**EIGHTEEN TEAMS
 ENTER MAT MEET**

Ames Is Meeting Point for
 Valley Championship
 Aspirants.

**GLAPP'S WRESTLERS
 TO LEAVE THURSDAY**

Eighteen Missouri Valley schools will enter wrestling teams in the annual conference championship meet to be held at Ames, Iowa, Friday and Saturday of this week. Nebraska has already entered seven mat artists in the week end classic and Coach Clapp and his Varsity proteges will have Lincoln Thursday afternoon.

The Valley title meet is for the team championship which will be awarded to the representatives piling up the highest number of points while the Valley individual titles will be decided in an elimination meet.

The interest which Missouri Valley colleges have shown in the past few years in the wrestling game has caused officials to make the meet an open affair in order to determine the individual champions in the seven weight divisions.

Among the schools already entered are Nebraska, Kansas, Kansas Aggies, Oklahoma, Oklahoma A. & M., Drake, Coe, Grinnell, Missouri, Rolla School of Mines, Washington, Iowa State, Des Moines University, Simpson, State Teachers College of Iowa, and Cornell.

Nebraska will enter a strong team and it is likely that Highly, heavy-weight wrestler who was injured early in the season, will again be seen in the Husker lineup. Uhlir may be forced to remain out of the titular compet because of a dislocated shoulder from the Minnesota contest. Coach Clapp has high hopes of bringing home a Valley title and also several individual champions.

The meet will start Friday morning, the wrestlers weighing in at 9 o'clock, according to an announcement received yesterday. The preliminary rounds will be held Friday, the semi-finals and finals taking place Saturday.

Following is the probable lineup that will represent Nebraska in the Valley meet:

- 115 pound—Blorc.
- 125 pound—Capt. Kellogg.
- 135 pound—Uhlir or Mooberry.
- 145 pound—Skinner.
- 158 pound—Thomas.
- 175 pound—Robertson.
- Heavyweight—Highly or Hamsa.

**FINISH VALLEY
 MEET TRYOUTS**

Ready to Select Competitors
 for Track Contest at
 Kansas City.

The remaining track tryouts for the Missouri Valley indoor meet to be held at Kansas City March 7 and 8, were run off Tuesday afternoon on the board tracks.

The feature race of the day was a close 440 heat between Layton and Crites, which Layton won in 53 3-5 seconds. Crites finished in 54 flat.

Weir showed up well in both hurdle events. The entire personnel of the team that will make the Kansas City trip has not been selected yet, but it will include several athletes who should be sure point winners.

The Huskers will have some of the stiffest Valley competition this year that they have ever had, both Missouri and Kansas having exceptionally strong teams.

The Missouri Valley indoor meet is an annual affair inaugurated two years ago. Kansas has taken the honors in both of the preceding meets.

The results of tryouts Tuesday were:

- 440 yard dash—First heat, Scherich first, McAllister second, time 57.
- Second heat, Whipperman first, Hatch second, time 55 3-5.
- Third heat, Layton first, Crites second,

time 53 3-5. Fourth heat, Traxler first, Bloodgood second, time 56.

Fifty yard low hurdles—First heat, Weir first, Crites second, Beerkle third, time 6 2-5. Second heat, Beerkle first, Reese second, time 6 3-5. Third heat, Weir first, Crites second, time 6 2-5.

Fifty yard high hurdles—First heat, Weir first, Beerkle second, time 7. Second heat, Timm first, Reese second, time 7 1-5. Third heat, Weir first, Beerkle second, time 6 4-5. 4th heat, Timm first, Reese second, time 1-5. Fifth heat, Weir first, Beerkle second, time 6 7-10.

**MOVE CARPENTER
 SHOP TO STADIUM**

The building north of University hall which housed the carpenter shop is being torn down and the material removed to the stadium where it will be used in the construction of the shops under the west stand.

Construction of the enclosures under the west stand is rapidly gaining headway. One-half of the enclosure will house the print shop, and the other half the plumbing, automotive and carpenter shops. Workers will begin this week painting the surfaces under the stand a light steel gray, which will harmonize nicely with the concrete.

The railroad used in the building of the stadium is being removed and will be stored until needed.

Years of Service

This School is in its Nineteenth Year. On February 22, we rounded out 12 years in our present quarters. In celebration of this event, the Management and Faculty were hosts to the old Grads at a banquet at the Chamber of Commerce, Saturday evening, Febr. 23. In spite of the very severe weather, 160 former graduates (representing nearly every class from 1906 to 1923) were in attendance, the present student body not included. Approximately 6500 students have registered in N. S. B. since its organization, and the year 1923-24 will be the best in our history.

We appreciate the loyal support of the friends who have made this growth possible.
