

FINISH PLANS FOR CHURCH VISITORS

Teams to Endeavor to Interest Students in Religious Work.

DINNER IN TEMPLE TO OPEN MEETINGS

The complete program for the interchurch visitation teams, who will be the guests of the student organizations of the various denominations from February 23 to 26, has been announced by the committee in charge. The principle work of these teams will be to interest students in taking up some kind of church work. "There are many different types of work that one may take up in the church," said Dr. D. R. Leland, Presbyterian student pastor in commenting on the need for more workers in the churches. "There are opportunities for work in social settlements and as religious directors. The unique feature of the plan this year is that the several teams that have heretofore come individually will come simultaneously."

The meetings will open with a banquet for all visiting secretaries, the students pastors at Nebraska, and the committee, which will be held at the Temple at 6 o'clock Saturday. The women secretaries will be guests of the Y. W. C. A. at the big and little sister party at Ellen Smith hall in the afternoon and all the secretaries will attend the University night performance at the auditorium in the evening.

Sunday there will be a special vesper service at 4:30 at the First Congregational church and the various denominations will have special services in the morning and evening.

Most of the time Monday and Tuesday will be taken up with interviews with students. There will also be denominational luncheons on Monday and Tuesday noons. Tuesday evening each denomination will hold a banquet which will be the feature of the three day meetings. The place of the banquet will be announced later.

The complete program follows:

Saturday, February 23.

3 p. m.—Big and little sister party, Ellen Smith hall, women secretaries invited.

6 p. m.—Dinner for secretaries, student pastors and committee at the Temple.

8 p. m.—University night, at auditorium. Secretaries are guests of Y. W. C. A.

Sunday, February 24.

Morning—Individual church plans. 4:30 p. m.—Vesper service for everyone, First Congregational church.

Evening—Individual church plans.

Monday, February 25.

Morning—Interviews arranged by denominational committees.

Noon—Denominational luncheons.

Afternoon—Interviews.

Tuesday, February 26.

Morning—Interviews.

11 a. m.—Convocation, Agricultural College campus.

Noon—Agricultural college Y. W. C. A.

Afternoon—Interviews.

5 p. m.—Vespers (for women).

5 p. m.—Meeting (for men).

6-8 p. m.—Denominational dinners for all students of the respective denominations.

Luncheons on Monday are for the students most interested in meeting with the secretaries. Interviews can be arranged by students through the denominational committees.

Methodists to Hold Banquet on Tuesday

Methodist students will hold their annual banquet on Tuesday, February 26, at the Grand hotel from 6 to 8 o'clock. Rev. Evans A. Worthey, Miss Muriel Day, and Rev. Charles S. Braden, Methodist visitation team, will be the speakers.

Reverend Worthey, former Methodist pastor at the University of Nebraska and Cornell University, is now director of vocational counsel and is on the commission of life service. Miss Day is the representative of the women's home missionary society on the commission of life service. Rev. C. S. Braden is president of the Santiago Theological Seminary and editor of the Chile Christian Advocate.

The program for Methodist students this semester includes an all-Methodist party in the Armory and a spring frolic at Epworth park.

Annual Staff Calls for Group Histories

Names of all organizations which do not have their copy for the Cornhusker in the Cornhusker in the office by Saturday night will be published in the Sunday issue of the Nebraskan., Editor Craig announced. Copy for most of the organization pages has already been turned in. Each organization should check with the Cornhusker office in regard to their pictures, key, officers, and the 250-word history.

VALLEY ASSOCIATION ELECTS RICHARDSON

Nebraskan Editor Chosen Vice President of Press Organization.

OKLAHOMAN IS MANAGER

UNIVERSITY OF OKLAHOMA, Febr. 20.—(By M. V. I. N. S.)—A Missouri Valley Intercollegiate Press association was formed at a meeting in Norman, Okla., February 15 and 16. Final organization has just been made. Paul Richardson, editor of the Daily Nebraskan, was elected vice president.

Representatives from Kansas State Agricultural college, Oklahoma A. and M., and the University Oklahoma drew up the constitution and by-laws of the new association. Editors of the student papers at the Universities of Nebraska and Kansas and Ames, Drake, and Grinnell, sent telegrams and letters of approval.

Guy P. Webb, editor of the Oklahoma Daily, was elected president and manager. Alan Dailey, editor of the Kansas State Collegian, was chosen secretary-treasurer.

The M. V. I. P. A. is to be managed by a board of directors composed of one member from each school in the Valley. Officers are to be elected annually from the board of directors. The election of officers for the year 1924-25 will be held in April in Manhattan, Kan.

U. S. NEEDS COURAGE IN FOREIGN POLICY —HAMILTON HOLT

Convocation Speaker Believes European Civilization Is Evaporating.

"What we need in Washington is a foreign policy with someone at the helm with the courage of Roosevelt, the humanity of Taft, and the vision of Wilson," Hamilton Holt declared at convocation yesterday morning. "Europe is still sinking politically and civilization is evaporating. If England had not been standing in the breach while the United States was on the sidelines, I don't know how things would be," he stated.

Mr. Holt said that the League of Nations has two purposes: To promote world peace and to promote world progress. He pointed out that the kind of criticism offered against the league four years ago was no longer valid since the league had proved its value in the intervening time. Health, work, sanitation and suppression of epidemics, the saving of Austria from ruin, suppression of white slavery and opium traffic, straightening of world transportation routes, and planning for the compensation of scientific discoverers are some of the accomplishments of the league according to the speaker.

The distinct difference between the World Court and the League of Nations was pointed out during the address. The United States can join either of the two or can use the court without joining it. If she joins the court she will have to pay \$27,000 a year. The league is in no way connected with the court and has no power over it as the latter body is concerned with legal questions only.

Initiate Twenty-five into Pershing Rifles

Twenty-five men were initiated into Pershing Rifles, honorary cadet company, Wednesday night. There will be further elections soon, members said yesterday. Outside drill is to begin soon with one platoon of sophomores and one of officers. Members may wear recognition cords if present plans are carried out.

REMINDE STUDENTS OF ORGANIZATION RULES

Faculty Restates Regulations for Entertainments and Meetings.

Rules regulating the time of holding meetings, picnics, banquets, and initiations are called to the attention of student organizations of which Miss Amanda Heppner, dean of women, is chairman. Acacia fraternity was reprimanded last week for violating these rules by holding a banquet on a mid-week night.

"The committee wishes to warn other organizations against similar offenses," said Dean Heppner.

The statement of the rules governing meetings is as follows:

All meetings of University clubs and organizations holding later than 8 o'clock shall occur on Friday and Saturday evenings, except by special permission of the committee on student organization.

Meetings, picnics, banquets, or initiations, may not be held on Sunday except by special permission of the committee on student organizations.

WILL REHEARSE SKITS TODAY FOR LAST TIME

University Night Committee Wants All Cast Members at Auditorium.

Dress rehearsal for University night will be held this afternoon from 1:30 to 5:30 in the city auditorium. Since this will be the only opportunity for the skits to be staged in the auditorium before the night of the performance, the committee in charge requires that everyone who is to appear be present for the rehearsal at the times specified.

Less than 200 tickets for general admission are left for the night. There was a steady stream of sales all day yesterday, the business manager of the event said last night. A system of posters will constitute one of the surprises of the occasion.

Ten skits are to be presented Saturday at the fun-fest. The performance will begin at 8:30 and continue until about 11 o'clock. Members of Green Goblins will usher.

The times scheduled for the dress rehearsal are:

Engineers, 1:30; curtain skit, Bill Wright, 1:50; girls organization, 2:10; glee club, 2:30; Ireland and Reese, 2:50; Bizad, 3:10; Palladian, 3:50; sextette, 4:10; military skit, 4:30; Corncobs, 4:50.

SELECT TEAMS FOR WOMENS GAGE MEET

Teams were chosen Thursday morning for the girls basketball color tournament and the names were listed on the bulletin board.

The Blacks will play the Whites and the Pearl Grays will play the Maroons Friday noon. The winners of these two games will play each other Saturday. The Saturday tournament will start at 8 o'clock in the gymnasium and the chapel. All teams except the two put out Friday will play. The winners of Saturday games will play either Monday or Tuesday noon, and the semi-finals will come Wednesday noon. The finals will be played Thursday noon.

Every girl playing on a color team will receive 50 points toward her "N" sweater. Members of the winning team will get an additional 25 points. The class tournament will start Saturday, March 1. The class teams will be chosen from the girls playing in the color tournament.

DeBaufre Attends Helium Consultation

Prof. W. L. DeBaufre, chairman of the mechanical engineering department, returned from New York city Tuesday morning. He has been in both Washington and New York, in consultation with other engineers, in regard to the design and erection of a large helium production plant to be built by the board of helium engineers, at Fort Worth, Texas, for the use of the United States army and navy.

WRESTLERS MEET IOWA SATURDAY

Hawkeyes Have Clean Record; Two Husker Men Are Out With Injuries.

CONTEST TO BE HELD AT 2:30 IN ARMORY

The University of Iowa's undefeated wrestling team will invade the Cornhusker state tomorrow afternoon to meet Coach Clapp's Nebraska matmen in the first home meet on the Husker schedule. The contest will be held in the Armory at 2:30 Saturday. The Iowans have met and defeated both Michigan and Minnesota last week after leading the Iowa state squad to the end of the fourth match.

The Iowans have a slight edge, as two of the Husker performers are likely to be out of the contest with injuries. Coach Mike Howard of the Old Gold team reports his proteges to be in the best of condition. The Husker mentor stated yesterday, concerning the Saturday classic, that, win or lose, Iowa will know she has been through a real wrestling match.

Coach Clapp and his assistants have been putting the men through a week of tough workouts and, with the exception of Uhlir and Highly, they are in the best of condition. Uhlir received a dislocated shoulder in the Tuesday drubbing. Highly is just recovering from injuries received in both the Northwestern and Ames meets. Nebraska has defeated the Hawkeyes for the last three years.

In the bantamweight division Iowa will be represented by Ted Pfeffer, conference champion in the 115-pound group, while Nebraska colors will be upheld by Blore, who has two decisions to his credit. Albert Gugisberg, who has a clean record, will meet Captain Kellogg of the Huskers. The Scarlet pilot gave the best exhibition seen in the Ames meet in the featherweight division.

Johnny O'Brien, 135 pounder of the invaders, will meet Mooberry, who has been chosen to fill the shoes of Uhlir for Nebraska. Mooberry has given Uhlir tough competition all season for a berth on the varsity, and is expected to uncork some clever grappling in his first real match. Skinner, the Nebraska sensation, meets Bob Trickey, in the 145 pound class. Gratten and Thomas will grapple in the light-heavy department.

Captain James of the Hawkeyes, who has recently established an intercollegiate time record by taking a fall in 29 seconds against the Gophers three weeks ago, will tussle Robertson in the 158 meeting. The heavy-weight class which has caused the Huskers much trouble throughout the season, will be represented by either Highly or Hamsa, the latter being the choice of Coach Clapp should Highly be unable to don the tights. The Husker grappler will meet Krasuski, the 215 pounder from the tall corn state.

Two hundred reserved ring-side seats have been placed and the choice tickets will be sold at the door for \$1.00, while student tickets will admit to the contests with an additional 25 cents for close area seats. O. B. Anderson of the Lincoln Y. M. C. A. will officiate. The first match will start promptly at 2:30. Matches will be twelve minutes.

ADVISORY BOARD TO ENTERTAIN SISTERS

A party that is "different" will take place Saturday afternoon in Ellen Smith hall, from 2 to 5 o'clock, when all little sisters in the University and their big sisters will be the guests of the Senior Advisory board.

Never before, since the Senior Advisory board has been functioning, has it given a party of this kind for the girls of the lower classes. The Christmas party, which is usually the big event of the year among big and little sisters, was omitted this year that more elaborate plans and preparations might be made for this mid-year affair, which will be the last party the present board will give.

Members for next year's Senior Advisory board will be chosen within a short time, and they will begin their work immediately after their installation. Plans are being made for the reorganization and improvement of the board.

Weather Forecast

Friday—Fair, with rising temperature for Lincoln and vicinity. For Nebraska, increasing cloudiness with snow.
Saturday—Partly cloudy, with moderate temperature.

ALUMNI ACKNOWLEDGE CHARTER DAY PROGRAM

WFAV Operator Receives Appreciative Reports From Eighteen States.

Telegrams and letters from all parts of the United States are coming in every day from alumni expressing enjoyment and appreciation of the Charter day program, which was broadcast last Friday from the University and Hastings stations, announces F. V. Moles, operator of the University station.

Reports from eighteen states have been received among which were Texas, California, New York, Connecticut, Maryland, Delaware, West Virginia, Maine and Massachusetts, besides numerous acknowledgements from the immediate surrounding states.

Sixteen alumni of Pittsburgh, Pa., heard the program from the Hastings station with surprising clearness, according to Herbert Bunting, '16, acting president of the association.

NEW ORGANIZATION DISPLACES A. A. E.

Nebraska Engineering Society Takes Place of Local Chapter.

TO ELECT OFFICERS SOON

A new engineering organization, the Nebraska Engineering society, was formed at a meeting of engineering students yesterday morning. A constitution and a set of by-laws were adopted and a pin selected. Officers of the organization and of the Blueprint, student engineering magazine, will be nominated at a meeting to be held next Thursday.

The society will take the place of the local chapter of the American Association of Engineers. Engineering students felt that the returns from the national organization were not commensurate with the dues paid. All engineers who belong to a departmental organization will automatically become members of this new society.

Under the terms of the adopted constitution the society proposes to support University athletics, and the student engineering publication, the Blueprint. It will sponsor the annual engineers week. The pin adopted was the insignia of an engineering organization that existed at the University many years ago. It is a gold "N" on a blue field with the words "Nebraska Engineering Society" around the edge. Students who desire to have one of these pins should leave their names with the treasurer of their departmental organization.

The committee which drew up the constitution and by-laws was as follows: Judson Meier, Max Shostak, Roy Randolph, Robert Slaymaker, Warren Pillsbury, and Orve Heddon.

Art Club to Hold Initiation Tonight

Initiation of the students who applied for membership in the Art club and whose work was satisfactory to the membership committee, will take place following an Art club supper in the art gallery at 6 o'clock this evening. Lillian Aspegren, Dorothy Bell, and Mildred Nissen are the members of the initiation committee.

The new members are: Louise Austin, Emelyn Avery, Peter Coniglio, Dorothea Dawson, Erma Guhl, Gertrude Hasslam, Lewis Hastings, George Herron, Torgny Knudsen, Hulda Reidler, Elizabeth Roberts, Olivia Van Anda, Wilmae Harvey, Marie Erwin, Charlotte Engberg, Velma Hatch, Olive Kerr, Helen Nelson, Agnes Kelly.

There is one nice thing about plain walking. You don't have to cool your heels for two hours waiting for other to see off.

THIRD PLACE TIE CRASHES TONIGHT

Nebraska Cagers to Meet Pickers in Second Encounter at Coliseum.

VICTOR MAY PLACE SECOND IN VALLEY

The tie for third place in the Missouri Valley basketball race will be broken tonight at the coliseum when Husker cagemen clash with the Pickers for the second time. The losing team will drop to fourth place, and the victor will have a fighting chance for second place honors against Oklahoma.

The lineup tonight will probably be the same that faced Grinnell last week: Capt. Billy Usher and Cozier, forwards, Goodson center, and Voltz and Tipton guards.

Entertainment will be furnished between halves by the band which is getting up some clever pieces for the ten-minute rest period. Duke Gleason will lead the cheering. R. O. T. C. men will have charge of ushering.

Dope Favors Nebraska.

The Nebraskan camp has been preparing for the battle strenuously all week. According to familiar but unreliable old man dope, Nebraska should win the fray tonight if the game two weeks ago at St. Louis counts for anything. Nebraska trounced the Pickers 32 to 24 in the Husker invasion of the Southland.

The game tonight is crucial. Washington is coming north with blood in her eye, after revenge for the neat defeat handed them by the Scarlet and Cream aggregation at St. Louis. The Pickers were first place contenders at the beginning of the season, and they are putting up a hard fight to keep from sinking into second division.

Regulars and Seconds Race.

Second team men who were in action in the Grinnell game last Friday have been giving the first string men a stiff race for their berths in the practice sessions. It is coming to the point where there is no second or first team but one big team of ten men interchangeable in any position. Ekstrom, Beerle, DeWitz and Black are reserves who may play tonight.

GLEE CLUBS WILL FORM CONFERENCE

Eight Valley Schools to Conduct Contest for Singers Next Year.

Eight universities belonging to the Missouri Valley athletic conference will send representatives to Kansas City in 1925 to compete in a glee club contest. The tentative date selected for this meet is February 14, 1925, according to the announcement made yesterday by the Missouri Valley Intercollegiate Glee club association, the organization responsible for the contest.

The association met January 26 in Kansas City and at that time perfected the details of its organization and the rules which will govern the proposed glee club meet. Representatives from every Valley conference school with the exception of Grinnell were present at this meeting. Grinnell is already a member of a similar organization which has its headquarters at Chicago.

A Kansas City alumni committee working with the committee which met January 26 will form a council which will meet on October 4 to complete the detailed plans for the annual contest. T. A. Larremore and Guy W. Green are the Nebraska alumni on this council. Nebraska men in attendance at the first meeting of the council were: Harold F. Holtz, Sutton Morris, James R. Farney, Guy W. Green, Dwight McVicker, and Allan Stubbs.

Work on Outdoor Track Is Delayed

Work on the outdoor quarter-mile track in the stadium has been delayed due to the frozen ground and to the scarcity of top cinders. According to E. E. Church, foreman in charge, it is doubtful whether the track will be in good condition for the interfraternity meet March 10.

Some smoothing of the track has been done, but it is almost impossible to accomplish much on account of the cold weather.
