BREAK TRACK RECORDS IN TUESDAY TRYOUTS

Layton and Lewis Chalk Up New Marks in 44-yard Dash and Mile Run.

Broken records in the 440-yard dash, and mile run were features of the final tryouts, held at the regular Tuesday matinee, for the Illinois relays. Fast time prevailed in some of the other events.

"Red" Layton set a new record of 53 2-5 seconds for the new track in the quarter mile while Crites was only one-fifth of a second behind him. Bloodgood placed third. In the second heat Scherrick nosed out Whipperman on the finish in 54 4-5 seconds. Hatch and Hein placed third and fourth. In the novice 440-yard dash Haudersheldt took first in 54 1-5 seconds and Cox placed second.

Lewis won the mile in the fast time of 4:44 1-5 while Cohen was only a second behind. Dickson placed third and McCartney took fourth. This beats the previous record for the new track by six seconds.

In the 50-yard high hurdles Weir won both heats in 6 4-5 seconds. Beerkle won second in each of these races. The novice 50-yard dash came off in the fast time of 5 4-5 seconds. Dailey took first place and Mandary second.

The Illinois relays have become one of the largest indoor meets in the country. Over thirty-two colleges and universities have been entered. These entries include four hundred sixty athletes from all over the middle west. The University of Illinois sponsors the meet.

FRESHMAN TOSSERS HAVE RECORD SQUAD

First-year Men Give Regulars Stiff Scrimmages in Workouts.

Fifteen men have been coming out regularly for the Nebraska freshman basketball squad which is one of the largest in several years, and includes some promising material. The freshman teams scrimmage the varsity quintet three or four nights a week, and has been giving the regulars stiff workouts.

Owen Frank, freshman basketball coach, has two or three teams of first year men on the floor every night. Ford, Reynolds, Gray, Anderson, McIntyre, and Thompson make up the first team most of the time. Smaha, Muhm, Elliott, Cunningham, McManigal, Pickett, Yost, Stryker, Grodoville, Wolfe, Holmes and Clark are also on the squad.

High schools stars in the turnout include Reynolds from Omaha Central, Ford from Cathedral high of Lincoln, Stryker from Omaha. Gray and Anderson from Bloomfield, Yost from North Platte, Thomson from Tilden, Smaha from Ravenna, Pickett from Scottsbluff, and Muhm from Randolph.

Start Taking Pictures of Cadet Lieutenants

First and second lieutenants assigned to companies A, B, C, and D will appear at the campus studio in uniform at 12:15 today to have their pictures taken for the 1924 Cornhusker, the editor of the military section stated yesterday. Headquarters company officers will report Friday instead of today as was stated in the first schedule.

The pictures will be taken in groups, the lieutenants of each company appearing with the company and in the groups as well. Officers who have not been assigned to a unit will have their pictures taken with the officers of the company with which they have been drilling.

HAWKEYE GRAPPLERS BOAST CLEAN RECORD

Nebraska Wrestlers Fall to Seventh Place Following Defeat by Iowa.

Coach Mike Howard's University of Iowa wrestlers who defeated the Nebraska matmen here last Saturday still boast a clean record for the season's work, having met and defeated four Western Intercollegiate wrestling teams. Iowa has won the most meets but Illinois, Indiana, and Ames all have equal percentages, having yet to taste defeat. Nebraska started the season like a sure conference winner but has fallen into seventh place, after losing two close duals with Iowa and Ames.

Western Intercollegiate conference individual championships are to be decided in Chicago the first week in March. Coach R. G. Clapp expects to take his share of the honors with such performers as Captain Kellogg, Uhler, Skinner and Moberly as likely entrants.

This week Nebraska meets Minnesota in the Army Saturday evening. Minnesota has never been able to defeat the Husker wrestlers. The northerners, however, are not likely to turn the tide against the Huskers, having failed to make good of themselves in their three early-season meets. Last year Nebraska won a 28 to 3 victory over the gophers and are expected to repeat.

Says College Tennis Grows in Popularity

Tennis is a major sport at 27 colleges and universities says a circular of the United States Lawn Tennis association. In six other colleges it is classified as a minor sport carrying with it the reward of the varsity letter. The Intercollegiate association
