Keeping TRACK of the Huskers

The Nebraska track team took four third places and one fourth place, in a field of twelve colleges, and two athletic clubs, in the Kansas City athletic meet, the first of the season.

Though the showing was only fair, the Husker track men reminded the rest of the Valley schools that they were again out for the championship. The meet also proved that Missouri is going to make a strong bid for honors this season.

One of the big features of the meet was the Nebraska-Missouri mile relay race. It was a thriller from start to finish, with Missouri holding a scant two yard lead which the Husker 440-yard men were unable to overcome.

Break 600 Yard Run Record
 The 600 yard run was the only event of the evening in which a record was broken. Hammerly of Ames defeated Pittinger, Missouri captain, in the fast time of 1:15.1, lowering the last mark four-fifths of a second.

Locke, Nebraska sprinter, placed third in the 50-yard dash, although he had sprained his ankle in the pre-

liminary run. Irwin, Kansas Aggie star, won the event in 5 3-5 seconds. Wier placed third in the 50 yard high hurdles. Krogh of the Illinois athletic club won the race by a narrow margin in 6 3-5 seconds.

In the shot-put, Talbot of the Kansas athletic club won with a distance of 45 feet 3 1-2 inches. Hartman of Nebraska placed fourth with a distance of 41 feet 8 inches. Davis, Nebraska tied for third place in the pole vault at 11 feet 6 inches. Mc Kown, world indoor record-holder, took first vaulting 12 feet 6 inches.

Notre Dame Wins 880
 Cox of Notre Dame won the 880 yard run in 2:02, 2-5. Higgins, of Nebraska took third. The mile run was won in the fast time of 4:34 by Kimport of Kansas Aggies. The 440 yard dash was won by Des Moines colleg with Ames placing second, time 54.1 seconds. Notre Dame's 2-mile relay team was defeated by Ames in a close race. Time 8:09.3.

Osborn, worlds record-holder of the high-jump, cleared the bar at 6 feet 4 inches. Poor, Kansas jumper, was second. Turner, Husker man was the next best man in the event.

SOONERS WIN FROM MISSOURI CAGEMEN

Jayhawkers String of Thirty-four Conference Victories Is Broken.

Missouri Valley Standings.

	w	l	pt
Kansas	7	1	.875
Oklahoma	10	2	.833
Washington	7	3	.700
Nebraska	6	5	.545

Ames	2	5	.286
Drake	2	6	.250
Grinnell	2	6	.250
Missouri	2	9	.182

Games This Week.
 Tuesday—Kansas Aggies at Kansas.
 Wednesday—Drake at Simpson; Ames at Oklahoma.
 Thursday—Ames at Kansas.
 Friday—Oklahoma at Washington; Grinnell at Nebraska.
 Saturday—Drake at Washington; Grinnell at Kansas Aggies; Oklahoma at Missouri.

Oklahoma took the measure of Missouri 22-20 last night in a close game on the "Sooner's floor. The Tiger quintet showed unexpected strength, trailing the Oklahomans closely all through the game. This is one of the closest games that has been played on the Sooner's floor.

The dope bucket was upset last week when the Oklahoma basketballers gave the Kansas quintet its first defeat since early in the 1922 season. Another surprise came when straight victories were scored by Nebraska, giving the Cornhuskers fourth place in the Valley standings.

The Scarlet and White hoopsters started the week off right when

they defeated Grinnell Monday. In the second trip of the week, they beat both Washington and Missouri. The next Nebraska game is with Grinnell here Friday night. The last trip of the year will be made to Ames.

Creutz Gives Address at Druggists' Meeting

Fred J. Creutz '16, College of Pharmacy, now operating a drug store at Wausa, Nebraska, addressed the annual conference of The Northwestern Pharmaceutical Bureau and the Iowa Pharmaceutical Association Wednesday, February 6, at Des Moines, Ia.

The Northwestern Pharmaceutical Bureau is composed of druggists from North and South Dakota, Minnesota, and Iowa. Mr. Creutz spoke to that section on "The Small Town Druggist's Opportunities".

Schramm Lectures on Wyoming Oil Shales

Prof. E. F. Schramm of the department of geology will give an illustrated lecture on "Oil Shales of Wyoming" at the monthly meeting of Sigma Xi, honorary scientific research organization in the general lectures room of Bessey hall, February 12 at 8 o'clock. Professor Schramm will discuss the research on the oil shales of Wyoming, and will outline briefly the work which has been done on the oil shales of Colorado and Utah. The public is invited.

Dr. H. L. Kennedy, '23, and Dr. C. Swanson, '19, former students of dentistry at Nebraska, visited the College of Dentistry, Saturday, February 2

KELLOGG IS ELECTED CAPTAIN OF MATMEN

Will Lead Wrestlers Against Ames, Champions of Last Year.

John Kellogg was elected captain of the 1924 Nebraska wrestling team yesterday afternoon. Kellogg was the unanimous choice of the members of the grappling team and is expected to pilot his squad of mat performers to the most successful season ever seen at the University. Kellogg, the only member of the squad this year who made a letter in the minor sport last season, upholds the Scarlet and Cream in the 125 pound division. Kellogg has defeated his opponent in every meet this season.

Kellogg will lead his team into Iowa this week-end to meet the Ames matmen. Ames won the Valley wrestling title last year after defeating Nebraska by a lone point margin and the Huskers are out for the Aggie scalp. February 23 the locals open the wrestling season here against Iowa state and plans for a large crowd of followers are being made, according to Coach R. G. Clapp.

Test New Mount of Diffraction Grating

Prof. T. T. Smith of the physics department and Mr. M. J. Brevort, a graduate assistant, are testing a stigmatic mounting for a 10-foot focal length diffraction grating which they have completed. The mounting will be used for advanced laboratory research work in light.

 95 ELLIS HALL CHICAGO, ILLINOIS

To all forwards who are playing center

"THE little fellow hasn't got the reach. Why don't they put him at forward where he belongs?" You have heard comment like that about some mis-positioned player.

Just look out they don't talk that way about you—not in athletics but in your field of work after college.

The world is full of doctors who should have been lawyers, and lawyers who should have been writers—men who can't do their best work because they haven't got the reach.

You still can avoid their haphazard choice of a career. Some earnest thinking on the subject, "What do I really want to do in life?" will help you decide right.

That's a real problem. Get all the advice you can—from the faculty, from alumni, from men in business. If you find you have made a false start, change now and save yourself a lot of grief—for once you graduate into a profession, the chances are you'll stay in it.
