Stella Barnes, prize girl athlete, in The Passing Show with Willie and Eugene Howard at the Orpheum this week two night, March 6 and 7.

**GIRLS URGED TO DEVELOP ARMS**

Prize Show Girl Athlete Conducts Physical Classes in Summer.

Too much attention is being paid by American women to developing shapely legs and not enough to developing well formed arms, once the pride of their forebears. As a result, a group of professors of physical education have started a campaign to remedy this shortcoming. The first step has been the distribution of a booklet by the Physical Culture League in which girls are advised to swing a chair backward and forward, first with one arm and then the other for a few minutes each morning.

Stella Barnes, of "The Passing Show," at the Orpheum this week, March 6th and 7th, has been selected by Emil Fuch, the famous sculptor, as the possessor of the perfect feminine arm, which when held to the side, reaches exactly to the middle of the thigh.

Miss Barnes, who is a member of the Y. W. C. A., attends gym classes regularly, her card being valid at all branches of that popular organization. For the past two summers, during the ebb tide of theatricals, Miss Barnes has found occupation as a physical culture instructor of public classes conducted by New York city on the Coney Island Beach front.

**HUSKER RIFLEMEN WIN FIVE MEETS IN SEVEN**

Marksmen Dip Colors Twice in Week—Tigers and Gophers Are High Guns.

Missouri and Minnesota universities, two arch rivals of Nebraska in military athletics, took the measure of the Husker rifle squad last week. The Missouri marksmen won the match by 17 points, and Minnesota shooters won with a majority of 34. Arkansas, Kansas, South Dakota, North Dakota and Kansas teams did not do so well against the Nebraska marksmen, all of them losing their matches with from 26 to 255 points less than Nebraska.

The Husker total for the week was 3761. Missouri made 3778 and Minnesota shot 3795, the highest mark against Nebraska this season. Arkansas shot 3668, Kansas 3506, North Dakota State 3735, Kansas State 3701, and South Dakota State 3708.

Four more schools are yet to be heard from in the matches shot off last week. The results already received changed the season record to 28 victories and 4 defeats.

Dale Skinner was high man on the Nebraska squad regaining his place at the top of the list with a score of 390 out of a possible 400. Lewis, Roberts and Currier made possibles in the prone position. Dover, Lammi, Horth, Hunt, Captain DeFord, and Ross were the other six men on the team.

**HOLD TRYOUTS FOR VALLEY INDOOR MEET**

Cinder Artists Run Off Five Events Monday—To Finish Trials Today.

Tryouts for the annual Missouri Valley indoor track meet, which is to take place at Kansas City Friday and Saturday of this week, were run off on the board track, at the stadium, Monday afternoon.

The cold and wind cut down the time in several events, but some good marks were hung up by Coach Schulte's proteges. The team will be handicapped in this meet by the absence of several men who are on the injured list, and may not be able to make the trip.

The Valley meet this year should line up some good material for the annual outdoor meet, which will be held in Lincoln May 24.

Five events were run off in Monday's tryouts. The remaining tryouts will be held Tuesday afternoon.

The results of Monday's tryouts were:

1 mile—Lewis first, Weir second; time 4 4-0.

1-2 mile—Whipperman first, Higgins second, Johnson third; time 2:08 4-10.

50 yard dash—1st heat, Hatch first, Edee second, time 5 8-10; second heat, Mandary first, Daly second, time 6; third heat, Locke first, Hines second, time 5 7-10; fourth heat, Hatch first, Bloodgood second, time 5 7-10; fifth heat, Locke first, Hines second, Hatch third, time 5 7-10.

2 mile run—Slemmons first, Dickson second, McCartney third, time 10:27 2-10.

50 yard low hurdles—Luckens first, Reese second, time 6 6-10.

**Four Discussion Groups Scheduled**

The following discussion groups will be held this week: Meeting Tuesday noon led by Gertrude Thomson on the subject of "Race." A meeting Wednesday noon will be held on the farm campus, led by Carl Rosenquist. Thursday noon the group will meet at the Grand tel with Wendell Berge as the leader. A meeting will also be led Thursday night by Norman Crambe on the subject "Economics."

 JAN. 2, 1940

**Order your 1940 calendar now.**

NOW is the time to plan your work for 1940. What you are doing then will depend a good deal on what you do today and after graduation—and the way you do it.

Obviously, you improve your chances for a big job if you go where big jobs are and will be. That means fit yourself to take a place in some industry with a future.

Planning twenty or more years ahead is all in the day's work, among the telephone companies of America. The electrical generating and manufacturing companies likewise look far into the future.

To put a telephone in every home, to light the 16,000,000 houses that are not yet wired, to devise and promote many appliances for the comfort of men—all this will require decades of time and billions of capital. Chiefly it will need the brains of men.

It has long been said that electricity is in its infancy. That is still true. You are fortunate who can see this industry a little further along on its way to a glorious maturity.

Published in the interest of Electrical Development by an Institution that will be helped by whatever helps the Industry.

**Western Electric Company**  
 Wherever people look to electricity for the comforts and conveniences of life today, the Western Electric Company offers a service as broad as the functions of electricity itself.

Number 34 of a series

**What is your Verdict?**

When you have tried Williams Shaving Cream your verdict will be as favorable as is your verdict about the new Hinge-Cap. The heavier, faster-working Williams lather, the fact that Williams lubricates the skin, the fine condition of your face after the shave, these qualities make men stick to Williams as faithfully as the Hinge-Cap sticks to the tube. As regards the Hinge-Cap, here is an offer we make:

**\$250 in Prizes**

For the best sentence of ten words or less on the value of the Williams Hinge-Cap, we offer the following prizes: 1st prize \$100; 2nd prize \$50; two 3rd prizes, \$25 each; two 4th prizes, \$10 each; six 5th prizes, \$5 each. Any undergraduate or graduate student is eligible. If two or more persons submit identical slogans deemed worthy of prizes, the full amount of the prize will be awarded to each. Contest closes at midnight March 14, 1924. Winners will be announced as soon thereafter as possible. Submit any number of slogans but write on one side of paper only, putting name, address, college and class at top of each sheet. Address letters to Contest Editor, The J. B. Williams Co., Glasstonbury, Conn.
