

WILL PRESENT NATIVE SKITS

Foreign Students Stage International Uni Night Tomorrow.

ARE SPONSORED BY COSMOPOLITAN CLUB

The first international university night, featuring stunts and acts by various groups of foreign students at Nebraska, will be presented tomorrow evening at the Temple. Committees in charge of this event will meet this evening at 5 o'clock in Social Science 207 for final preparations. Tickets have been on sale for over a week and reservations are being made at the Ross P. Curtice Co. Ticket sellers are especially urged to be present at this evening's meeting.

The idea and preliminary plans for a university night presented by foreign students in the University came from the Cosmopolitan Club of Nebraska, a local branch of a national organization. Its membership is composed of representatives of the various nationalities of students. A large group of students representing the various organizations has had charge of the ticket selling.

"Chitra" a one-act play by Tagore is the contribution of the Indian students. This play has gained some prominence because of its author and the fact that a number of Lincoln people have seen it. Dean Buck, who spent some time in India last year, highly recommends the play.

The Chinese skit will represent the home life and customs of China. Lantern slides will also be shown. The announcers will wear native costumes.

The Russian students will give a series of Russian songs and dances. German and Japanese students will offer native songs and dances. The Filipinos are to present a play.

Nebraska Zeta Chapter of Home Economics Society Entertains Delegates

The seventh biennial national convocation of Omicron Nu, the Home Economics honorary society, is being held in Lincoln this week end. The Zeta chapter of Nebraska is entertaining. Thirty-five delegates from all over the country are attending, representing chapters as widely separated as Washington, New York, Florida and Texas.

Wednesday evening, an informal party was given at Ellen Smith hall. Thursday night, a banquet was given at the Lincoln hotel, and today, after the business session, the group will drive around the city.

The alumni chapter and the active chapter, made up of eight students and five faculty members, are entertaining the delegates.

Methodist Students Entertain Tonight

A party for Methodist students will be held in the Armory tonight as a part of the social program being carried out by the Methodist student council.

The committees have been at work for some time and have provided games, music and readings as a part of the entertainment. While this mixer is being given by the Methodist student council, it is not intended to be exclusive, any student or faculty member will be welcome. The party had been planned for April 5 but was changed because of international university night which comes on that date.

New Football Field Nears Completion

The new football field for spring training is nearing completion. Two or three more days of work will put it in shape for use, L. F. Seaton, purchasing agent, announced yesterday. A large force is working on the field and as soon as the grading and leveling is completed a board fence will be built around it in order that secret practice may be held. The new track is also being levelled with a steam roller preparatory to the intramural track meet.

The ballot for the special election Tuesday, April 8, is to be worded as it appears following. A favorable vote of 2000 must be recorded for one of the single tax plans if it is to be adopted, the student council has decided. If such a vote is not cast, both plans will be discarded.

W. A. A. DELEGATES WILL LEAVE TONIGHT

Five Women Represent Nebraska at National Meet in Berkeley.

The five delegates to the National Women's Athletic Association convention at Berkeley, Cal., leave tonight at 6 o'clock. Marie Snavelly, W. A. A. president, is the official delegate. Irene Barquist and Pearl Safford are the senior delegates and Dorothy Supple president-elect and, Dorothy Dougan are the junior delegates.

This is the fourth National W. A. A. conference and it is being held at the University of California from April 9 to 12. These conferences are held at the University of Indiana in 1921. The Nebraska delegates will extend the conference an invitation to hold its next session in Lincoln.

One of the interesting discussions to be taken up at this meeting is that of athletic awards. Nebraska is at present the only school in the United States which gives material awards. Here sweaters are given to every girl earning 1200 W. A. A. points. The point system of awards, rules of membership, publications, and athletic training will also be discussed.

ENGLISH EDITOR TO VISIT UNIVERSITY

Sidney F. Wicks of the Manchester Guardian Will Speak Here

Sidney F. Wicks, one of the editors of the Manchester (England) Guardian will be the guest of the University on May 5. Mr. Wicks is visiting American universities to help establish friendly contact with those who are in sympathy with the Guardian ideals.

Chancellor Samuel Avery, Dean James E. LeRossignol of the College of Business Administration, and Dean Philo M. Buck of the College of Arts and Sciences comprise the committee on arrangements. A faculty dinner will probably be given in his honor and he will address the students on economic subjects at a general convocation. An opportunity to meet him will be given those interested in joining so.

Mr. Wicks is sent here by the Carnegie Institute for International Education. He is not coming in the interest of any political organization, but will probably speak on some subject connected with the labor movement and the labor party in England.

Stella Vogel, a student at the College of Agriculture, received several head and body bruises when she was run down by an automobile Wednesday evening. The driver did not stop and could not be identified. Miss Vogel was walking at the edge of the pavement on West P Street when the car struck her.

Winners of Tourney to Compete in Mid-West Rounds at Omaha

FAST FIGHT FEATURE ELIMINATION BOUTS

Final bouts of the first annual University boxing tournament will be staged in the Armory tomorrow night. The elimination rounds, in which eighteen boxers competed, were held last Friday and the fights were fast and exciting from the first going.

The winners in the classes here will go to Omaha to compete in the Mid-West Senior championship round of the Amateur Athletic Union. The winners at Omaha will meet the victors of the Kansas City district to determine who shall go to the try-outs for the United States Olympics team at New York.

General admission to the finals in the Armory will be 25 cents, ring-side 50 cents. Student tickets will not admit to the tourney here as the proceeds will be used to finance the trip to Omaha.

FOOTBALL ASPIRANTS BEGIN SPRING WORK

Forty Candidates Are Sent Through First Warm Weather Training

Forty football aspirants donned the grid togs yesterday afternoon and were sent through the first outdoor workout of the spring season. Coach Owen Frank has been working for the past few weeks with the backfield candidates while Leo Sherer and Ross McGlasson are assisting in tutoring the warm weather enthusiasts. Sherer will continue to work with the prospects for the wing positions while McGlasson will take charge of the linemen.

Practice will continue throughout April and part of May. Yesterday the gridsters worked out on the Social Science field but will likely finish the spring training on the Stadium field upon the return of the baseball team from the south.

With ex-captain Lewellen, Noble and the DeWitz brothers having completed their football careers in college, an entire new backfield will need to be developed for the coming football season. Bright prospects will likely be weeded out of the spring backs during the next few weeks. All students who expect to go out for football next fall are urged to join the ranks of the spring performers.

Gamma Epsilon Pi, honorary commercial sorority has pledged two new members. The pledges are Mildred Armstrong and Florence H. King. Gamma Epsilon Pi was installed last year and is based upon scholars. Of the Junior and Senior girls in the College of Business Administration fifteen percent are eligible.

EDDY MEETINGS BEGIN NEXT WEEK

Noted Student Leader Will Give Series of Lectures at St. Pauls.

STUDENTS TO FORM PARADE OPENING DAY

Sherwood Eddy, internationally known as a student leader and an authority on political, social, and industrial problems, will conduct a three-day series of meetings here for students on April 9, 10, and 11. Classes will be excused at 10:30 on Wednesday for the student and faculty parade from 12th Street to St. Pauls Church, where the meetings will be held.

According to present plans, the meetings will be conducted as they were when Mr. Eddy visited the University two years ago. Classes will be excused for the first lectures and it will probably be optional with the student whether he wishes to attend the other lectures or his classes. A program of the topics to be covered is being prepared and will be published soon.

Two lectures a day will be given at St. Pauls Church at 11 o'clock and 7:30. A special talk will be given at the College of Agriculture 9 o'clock Thursday. Members of the Mortarboard and the Innocents will be present at the meetings and Chancellor Avery will open the first one. The lectures will probably be reserved for university students and faculty as it was found two years ago that the crowds could not be accommodated otherwise.

Personal conferences with the noted student worker may be arranged by seeing Paul W. McCaffrey, secretary of the University Y. M. C. A. An all-University committee is in charge of the meetings and is making out the program for them. This committee will meet at a luncheon on Wednesday after the first lecture.

Pamphlets describing the work of Sherwood Eddy were distributed yesterday at all fraternity and sorority houses. Other literature will be placed before the students before the arrival of Mr. Eddy so that they will be familiar with the work of this great student leader.

Mr. Eddy has spent the last two years in traveling. He circled the world twice in this time, interviewing leaders in politics, economics, and social welfare work, in twenty-two countries. As a result he will come to Nebraska fully prepared to speak on topics of world importance and interest.

Since his graduation from Yale he has spent fifteen years heading "Y" work in India; nine years as International Secretary for the "Y" in Asia; and the war years with the British, American, and French armies at the front.

WRESTLERS GO INTO SPRING TRAINING

Mat Squad Is Keeping in Shape For Next Season.

Dr. R. G. Clapp, wrestling instructor, announced yesterday that additional instruction in wrestling will be given throughout the month of April in order to give the new men a chance to thoroughly learn the fundamentals of the sport so that the fall squad will be in better shape next season.

Claude Swindell will work with, and instruct those who come out for this additional training, which is to be given from 4 to 6 o'clock on Mondays, Wednesdays, and Fridays. Three men will be lost this year by graduation, Mooberry and Uhler in the 135-pound class and Thomas in the 158-pound class. All other men will be eligible and if the remainder of the squad return to school next fall a promising nucleus for next year's team will be had. Coach Clapp announced yesterday.

Letters for this year's team have been awarded under the new ruling to the following men: John Kellogg, captain, 125-pound; Richard Bloer, 115 pound; Theodor Uhler and A. R. Mooberry, 135 pound; Dale Skinner, 145 pound; C. A. Thomas, 158 pound; R. R. Robertson, 175 pound; G. R. Highley, heavyweight.

Classes Excused For First Eddy Meeting

To faculty and students of the University of Nebraska: Sherwood Eddy will be here for a series of meetings April 9, 10, 11. Mr. Eddy did so much good the last time he was here that the committees in charge of these meetings are very desirous that every member of the faculty and the student bodies be given an opportunity of hearing him.

The first meeting will be held at 11 o'clock Wednesday morning, April 9 and all classes will be dismissed at 10:35 on that day to give time for the parade of students and faculty to form on the campus and reach St. Paul Church by the appointed hour.

It is hoped that every one will endeavor to be present, not only at this first meeting, but also, insofar as possible, at each of the other meetings.

Sincerely yours,
CARL C. ENGBERG,
Executive Dean.

INTERFRAT MEET STARTS TODAY

Fifty-Yard Dash, 880, and Broad Jump Open Track Event

INDOOR FIELD UNDER STADIUM TO BE USED

The second annual interfraternity track meet will start this afternoon at 3:15 on the indoor field under the stadium with seventeen fraternities entered. The first event will be the 50-yard dash at 3:15, followed by the broad jump at 4:15, and the 880-yard dash at 5:15. Herbert Gish will be starter. Results will be figured as fast as events are run in order to keep interest hot the entire five days.

All events in the meet will be run off on the indoor field on account of the delay in getting the outdoor field in shape. Student track managers worked on the indoor field yesterday afternoon, rolling out the soft spots in the circular track, and evening up the straightaways for the dashes. The track will be kept in first class shape during the meet.

Events on the program for Saturday will be the 440-yard dash at 3:15, the high jump at 4:15, and the shot put at 5:15. The meet will end Thursday.

Individual runners wishing to participate in any of the races will be allowed to do so. Two men in each event must be entered by each fraternity in order to count in the meet. More than two may be entered, but only the two-highest men will be counted.

Complete official results, and standings of the fraternities will be placed daily on the bulletin board in the Armory. Skins will be awarded to first and second place winners.

FARNSWORTH PLEASED WITH R. O. T. C. UNIT

Major-General Farnsworth, chief of infantry from the war department at Washington, D. C., viewed the regular routine of class work and drill work on the field of the Thursday sections of basic course R. O. T. C. classes and also gave them a short address on "The Value of R. O. T. C. Training."

He expressed himself as being well pleased with the way the work is being carried on here and said that he felt sure that Nebraska would make a good showing before the board of officers in the inspection for distinguished rating classification to be held here May 2 and 3, Major Sidney Erickson said yesterday.

His primary object in coming here, Major Erickson said, was to get a personal knowledge of the facilities of the military department and the methods employed in giving instruction, and also to become personally acquainted with Chancellor Samuel E. Avery.

H. B. Shepard, principal of Lincoln High School, will speak to the Secondary Education club at a 6 o'clock dinner Tuesday at the Grand hotel.

OFFICIALS CHANGE ATHLETIC AWARDS

Rules Are Revised for Every Branch of Nebraska Games

WRESTLING IS MADE A MAJOR SPORT

Rules and regulations governing the award of the athletic "N" to Nebraska University athletes were greatly revised by the Committee on Awards in joint session with the athletic coaches at a special meeting held March 22, 23 and 24.
