Due April 24.

VOL. XXIII—NO. 136

UNIVERSITY OF NEBRASKA, LINCOLN, NEBRASKA, SUNDAY, APRIL 20, 1924

PRICE 5 CENTS

## HUSKERS ARE HIGH IN KANSAS RELAYS

Take Two Firsts and Four Seconds Against Field of Twenty-three.

### HARTMAN MAKES NEW RECORD IN SHOT PUT

Coach Schulte's tracksters placed the Cornhusker name at the top of the list of the second annual Kansas relays, at Lawrence Saturday, when they won two first places and four second positions against a field of twenty-three colleges and universities.

Nebraska won the half-mile relay, tying the last year record of 1 minute 29 1-2 seconds. A new record might have been set but Crites pulled a muscle in his leg. Crites, Hatch, Hein and Locke made up the team.

#### Governor Presents Cup.

"Ced" Hartman, winner of the 16-pound shot put at the Drake relays last year, won the weight event, throwing the shot 42 feet, 7 3-4 inches for a new record. Governor Jonathan Davis of Kansas presented the trophy to Hartman before the Pathe cameramen.

The Husker sprinters placed second in the 440-yard relay ahead of Kansas. Occidental College won the relay by breaking the record in 43 1-2 seconds. Irwin of Kansas Aggies won the 100-yard special, setting a record of 10 seconds flat, and barely nosing out Locke, the Husker sprint star.

#### Sets New Record.

Turner took second in the high jump when he cleared the bar at 6 feet 3 inches. Poor of Kansas won the event at 6 feet 4 inches, a new Kansas relays record. Turner's jump sets a new Nebraska record.

Northwestern university broke the record of last year in the 2-mile relay by defeating Nebraska, record holders, in 8 minutes, 49-10 seconds. Captain Gardner, running at anchor position, was running in his old-time form. The other members of the team were Lewis, Higgins and Ross.

The Husker team returns home today, and will resume training Monday, when tryouts for the Drake relays will be held. With the expected return of Layton and Whipperman, Husker mile-relay men hope to be in the scoring column Saturday at Des Moines.

## BUSHNELL GUILD NOW NATIONAL FRATERNITY

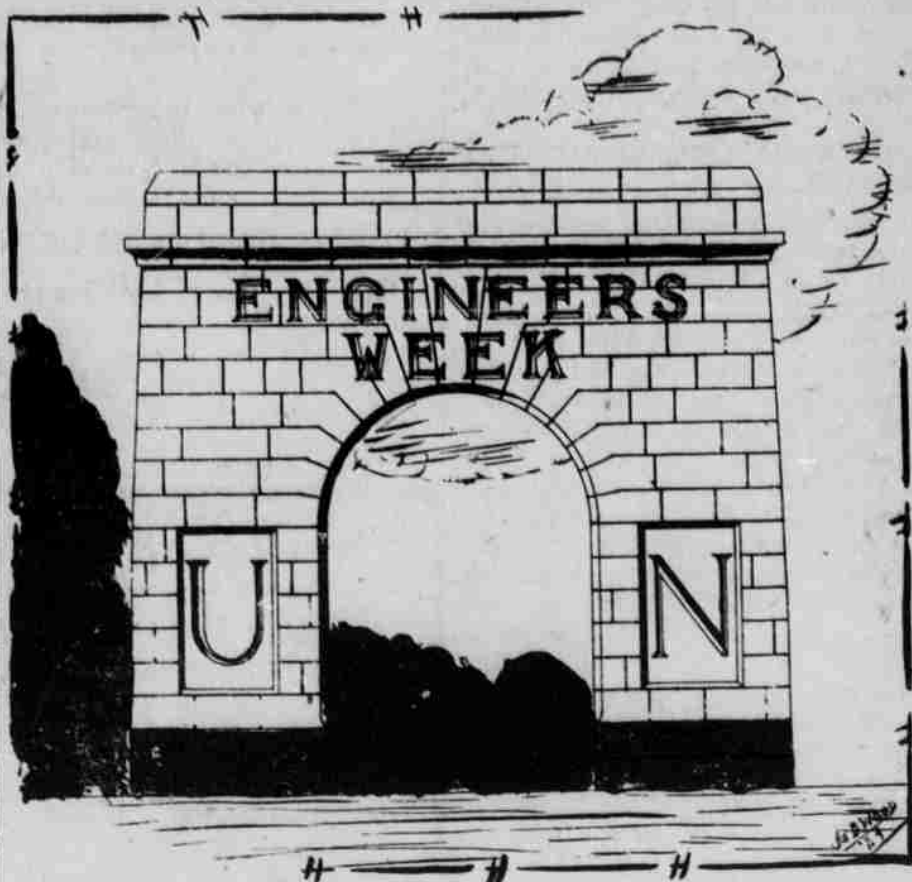

Local Organization Is Made Gamma-Beta Chapter of Pi Kappa Alpha.

Bushnell Guild, after fourteen years as a local fraternity at the University of Nebraska, was yesterday installed in the national fraternity of Pi Kappa Alpha as the Gamma-Beta chapter. The initiation, in which twenty-seven active and eighteen alumni members of Bushnell Guild accepted the bonds of the fraternity, was held at the chapter house at 1141 D street and was conducted by three installation teams under the direction of District Princeps Laurance M. Hyde, Alpha Nu, Princeton, Mo.

Pi Kappa Alpha fraternity was founded at the University of Virginia, March 1, 1868. There are now sixty-three active chapters and more than sixty-five alumnus chapters in cities throughout the United States. With the installation here today, Pi Kappa Alpha is represented at every Missouri Valley institution. Bushnell Guild was founded September 21, 1910, by members of the Congregational church. After two years the sectarian limitation was lifted and the organization accepted to membership all Christian men. The organization owns its chapter house at 1141 D street, purchased in 1922.

Following the installation yesterday afternoon, the following officers were chosen by the chapter: A. Leicester Hyde, president; Floyd E. Leavitt, vice president; Kirk Linn, secretary; Frank E. Fry, treasurer.

The installation ceremonies closed last night with a banquet at the Lincoln hotel. Laurance M. Hyde, district princeps, of Princeton, Mo., was toastmaster. Short addresses were made by several fraternity representatives.

## THIRD INSTALLMENTS FALL DUE THURSDAY

Stadium Payments of \$5 Will Be Collected at Booth at Entrance.

"Next Thursday the third installments on stadium pledges fall due. The stadium is here and is being used by Nebraska, but it is not paid for. Whether or not we finish the job depends upon the spirit, loyalty and Nebraska quality which is shown by the students, alumni, and all donors.

"The third installment and all past installments must be paid now if the stadium program is to continue. Let's save our dollars for Thursday, pay our installments promptly, and see old Nebraska go on."—Coach H. F. Schulte.

Second installments on pledges made this year and third installments on those made last year fall due on April 24. The stadium office is preparing to make it possible for every student to pay part of his share of Nebraska Memorial stadium on that date. Nebraska students are asked to make their payments promptly in order that the money borrowed to complete the stadium for use may be paid to save interest charges.

The following statements from prominent Cornhuskers emphasize the importance of paying stadium obligations

**Prof. R. D. Scott:**  
"One of the customary things about the University of Nebraska and its teams is that they always finish creditably. On as big a job as the building of the stadium, we can't afford to have a reputation of not having everyone do his part.

"Our pride in our state and our University will not permit us to make a failure in this undertaking."

**Gertrude Tomson:**  
"Our Nebraska Memorial stadium, beautiful and almost complete as it is, will not be a success until it is paid for. The money pledged with a splendid spirit of loyalty and sacrifice is now partly due, and that same loyalty requires our prompt payment of it."

**Sed Hartman:**  
"I speak on behalf of the entire N club when I say that 'N' men realize how important it is that students should promptly pay the installment on their pledges which falls due next Thursday. Every student (Continued on Page 4.)

## Complete Borders of Pages in Cornhusker

Every page of the 1924 Cornhusker has been put through the press once, and the border color on the 622 pages has been finished. Several sections are complete and are in the bindery. Organization sections will be printed soon.

All organizations are urged to make their payments for their pages to the Cornhusker at once, so that they will not be left out of the book. Payments should be made to the business manager.

## LEWIS HEADS N BOOK STAFF OF NEXT YEAR

Bennett S. Martin Is Made Chairman of University Night Committee.

Phillip M. Lewis, '25, will head the staff which will publish the N book and student directory next year. Bennett S. Martin, '25, will be director of University night, according to announcements made yesterday by Alex McKie, president of the University Y. M. C. A., which sponsors these two projects. Alice Thuman, '25, will assist in the work of getting out the two publications.

The new cabinet, the student governing body of the "Y" was formally installed at a banquet held last Thursday evening. Francis Miller of New York, executive secretary of the student department of the international Y.M.C.A. committee, and Ben Cherrington, of Denver, secretary of the Rocky Mountain district, were special guests and each spoke briefly.

## Vesper Choir Will Sing Easter Corals

The Vesper choir will start out this morning at 5 o'clock, according to plans made Saturday, to sing Easter corals at all sorority houses, dormitories, and rooming houses. The girls will be divided into two groups of fifteen girls, one group going to houses north of O street, the other group singing at houses south of O street.

Thieves entered the Sigma Kappa sorority house, 1629 R street, some time between 2:30 and 7:30 Saturday morning, and took an Elgin wrist watch and some other articles, according to a report made to police by Grace Spacht. It is not known how the robber gained entrance.

## INTERFRAT DINNER COMES ON MAY 7

Interfraternity Council Sponsors Banquet at Chamber of Commerce.

### GIVES PLAQUES FOR SCHOLASTIC RECORDS

The first annual interfraternity banquet, sponsored by the Interfraternity Council, will be held at the Chamber of Commerce May 7. A speaker of national repute will be secured for the banquet by Chancellor S. Avery. After the addresses, the badges for high scholastic standing will be presented to the fraternities which qualified for them the last semester last year and the first semester this year.

Alumni have given bronze plaques to the council to be awarded to a certain number of fraternities having the lowest number of delinquencies for the school year. These plaques will remain the property of the fraternities winning them until the banquet held the next year, when the new winners will be awarded them. The banquet is intended to be an annual affair.

The idea of an annual banquet of this type was approved at the meeting of the Interfraternity Council held about two weeks ago. Fraternities are to be rated in the future, not only on high grades but from the number of delinquent members they have. The fraternity which comes the closest to a certain standard of scholarship will be awarded a badge designed by Paul Laune of Lincoln.

## GLEE CLUB CONCERT WILL BE APRIL 25-6

Tickets Are on Sale for Annual Home Appearance at Temple.

Tickets are on sale for the annual Glee club home concert to be given Friday and Saturday evenings, April 25 and 26, in the Temple theater.

The program to be presented by the club includes songs by the entire company, selections by the University quartet, vocal solos, instrumental and piano numbers. A skit from Robin Hood will also be presented.

Last year the Glee club took a trip to Denver and other points in Nebraska and Colorado. It has just returned from a 500-mile tour in the eastern and northern part of the state.

The club is composed of thirty university men picked from the best talent of the school.

The club is directed by Prof. Parvin Witte, who has had great success in directing glee clubs in various sections of the country. He was formerly director of the Ohio Wesleyan Glee club. He was also connected with the Chicago Metropolitan Opera company at one time.

## Says Spring Mixer Was Great Success

The Varsity spring mixer was a great success, according to Sutton Morris, chairman of the committee in charge. The Varsity mixer was not staged by the all-University party committee, but by a committee composed of Sutton Morris, chairman; Diertrich Dirks, James Marshall and John Anderson.

Music was furnished by the Kandy Kids. A special program consisted of selections by the University quartet, and several specialty acts.

## Weather Forecast

Sunday—Fair; not much change in temperature.

## P. M. BUCK RESIGNS AS DEAN OF COLLEGE

Will Be Chairman of New Department of Comparative Literature.

Prof. Philo M. Buck, dean of the College of Arts and Sciences, will be made chairman of a new department of comparative literature, beginning September 1, by action of the Board of Regents Friday in a meeting at the Chancellor's office at which all members were present. At his request, he will relinquish the deanship. A new dean of the college will be chosen, the appointment to become effective September 1.

No one on this campus will be considered to fill the office, according to Chancellor Avery, who has been appointed to search the colleges and universities of the country for a man for the place. The appointment will be made as soon as possible.

Dean Buck will step out of his duties as dean into the duties of the chairman of the department of comparative literature September 1, at which time his fifth year as head of the college will be complete. During the year 1922 to 1923, he accepted an exchange professorship with a college in India. Prof. A. L. Candy of the mathematics department was acting dean during his absence.

Dean Buck will give some instructional work in the department of English, in which he was a professor before he became dean in 1919, in addition to his other work. He will devote part of his time to writing and study.

A few minor changes in the budget for the coming year were considered and passed by the board.

The club is composed of thirty university men picked from the best talent of the school.

The club is directed by Prof. Parvin Witte, who has had great success in directing glee clubs in various sections of the country.

## Seven Strange Scientific Displays Are Placed in Store Windows by Engineers

Seven windows in downtown stores are being prepared by Engineering students and will be uncovered Monday morning. Exhibits are located in Miller and Paine's, Farquhar's, Mayer Brothers, Magee's, Huffman's, Meier Drug company and Tucker-Shean.

A vivid red liquid, generated when two colorless streams strike in the air, and a ball suspended in midair without visible support are the exhibits of the chemical students in Farquhar's window.

The electrical department will bring to life in the Meier Drug company window, Andy Gump's campaign for office and will back him to the last kilowatt.

**Transmit Power by Radio.**  
An experiment in the latest triumph

## ENGINEERS WEEK STARTS MONDAY

Students of Departments Arrange Window Displays in Seven Stores.

### PEP MEETING COMES TUESDAY IN TEMPLE

Monday—Window displays.  
Tuesday—Pep meeting.  
Wednesday—Parade down O street street.

Thursday—Special convocation.  
Friday—Field day and banquet.  
Saturday—Dance.

The fourteenth annual Engineers week begins tomorrow. A triumphal arch has already been constructed at the twelfth street entrance to the campus.

Each department has arranged a window exhibit for a downtown store. Freak experiments and models comprise the majority of the displays. Radio reception of power will be on exhibition in Miller and Paine's window.

Engineer "E" ribbons will be on sale Monday and Tuesday in the Mechanic Arts building. The ribbons are diamond shape and have a large blue E on them. A concentrated effort will be made for all engineers to have these by Monday noon. The ribbons are to be sold at 15 cents apiece to aid the expenses of the week.

Yells, songs, and a lying contest between professors are the few headlines of the program Tuesday at the pep meeting in the Temple. An Engineer orchestra will furnish music.

#### Organize Band.

Floats from each department will be the main part of the parade on Wednesday noon. Several bands are being organized. A float showing the Shenandoah dirigible attached to the North Pole will be in the parade. Ringling Brothers and Barnum-Bailey circus promise a flock of clowns.

At the Thursday convocation an address will be given by a prominent speaker to be announced later. A medal is to be presented to one of last year's freshmen by the Sigma Tau fraternity for scholarship and best general ability. Prof. C. E. Mickey, head of the civil engineering department, will give a prize to the student who has made the greatest percentage of increase in scholarship from last spring. Sigma Tau will also present a framed picture of Dr. Steinmetz to the college for the hall of fame in the Mechanical Engineering building.

#### Exhibit Lab Equipment.

Thursday evening is Engineers night. All laboratory equipment will be on exhibition and running. A com- (Continued on Page 4.)
