HUSKER TRACK ARTISTS have a habit of taking second place at the indoor Missouri Valley meets. This is the third year in succession that Nebraska tracksters have won second.

SPEAKING of habits of the Husker track artists they have won three outdoor Missouri Valley championships in the last three years, and are due for another this year by the looks of things.

ED WEIR made a nice showing in the 50 yard high hurdles against Keeble of Missouri at the Valley meet. In fact, the race was so close, that Keeble, thinking Wir had won, congratulated him.

"CED" Hartman may have been just "going good" when he put the shot 42 feet 6 1-2 inches at the meet Saturday night, but the indications are that he will be "going" all season.

MIDDLE DISTANCE runners of the Valley took special notice of the Huskers Saturday when Nebraska unexpectedly placed a man in the mile run and gave them a good scare in the half mile. Lewis ran a nice mile and bettered all of his previous records. Whipperman won the preliminaries in the 880 yard run by good head-work along with his racing ability.

EVERETT CRITES, who holds the Nebraska record in the 220-yard low hurdles, displayed ability in the 440-yard dash by taking first place from Firebaugh of Kansas.

Many Answer Rockne's Call for Gridsters

One hundred and fifty men answered Coach Knute Rockne's first call for spring football practice last week at Notre Dame university. At the conclusion of the six weeks course two hypothetical games will be played, and the gridmen will be given a written quiz in which they must have a passing grade in order to be eligible for fall tryouts.

KLINE WILL COACH HUSKER BASEBALL

Candidates for Nine Will Start Practicing in Stadium This Week.

SIXTEEN GAMES ARE ALREADY SCHEDULED

W. G. Kline was appointed coach of baseball by the athletic board it was announced yesterday. Mr. Kline was head coach of the basketball team this season. He has had experience as baseball coach at the University of Florida and Nebraska Wesleyan.

Coach Kline was also made assistant coach of football. His contract expires in 1925.

Practice will begin in the stadium this week. The squad has been working out indoors for some time. As soon as the weather permits, practices will be held at Rock Island park where the home games will probably be played.

The baseball schedule has been nearly completed. Sixteen games now appear on the list. The schedule includes an eight-game spring trip starting March 31 and ending April 8. The trip consists of games with South Methodist University, Dallas University, Oklahoma A. & M. at Stillwater, two games with Oklahoma at Norman, and a two-game series with Missouri at Columbia. Other opponents during the season will be Kansas Aggies and Kansas University.

May Play Tokyo.

The board is trying to schedule a game with the University of Meiji of Tokyo, Japan, at Lincoln. The Meiji athletes won the championship of the five-university league of Japan last year and are expected to repeat their victory this year. The Japs are making a two months trip through the United States, playing a number of the leading universities and colleges. They will arrive in San Francisco about April 20 and

will travel east, passing through Lincoln about the middle of May. They will be in Washington June 1. On the return trip, they will arrive at Los Angeles about June 20.

Prospects for a good team this spring are bright. Eight letter men are back and a large number of freshmen and others will be out for varsity. Among the letter men are Peterson, captain, Lewellen, Gibbs, Arries, Janda, Collins, Smaha and Volz. Others who will make a bid for a place are Tipton, Hubka, E. Lang, Eckstrom, Raun, Pickett, Harney, and Hollingsworth.

The Schedule.
