This Spring--Make FARQUHAR'S Your Clothes Headquarters!

Farquhar's is a store that specializes on college clothes! It is no "side-line" with us; it's the main part of our business. Our whole thoughts--our entire efforts--are devoted to buying and selling the sort of college clothes men wear! And the new clothes we have here for you now reflect this effort.

In style--in quality--in newness of fabrics--in little details of finish that college men like, you'll find Farquhar's clothes just a step ahead of any others.

A host of new suits and topcoats that have just come in await your choosing. This next week will be a mighty good time to make your selections while these new stocks are at their height.

We'll Show You Some Outstanding Values at

\$40 - \$45 - \$50 - \$55 - \$60
