

**TRACK TEAM OFF FOR DUAL MEET**

(Continued from page 1)  
 mier shot-put man, is expected to win his event. Bassett, Meyers, Scott, Popelar, and Brown are the other entries in the remaining field events, in the shotput, javelin and discus.

Tom Poor, Kansas high-jumper, has tied with Hob Turner twice in this event, and the dual meet will furnish one more opportunity before the valley contest for the two to measure their prowess. The javelin should be close, too. Smith, the Kansas man in this field event, made 161 feet in the Kansas Aggies meet, and Popelar, Nebraska's entry has been doing around 156 regularly.

In the track events the 440-dashes will probably be the most hotly fought.

**Omaha Medical Frat Moves to New Home**

Phi Beta Pi fraternity at the College of Medicine in Omaha has purchased a new home at 116 South Thirty-eighth street. The fraternity moved recently and is now established in larger and more desirable quarters.

**Write Article for "Botanical Gazette"**

The leading article in the April number of "The Botanical Gazette" is a paper by Dr. J. E. Weaver, professor of ecology, and Dr. J. W. Crist, former instructor of botany. It is entitled "Absorption of Nutrients from Subsoil in Relation to Crop Yield."

**Send Core of Well to Survey Department**

The geographical survey depart-

ment of the University has received several boxes of core from the deep well that is being bored northwest of Nehawka in Cass county. The boxes are being piled temporarily west of Nebraska hall. The core, which is the drilling from the well, will be studied in detail to determine the age and thickness of the layers.

Minnesota—Students in freshman rhetoric classes at the University of Minnesota will be paid real money for writing good themes. This arrangement is the result of a theme writing contest sponsored by the Greater University corporation in the interest of the freshman-stadium-auditorium drive. Three prizes are offered for the best essays on a stadium topic.

ARIZONA—Ruins of 11 villages estimated to be more than 1000 years hills northwest of Tucson by Byron Cummings, professor of anthropology and his students.

OREGON—The building program of the University which in five years is expected to total \$5,000,000 will get under way this year.

Women to Learn a Business of Happiness

The happiest occupation in the world is showing women how to improve their appearance. It brings happiness to them—untold happiness. It brings satisfaction and fortune to you.

You can learn this business of happiness in a few weeks of fascinating work. First we teach you how to improve your own personal appearance. That brings happiness to you. Then you learn how to improve the appearance of others. That brings happiness to them.

Complete course in Facial and Scalp Treatment, Shampooing, Manicuring, Marcel, Water and Permanent Waving, Hairdressing, Electrolysis. Attractive surroundings. Easy terms.

The time is past when women have to be contented with meager earnings just because they are women. In almost any point on the map we have Marinello Shop Owners earning from \$3,000 to \$20,000 a year in a highly respected calling. More salaried positions are open for trained Marinello graduates than we can fill.

Right now decide to look into this business of happiness, it is the opportunity of a lifetime. Write for catalog and complete booklet.
