**BOXING NOW AN OFFICIAL SPORT**

Authorities Grant Sanction to Send Mitten Squad to Amateur Meet.

**REED AND DAWSON COMBINE EFFORTS**

Boxing has gained official recognition at the University of Nebraska. The combined efforts of Harry Reed, boxing instructor, and Fred Dawson, director of athletics, have obtained from the officials authority to send a squad of mitten-slingers to represent the university at the Amateur Athletic Union meet in Omaha April 8th.

Instructor Reed has been trying for three years to gain permission to start a boxing team to represent the University. While the permit to take some men to the meet at Omaha does not give him the power to install a varsity boxing squad, Reed feels that it is a good sign that the authorities are not very strongly opposed to such an innovation. "Boxing is going to come into its own at Nebraska," he said, "It is the greatest sport in the world, bar none, and it will not be long before we shall see a varsity boxing squad in action."

**Will Hold Tournament Friday.**  
A tournament will be held in the Armory Friday evening to choose the men to go to Omaha as the representatives of the University in the amateur meet there.

All men desiring to enter must register at the student activities office in the Armory before 6 o'clock Wednesday evening. The weight of all entries must be given when they register. The classes will be those specified by the Amateur Athletic Union rules and are: Feather, 126 pounds and under; light, 135 and under; welter, 147 and under; middle, 160 and under; light heavy, 175 and under; heavy, any weight.

**To Weigh Entrants Friday.**  
Official weighing in of the entries will be at 3 o'clock Friday afternoon. Eight ounce gloves will be used in all matches. General admission will be 25 cents, ringside 50 cents.

The winners of the respective

classes here will go to Omaha and compete in the A. A. U. meet for the Mid-West Senior championships. The champions from the Mid-West Senior district at Kansas City and the winners there will go to New York and compete for the A. A. U. championships of the United States. These champions will then represent the United States in the Olympics.

**SOGGY TRACK MEANS POOR TRYOUT TIME**

Hartman Tops Contest by Heaving Shot 41 Feet, 2 Below Record.

Poor time was made yesterday in the track tryouts on the indoor track under the stadium since the path was soggy from the wet weather. The best performance of the afternoon was in the field events where Hartman heaved the 16 pound shot 41 feet and 11 inches. Hatch broad-jumped 21 feet.

In the track events 2:10 by Higgins was the best time made in the 880 yard dash. Ross ran the 880 in 2:11. Red Layton made the quarter in 54.1 second in the 440 yard dash, one-tenth of a second ahead of Crites. Lewis lead the milers with a time of 4:48.3. McCarthy came in in 5:03.3. Hatch sprinted the 50 yard dash in 5.4 seconds.

he tryouts revealed some pretty good freshman material in reserve for the varsity squad next year. One of the best milers on the varsity squad this year, Lewis, came out for track for the first time last year when he was a freshman. In high school he had never gone out for track.

The tracksters are waiting expectantly these days for the completion of the outdoor cinder track around the football field. The new track will be a quarter mile long, and will have easycurves and long straightaways. The outdoor track will probably be completed during spring vacation and will be used for the first time in the interfraternity track meet from April 4 to 11.

Beerle, freshman hurdler last year, is fast improving in the hurdles since coming out for track practice following basketball season.

Captain Mud Gardner has been unable to do any track work so far on account of appendicitis. He will probably be able to start training in time to get into condition for the first outdoor meet. Trexler, fast quarter miler, has left school for the year.

Locke, Rhodes and Bloodgood have been excused from track practice by Coach Schulte so that they can work out with the baseball team, trying out for the southern trip during spring vacation.

**SELECTING NINE FOR TRIP SOUTH**

Coach Kline Confronted With Thirty Swingers Trying for Journey.

Coach Kline is making a supreme effort to select a fast diamond nine from early season showings in the two days left before the vacation training trip southward. Thirty sand-lotters have been reporting daily for workouts for several weeks and a tough problem for any mentor faces Coach Kline in choosing the outstanding performers.

Sixteen Nebraska willow swingers will make the vacation tour. Final announcement of those candidates who will make the trip will not be made until Friday.

**California and Penn State Arrange Game**

University of California, March 25.—(By P. I. N. S.)—The first inter-sectional football game ever to be held in the California Memorial stadium will be played between the University of California and the University of Pennsylvania January 1, 1925, according to information obtained from the Graduate Athletic Manager's office yesterday afternoon.

Arrangements have been fully completed between the two universities for the game but it will be necessary to obtain the sanction of President William Wallace Campbell before the game is finally approved. No difficulty is anticipated in securing the consent of the president.

ARIZONA—A dispute as to whether married or unmarried men on the campus have the highest scholastic standing led to an investigation, which found that married men have a scholastic standing above that of unmarried men.

A beautiful array of Spring  
**Underwear Fabrics!**

You Will Like  
the **VAN CRAFT** for  
Two Reasons

Made in 3 superb fabrics—poplin, mercerized cotton pongee, and very fine broad-cloth.

\$3 to \$5

One, comfort. The sportsman, the well-dressed man, does not enjoy ordinary collar-attached shirts, because, while comfortable, they are messy in appearance. Van Craft—with the Van Heusen Collar attached—has all the freedom of the ordinary negligee shirt, plus the Van Heusen—more comfortable than a soft collar, better-looking than a stiff collar.

Two, smartness. Superb fabric and tailoring added to the Van Heusen Collar make, at last, the ideal negligee shirt. No bands or seams in the collar to irritate the neck. No fear of wilting even in hottest weather.
