**CHANGE HIGH SCHOOL CREDIT REQUIREMENTS**  
(Continued from Page 1)

The new requirements as passed by the colleges follows:

Graduates of accredited senior high schools (grades 10, 11, and 12) may have full admission to freshmen standing on 24 entrance points (conditional admission, 23 points) completed in the senior high school; provided that a year of algebra and a year of foreign language may be counted from work carried in a junior high school, in such instances, the total credits earned in grades 9-12 not being fewer than 30.

Eighteen academic points are required, 14 of which shall consist of a major (6 points) and 2 minors 4 (points each), which shall include English and mathematics for all colleges. In the college of Arts and Sciences, Business Administrations, Pharmacy, and the Teachers College, the major and minor may be chosen from English, foreign languages, and mathematics.

In the College of Engineering, mathematics is prescribed as the major and physical sciences as the minor. In the College of Agriculture one minor is elective. A major in foreign language may consist of a year of one language and two of

another, but a minor must be in a single language. Academic subjects are defined as English, foreign languages, mathematics, natural sciences, and social sciences.

**HUSKERS TRAINING TO QUELL MINNESOTA**  
(Continued from Page 1)

Nebraska to brave the elements to witness the affair and plans for a large gallery are being made. Nebraska won a decisive decision over the Minnesota mat performers last year and according to the Husker mentor, this year's team is groomed to repeat the stunt. The Saturday contest is slated to start at 7:30 and will be the last home meet of the season as well as the final dual com-

pet. But a pair of matches remain carded following the Minnesota twist, the Missouri Valley meet at Ames and the Western Intercollegiate conference individual meet at Chicago the first of March.

Uhlir, Nebraska welter mauler, who witnessed the meet last week from the ring side will again appear inside the ropes against Minnesota in his regular 135 pound division. Mooberry who represented the Huskers in the 135 group will likely be seen in action in the 145 class. Husker artists justly treated the large crowd of fans last week with their exceptional college mat work.

O. B. Anderson of the Lincoln Y. M. C. A. has been chosen by both coaches to officiate at the Nebraska-Minnesota meet.

**Girls Rifle Team Defeats Michigan**

The Nebraska womens rifle team with a score of 491 defeated Michigan university girl last week by five

points. The Nebraska team was composed of Luella Reckmeyer, Kathro Kidwell, Marie Hermanek, Angela Fangman, and Ruth Wright.

Of course, if you wanted to buy a suit or a tailored dress or a hat to get a FOB you could have bought one several weeks ago, at Rudge & Guenzel's, but not until this last week was I able to find a FOB in any Jewelry Department. I found them at Rudge's. Seems like they're always first to have the NEW things. I bought a crystal and marcasite pendent style FOB that I can wear on my suit at either the hip or shoulder pocket, on my tailored dress or on my hat. If you want one you'd better get it immediately because they're only \$1.50 and \$2 and they're going awfully fast.
