Gossip

A girl may love, love, love to dance but there isn't a girl who doesn't get some good pleasure from taking inventory of the other girls' frocks while she's whirling about. One who particularly dotes on it tells me that chiffon frocks are tremendously popular. They would be, to judge from the prettiness of those that are at Rudge & Guenzel's.

WASHINGTON, April 24.—A future day when a large part of the world's food supply will be artificially produced, emancipating man from absolute dependence upon the soil, was depicted in an address before the American Chemical society in convention here yesterday by Dr. Carl Alsberg, director of the food research of Leland Stanford university. There is every reason to be-

Mayer Bros.—Home of The "Sweetheart" Bob, The Latest Coiffure.

The "Sweetheart" bob! Sounds interesting, doesn't it, and it is just as interesting as it looks. The idea is to cut the hair so that the face resembles a heart, in shape only, of course, and you'd be surprised just how attractive it really is. This new idea was brought to Lincoln by another new barber who has just arrived at Mayer Bros., from Chicago

Mr. O'Connor brought the Hollywood bob from Hollywood and J. L. Quinn brings the "Sweetheart" bob from the east.

It adds a great deal of interest to the face and makes the hair unusually good looking. Try the "Sweetheart" bob the next time your hair needs cutting, Milady, and see if you don't like it as well or better than any you have had so far. Mr. Quinn is an expert barber and knows how to cut your hair to suit your head and your face. Many merely cut hair but Mr. Quinn has an artistic touch that makes even ordinary hair look simply wonderful.—Adv.

RAISE MONEY TO BUY SCHOLARSHIP PLAQUES

Alumni Members of Each Fraternity Asked to Give Twenty-five Dollars.

Money is now being raised by members of the alumni interfraternity council for the purchase of the bronze plaques to be presented to the winning fraternities at the interfraternity banquet on May 7. Twenty-five dollars is the amount to be given by the alumni members of each fraternity.

These plaques, designed by Paul Laune of Lincoln, will be awarded to the fraternities having the lowest number of delinquencies for the school year. These awards are a

part of the move by the interfraternity council to raise the general standing of scholarship in the fraternities. The plaques will be rewarded each year by alumni members of the fraternities.
