**HUSKER GRAPPLERS
DEFEATED BY AMES**

**Captain Kellogg, Uhler and
Skinner Winners for Ne-
braska Team.**

AMES, Ia., Feb. 16.—Nebraskas herefore undefeated 1924 wrestling team invaded the Iowa State camp here last night and met its first defeat of the season by a 17 to 9 score. The Ames grapplers successfully defended their conference title after the Huskers held a seven point lead at the end of the first four matches. The Cyclones won the three heavy-weight division bouts by falls, outclassing the visitors and cinching the meet.

The evenings performances were featured by four falls out of the seven events. Uhler of Nebraska threw Epperly of Ames while Prunty, Pillard and Anderson of the winners all pinned their opponents to the canvas.

Captain Boyvey of Ames won the opening match by a decision giving the Cyclones a two point lead which Nebraska quickly overcame when Captain Kellogg won a decision and Uhler won by a fall in the 125 and 135 pound classes respectively. Skin-

ner was the last one of the Cornhuskers to score when he won a decision over Meyer of Ames in the 145 group having a time advantage of 7:02.

Each Wins by Different Hold.
The young grapplers exhibited a high class of mat work and both teams showed signs of excellent coaching. Of the four falls of the meet each was won by a different hold. Uhler won with a body scissors, Prunty with a head scissors and arm lock, Pillard with a body chancery and Anderson with a half nelson. Pillard of Ames made the fastest disposal during the meet, throwing Robertson in 8 minutes and 59 seconds. The summary follows:

115 pound class—Boyvey of Ames (captain) won a decision over Blore of Nebraska. Time advantage 11:45.
125 pound class—Kellogg of Nebraska (captain) won a decision over Marsh of Ames. Time advantage 9:45.

135 pound class—Uhler of Nebraska threw Epperly of Ames with a body scissors. Time 11:47.

145 pound class—Skinner of Nebraska won a decision over Meyer of Ames. Time advantage 7:02.

158 pound class—Prunty of Ames threw Thomas of Nebraska with a head scissors and arm lock. Time 10:55.

175 pound class—Pillard of Ames threw Robertson of Nebraska with a body chancery. Time 8:59.

Heavyweight class—Anderson of Ames threw Highly of Nebraska with a half nelson. Time 9:16.

**KLINE'S CAGERS
STIFLE GRINNELL**

**Huskers Pack Away Twenty
Points Against Three in
First Half.**

**SECOND TEAM HOLDS
FLOOR IN LAST HALF**

The Nebraska cagers added another scalp to their belt when they beat the Grinnell Pioneers on the Coliseum floor Friday night by the score of 32 to 18, after having a lead of 19 points at one time.

The playing in the first half was clean and fast, with Nebraska showing its superiority in every department of the game. Every Nebraska man scored before the half was over. Grinnell could not get through the Cornhuskers' defense, and could not locate the basket.

Nebraska showed some very good team work in the first half, and worked down the floor with the ball time and again. The Pioneers could not solve the Husker offense, and when they had tries at free throws, they were unable to score. One free throw was made out of five tried by Grinnell.

Grinnell's captain, Benz, made the only field goal for the Pioneers in the initial frame. The score stood 20 to 3 at the end of the half. Goodson was the mainstay for the Cornhuskers and seemed to have a faculty for sneaking through the Iowans' defense and being under the basket at the critical moment.

Second Half is Slower
The second half looked like an entirely different game. The teams were playing differently and the scoring was not the same. The game was rough and slow at times, with

many fouls called on both sides. Grinnell made 15 points in this half, and held Nebraska to 12, but the Husker lead was too large to overcome. Benz and Goodson were again high point men and individual stars for their teams. Benz made 9 points while Goodson made 4. Coach Kline sent in his whole second team two minutes before the whistle at the end of the first half. He made no substitutions in the second frame. Very few substitutions were made for Grinnell. Cozier and Tipton both did some very good work for the winners.

With Spring clothes comes the need of new gloves. I needed some myself the other day so I went to Rudge & Guenzel's. They have a very complete line of Kayser's new silk gloves for spring priced at \$1.75 to \$4. The colors are mostly Mode, Gray, Beige, Brown, Pongee, White and Black. The pair I bought has a perky little ruffle that runs down the side of a long Pongee Milanese Glove which gives them a very distinctive air.
