.
