TO TRY OUT TODAY FOR KANSAS MEET

Men on Team for Relays Will Be Picked at Outdoor Track Competition.

HUSKERS STRONG IN HALF-MILE AND MILE

Final tryouts to determine the Nebraska track men who will go to the Kansas relays at Lawrence on April 19 will be held this afternoon on the new outdoor track. The regular Tuesday matinee tryout schedule will be followed, the first event coming at 3:15. Coach Schulte will decide after the tryouts how many men will be taken to the meet.

On the face of it, Nebraska's greatest strength in the coming meet will probably be in the half-mile and mile runs with Captain Mud Gardner, Higgins and Lewis in the lead. There are some fast men in the 440 yard class too, chief among them Crites who holds in the indoor track record of 52.3, and Red Layton close second with a time of 52.4.

The Nebraska squad will be well represented in the hurdles this year, Ed Weir and Beerle have been showing well in the obstacle races so far. They are cutting down the time every day. Thirty new hurdles will be added to the Husker track equipment within a week or two.

May Have Four-mile Team.
There is a possibility that Nebraska may enter a four-mile relay team in the Kansas relays in addition to the mile and two-mile relay teams already entered. This will depend on the results of the tryouts this afternoon.

In a practice 440 dash yesterday, Bloodgood clipped a second off the mark he made in the indoor meet at Kansas City in March. Higgins still holds his position at the head of the half-milers with a track record of 2:04.2. Lewis, with 4:43 for the mile run, leads his mates in that class.

Finish Track Surface.
Captain Mud Gardner, who low-

ered the old Nebraska half mile record last year, will make a good showing in the Kansas meet, although he will probably not be in a peak-season form because he was able to come out for practice only two weeks ago. He should be in top form by the time of the Missouri Valley meet at Lincoln in May.

The top finish layer of soft coal ashes was laid on the outdoor track yesterday, and steam rollers will be used this morning to give it a smooth even surface. The sprinkler system for settling the cinders was in operation yesterday, and a first-class cinder track will greet the tracksters this afternoon.

Coach Schulte expects great things of Locke in the sprints this spring, and has predicted that he will beat Paddock in the Drake relays if he is in good condition. Locke has been on the baseball team for the last three weeks, and last Saturday was the first time he took part in track tryouts this spring. In a race Saturday afternoon with a two-yard handicap, Locke came out very near the first with a time of 10.2 in the 100-yard dash.

NINETY-FIVE SCHOOLS ENTER KANSAS RELAYS

LAWRENCE, Kan., April 14.—Entries for the second annual University of Kansas relay games closed April 9, and final tabulation shows that ninety-five universities, colleges, military academies, and high schools will be represented in the various events. The relays will be held in the Memorial stadium, April 19. The entry list shows that twenty universities, thirty-four colleges, and

forty-one military academies and high schools will take part. With the exception of Missouri, every member of the Missouri Valley conference will be represented

in the games, as will four of the Big Ten schools. The Oregon Aggies, and Occidental College of Los Angeles will come from the Pacific coast to take part.
