RIFLE TEAM BREAKS ALL FORMER RECORDS

Closes Intercollegiate Season With Good Score; Lewis Is High Man.

Husker marksmen celebrated the last week of intercollegiate rifle matches by firing the highest score of the season. The Nebraska shooters made 3809 for the week, 48 more than the previous high mark of the season, and 14 points more than Minnesota's score two weeks ago which was the highest made against Nebraska this year by any one of the fifty-three schools on the schedule.

D. D. Lewis was high man on the week's shooting with 393 out of a possible 400. Dale Skinner, Willard Dover, and Lewis made 100 in the prone position. Other men on the team made scores higher than any so far this year.

The firing was against schools on the Pacific coast and returns will not be received for a day or two.

D. P. Roberts was elected captain of the 1925 rifle team at a meeting of the letter men held last week. Roberts is a junior in the College of Engineering. His home is in Lincoln.

The rifle squad is now practicing in preparation for the Hearst trophy matches which will be fired in the next three or four weeks. The registered targets for the shoot have been received by the department and the shooting must be completed by April 15. Nebraska has three teams entered in the meet.

After the Hearst matches are completed and as soon as the weather

permits outdoor rifle and pistol shooting will commence with active training for the summer camp at Fort Snelling.

Farm Boys Win U. P. Scholarships

Scholarships offered by the Union Pacific Railway company during the last three years have been won by twenty-six Nebraska boys who have received Agricultural college training on these scholarships. Awards are made to boys and girls club champions in livestock and crops clubs in the counties crossed by the Union Pacific.

The scholarship is worth \$75 and can be applied only toward the expenses of schooling at the Nebraska Agricultural college. Out of the twenty-nine counties of the state which were eligible in 1923, twenty-eight scholarships were awarded as compared with fourteen the year before. This growth proves the popularity of the reward for these laudable activities and it is expected that every county will have eligible members this coming year.

Prof. R. J. Pool, chairman of the department of botany, was in Sioux City, Ia., last week to lecture before the Sioux City Academy of Letters and Science. The subject of his illustrated lecture was "Life Among the High Peaks of the Rockies." Dr. Pool, while he was in Sioux City, met a number of Nebraska alumni.

ILLINOIS—Floats for the Engineers Day parade on April 7 will depict the historical development of engineering.

Style: "Distinctive or characteristic mode" (Webster). Might be shortened to "Stetson" in speaking of hats.

Another call for candidates

in this season of try-outs, seniors will do well to respond to the call for candidates which progressive business organizations are making.

The visit of the various company representatives offers a mutual opportunity. It puts you in position to judge whether a particular company offers sufficient scope to your ability and ambition. The representative can judge, after conversing with you and studying your record, whether you would be well placed in his company.

Do not ignore the invitation to these interviews. Do not be one of those—and they are many—who next Fall will write to the larger companies, "At the time your representative visited my college I did not think that I was interested in the work of your company and so did not meet him".

Men who are earnest in wanting to make the team usually respond to first call

Number 37 of a series

A BIG willing companion for every note book

ACTUAL SIZE

You like to grasp a pen like this. It's big. It's husky. It looks strong, reliable, long-lived. And it is.

This new Wahl Signature Pen is a wonder for college work. It never needs prompting. You don't have to shake it. Touch that flexible point to paper and the ink starts with your thought.

The Wahl Comb Feed regulates the flow so perfectly that the ink never floods. The ink capacity is enormous.

And the everlasting nib—it's a marvel. It suits itself to any writing style. Just seems made for your hand. It is heavy

14-karat gold. Tipped with the hardest and finest grade of iridium that money can buy. Experts say this everlasting nib is the finest made.

Another big idea—clipped in pocket, purse, shirt-front, or notebook, the Wahl Signature Pen will not leak. The patented cap-construction assures this. The gold band you see around the cap prevents splitting.

There are two big sizes at \$7 and \$5—one for men, one for women. Ask for the Wahl Signature Pen. Other Wahl Pens from \$2.50 up.
