## SIX WRESTLERS GET NUMERALS

Freshmen Are High Point  
Makers in Interclass  
Mat Meet.

## TIMM DRAWS QUICK DECISION FOR FROSH

Numerals were awarded to the winners in the annual interclass wrestling meet Friday at 4 o'clock. Dunham, Forrest, McCosky, Timm, Fowler and Grimm drew a total of eighteen points, nine of these going to the freshmen, seven to the seniors and two to the juniors. The outstanding feature of the meet was the match between Timm and Scoville in the 145 pound class, the laurels of which went to Timm who drew a decision over his opponent with a time advantage of 3 minutes 8 seconds.

Dunham won from Hudson in a fall by a body chancery and half nelson after grappling seven minutes. McCosky received the decision over Jones with an advantage of 7 minutes 13 seconds. Grimm, by a body chancery arm lock, downed Williams in 8 minutes 18 seconds. A time advantage of 9 minutes 40 seconds meant a decision for Forrest from Frederickson, and another of 11 minutes 12 seconds gave points to Fowler from Branigan.

Two final points were given for each decision and five for each fall. Claude Swindell and Floyd Reed, assistant wrestling coaches, acted as referees and managers.

## PLAN INTERNATIONAL UNIVERSITY NIGHT

Cosmopolitan Club to Conduct  
Stunts Presented by  
Students.

## AMERICAN SKITS ADMITTED ALSO

An International University night, featuring skits by each nationality of students is being planned for April 5, to be given under the auspices of the Cosmopolitan club. Stunts by students of each nationality in the University who have an adequate representation will feature the program at the Temple on that date.

More skits by American, or a minstrel show, will be admitted. Keith Tyler, general chairman, is in charge of the program.

The idea of a university night in which all nationalities of students, including American, shall participate is new at Nebraska. This innovation came from the Cosmopolitan club which is made up of the students of all nationalities who care to join for the purpose of better understanding between them.

Plans for the several skits are now in preparation. The Indian students are planning a play, a series of dances will be given by the Spanish members, and an American stunt and a negro minstrel show are being arranged for. Japanese, Chinese, German, Filipino, and other skits will be included in the program. Costumes are being imported by the different students who will take part.

Committees are to be appointed in the near future to include all the fraternities, sororities, clubs, and the student body at large. Organizations are to be urged to keep this night open in the interest of this all-University event.

## GROUP OF FAMOUS PLAYERS SECURED

Uni Dramatists to Bring Coffey-Miller Company with Classic Offering.

The Coffey-Miller Players, famous group offering a traveling repertoire to universities and colleges, have been secured by the University Players to give a series of classic plays at the Temple Theater next week. These "strolling players" are recognized as one of the best organizations offering classic plays to the public.

"The Imaginary Invalid," was presented here last year by the Coffey-Miller troupe. They were so popular with the theater-goers that the University Players arranged to bring them back this year and give a more extensive group of plays.

Five classic are to be presented. "The Rivals," Sheridan's famous comedy, will be given on Monday and Friday evenings. "Androcles and the Lion" will be presented Tuesday evening. "The Imaginary Invalid" on Wednesday evening, and Shakespeare's comedy, "Taming of the Shrew," on Thursday evening.

The leading roles are carried by Martha Miller and Jess Coffey, the directors of the Players. These actors are said to be two of the most accomplished on the traveling stage. The Players are noted for their understanding of unity, their harmonious working together.

"The Imaginary Invalid" is one of the most popular comedies ever written. It was written by the master-dramatist Moliere, and has been chosen by the French people to be given at least once each year in commemoration of the great playwright's birth. The character work of Martha Miller and Jess Coffey are exceptionally fine in this play.

Prof. Hutton Webster's "History of Latin America" which has just appeared, (published by D. C. Heath and company) is intended not only for students in high schools and colleges, but also for the general reader. It is illustrated and equipped with numerous maps.

## EXTEND MEMORIAL DRIVE TO MONDAY

Returns of Coppock Campaign  
Nearly \$700 Less Than  
Goal Set.

The Grace Coppock memorial drive has been extended to 6 o'clock Monday because of the poor results obtained, according to Margaret Williams, chairman of the drive. The goal was set at \$1700 of which only \$1017.50 was raised. It is expected that the additional time will bring the amount aimed for.

Margaret Anderson's team led the others with a total of \$121 in a meeting of the teams and captains Friday afternoon. The Freshman Commission team was next with \$115.

The cause of the slow results is probably the continual drain on the students, according to Miss Appieby. This year there have been more things for the students to support than ever before.
