STUDENTS TO HEAR ADAM M'MULLEN

Candidate for Governor Will Talk at Convocation Thursday.

Announcement that Adam McMullen, '96, candidate for the republican nomination for governor of Nebraska, had been secured to speak at a special convocation to be held at the Temple theater at 10 o'clock Thursday morning under the auspices of the Nebraska University Republican club, was made Monday evening by Frank M. Johnson, chairman. This is the second of a series of convocations sponsored by the Republican club to allow university students to hear the opinions of the leading political thinkers of the state and the nation. At the first convocation at which Hiram Johnson was the speaker the hall was overflowing throughout the meeting.

Mr. McMullen was graduated from the University of Nebraska in 1896. Since that time he has been active in state governmental activities. While in the University he was a newspaper reporter and took active part in college activities as well. He was a member of the debating team and participated in a number of verbal battles for Nebraska in the early nineties.

"Mr. McMullen will be an interesting speaker for the University students to hear Thursday," said Chairman Johnson when he announced that Mr. Mullen had been secured. "As an alumnus of the University and an orator from the time he was a member of the debating team until today, the club expects him to attract a capacity audience at the special convocation."

Mr. McMullen will devote most of his remarks to the discussion of the "Value of Good Citizenship."

REPUBLICAN CLUB CALLS FOR MEMBERS

Wants Every G. O. P. University Student to Enlist in Organization.

The University of Nebraska Republican club began a campaign for expansion yesterday afternoon. It was announced that the names of every man and woman Republican on the campus would be collected by the executive committee and filed at the committee headquarters. This membership will be the University of Nebraska Republican club and will take active part in receiving and welcoming speakers of the Republican party to the University.

Republican clubs have been organized in all of the large universities and colleges in the United States. A drive for members is instituted in every college and university to line up the men and women of the Republican party into a compact organization. A National association of collegiate Republican clubs has been established and correlates the movements of the various clubs. A competitive campaign for members is being waged by the clubs of the eastern and middle-western schools for the largest enrollment.

Every man and woman in the University, regardless of age, who desires to join the Nebraska club will be given an opportunity to do so. A ballot box has been placed in the hall on the first floor of the Social Science building and also at the State Farm, in which students desiring to join may deposit a slip bearing the name, home address and city address. If more convenient the student may hand his or her name to any member of the executive committee, which is composed of Frank M. Johnson, Mark M. Werner, Robert F. Craig, Jack Whitten, Welch Pogue, Sheldon Tefft, Francis Weints and Gertrude Tomson.

Report Indicates Favor of Single Tax Since Definite Plan is Made

Campus opinion concerning the single tax seems to have changed since a definite plan has been announced. Of thirty-six students interviewed yesterday, the reporter found thirty-three in favor of the tax. The students who voiced their opinion had changed their minds in most cases, since the provisional allotment of the funds raised from the tax was published.

A reporter found last week that twenty-four of twenty-seven students interviewed were against the plan.

W. A. A. Will Elect Officers Wednesday

The W. A. A. election of officers for next year and delegates to the national convention at Berkeley, Cal., will be held Wednesday in the west entrance of Memorial hall. Only members in good standing will be allowed to vote. Those members who have been absent for three general meetings without sufficient excuse or those members who have not paid their dues are not considered in good standing.

BAND GIVES SECOND MUSICAL PROGRAM

Sunday Afternoon Concert is Played for Large Audience.

Memorial hall was crowded Sunday afternoon for a concert given by the University band under the direction of William T. Quick, conductor.

The band was assisted by the University quartet. Several solos were given by band members, accompanied by the band. Neil McDowell sang a baritone solo and Burford Gage, last year's captain, substituted with a cornet solo for Erwin Weiler who was absent.

This was the second concert given by the band this year and they will probably entertain again. The band has forty-seven members.

- The program was as follows:
1. Overture, "Zampa"—F. Herold.
 2. Baritone solo "The Old Home Down on the Farm"—F. P. Harlowe, Neil McDowell.
 3. Caprice, "First Heart Throbs," R. Eilenberg; intermezzo, "Forget Me Not," Allan MacBeth.
 4. Cornet solo—Burford Gage.
 5. Serenade, "Les Millions d' Arlequin," R. Drigo.
 6. University quartet.
 7. Selection, Scottish Folk Songs and Dances, arranged by J. R. Lampe.

Ag Engineers to Convene in Lincoln

Lincoln will be the scene of the 1924 convention of the American Society of Agricultural Engineers. Because the attendance is largely made up of college men, it will be held in June, probably 18, 19 and 20.

Membership in this society is large in the University department of agricultural engineering. Manufacturers of Lincoln are also represented. There will be a student representation at the convention.

One objection to the tax system as proposed was that no provision was made for a University Players ticket. A member of the student council explained the omission by saying that the University Players was a corporation and if it joined in the system it could not present certain royalty plays as it had in the past. It was at the request of the Players that they were left out of the list.

Few Would Have It Compulsory.

Two of the students who objected to the plan as it has been proposed gave as their reason that it should be compulsory instead of optional. Both were in favor of the plan otherwise. The other dissenter thought that the idea was all right in theory but would never work out in practice, mainly because their would not be sufficient student support.

One student summed up the general opinion of the people interviewed when he said, "The single tax will be much cheaper for the average student and will relieve him from being pestered at every turn with some new drive. Moreover, it will make for better campus spirit as all University activities will be supported and backed as they should be."

A co-ed brought out the idea that it would save all the students in activities a considerable amount of time that they have heretofore had to spend in campaigning in every drive that comes to the school. "Any student who is in activities knows that he or she is expected to help put every drive over the top and this takes so much time that school work has to suffer many times."

A member of the faculty said that he had favored the plan for several years and was glad to see interest taken in it again. "I am heartily in favor of the idea that has worked so well in cities as the Community Chest," he added.

JUNIOR-SENIOR PROM WILL BE INFORMAL

Plan for Traditional Dance to Take Form of Spring Party.

At a meeting last night, the Junior-Senior Prom committee decided to hold an informal May party instead of the proposed prom. The probable date for the party is May 10. The change was made because the only night available for the traditional formal was the night before Easter and the committee felt that it was not a desirable time.

Since the only open dates other than April 19 are in May, it was decided that the party could not be a formal. The party as planned will be in the nature of a spring party with special decorations and attractions. Underclassmen will probably be admitted, the junior and senior classes acting through their committee as sponsors of the affair.

The committee wishes to correct the erroneous statement made by students writing in the Student Opinion department of the Nebraskan that any deficit occurring from the party would have to be met by class assessments. The students in charge of this or similar activities are required by a University ruling to personally pay any such deficits and the classes will not be held responsible for them.

Definite plans for the party were made and preparations will begin immediately. The Scottish Rite Temple will probably be secured.

Will Hold Post Mortem on Debates

The annual "post mortem" on the Iowa-Nebraska, South Dakota-Nebraska debates will be held today from 2 to 3 o'clock in University hall 106. Criticism of the work done by both Nebraska teams will be given and special attention will be given to the Iowa-Nebraska debate at Iowa City, a part of which was heard over the radio by Prof. M. M. Fogg and Nebraska's affirmative team.

"FEED"

The name "Rag Feed" has been changed to "The Daily Nebraskan Banquet," Thursday at 6 o'clock. Admission 50 cents.

KELLOGG WINS FIRST IN 125 POUND CLASS

Two first places are credited to Nebraska with but one each to Iowa, Wisconsin, Ames, Indiana, and Ohio. Blore placed third in the 115 pound class, winning a decision advantage of 4:22 from Takaki of Chicago.

Sargent won second place in the foils but was unable to place in the swords or sabers. He battled teams composed of several men from Chicago, Ohio state and mid-western schools in seventeen events, a feat which evoked admiration from the astounded onlookers.

The schools which sent teams to the conference included Michigan, Minnesota, Chicago, Illinois, North-western, Ames, Michigan Aggies, Wisconsin, Purdue, Indiana, and Nebraska. Dr. R. G. Clapp, Nebraska coach, accompanied the Nebraska team.

HARVARD—"Jazz"—good jazz—is America's only original contribution to the music of the world," Professor W. P. Hill of the music department of Harvard believes.

Five hundred deans of women from universities, colleges, and normal schools met in Chicago at a convention. One of the deans made the statement that there is a new vocation for college women in the work of state groups.
