**3700 in Four Days Rifle Squad Makes**

The rifle squad turned in targets yesterday which will bring the total of this week up to 3700. With part of the week remaining in which to improve the scores, under the progressive system of firing in use, the chances are that Nebraskas record for the week will approach 3750. Roberts still heads the list with a possible in the prone position.

More men for the Hearst matches is still the cry of the Husker coach. Eggers would like to enter three teams in the matches. The winning teams will be awarded loving cups, and their members will receive gold medals.

**RENT-A-FORDS**

We have recently added 7 new closed cars to our line. These include 4-door sedans, new type coupes and 1 Tudor sedan.

Get you car early. Standing time at 20 cents per hour is usually cheaper than the mileage on a delivery trip an hour later. Your co-oper-

tion in this will be appreciated, especially on party nights when the dates all come within the same half hour. It will help us to give you better service.

We appreciate your patronage.
