## RENOWNED CONTRALTO TO SING WEDNESDAY

Mabel Beddoe Will Appear in Stadium Concert After Eastern Tour.

Mabel Beddoe, Contralto.

Mabel Beddoe, brilliant American contralto, will appear with the Minneapolis Symphony orchestra in its concert in the stadium Wednesday evening, May 14. Miss Beddoe has been appearing in the east and has caused a great deal of comment among music critics.

Miss Beddoe comes from a family which has boasted a number of singers. She was born in Toronto and received her initial training at the Toronto Conservatory of Music, where she took highest honors in piano, harmony and theory. She was urged to become a musical doctor or a concert pianist but she decided to follow a vocal career.

After leaving the conservatory, Miss Beddoe spent three years in Europe making a special study of languages. She has appeared with the most prominent conductors in the country and has sung with many of the finest orchestras. Her late appearances have been with the New York, St. Louis and Detroit Symphony orchestras and with the New York and Toronto Oratorio Societies.

She will appear as one of the soloists with the Minneapolis Symphony orchestra, under the direction of Henri Verbruggen. Bernard Ferguson, American baritone, will also appear in the concert. The concert is to be given in the stadium May 14. Seats are on sale at Ross P. Curtice company for 50 cents, 75 cents and \$1. Box seats will sell for \$2.

## PHI ALPHA DELTA TRIMS PHI PSI'S

Score Is 13 to 15 in Protested Second Round Game Played Over.

In the only game of the interfraternity baseball tournament played yesterday, the Phi Alpha Delta nine trounced the Phi Kappa Psi team with the score of 13 to 5. The game was a second round game played over.

When the two teams met last week, the Phi Psi's won 17 to 13, but the game was protested by the P.A.D.'s because Beerle, who is out for track, played on the winning team.

The P. D. D.'s will now play the Phi Delta Chi nine in the third round. The only other game in that round will be played by the Alpha Tau Omega's and the Sigma Phi Epsilon's today.

The P.A.D.'s will now play the second inning when they scored up 9 runs. Grosshans, of the Phi Psi team, made the only home run of the game. The P. A. D. batteries were Norton and Medlin. The Phi Psi batteries were Grosshans, Sackett, and Wright.

## May 18 Final Date for Reservations

Only four university organizations have submitted applications to the student council for dates to hold drives next year. The time limit for applications is 5 o'clock May 16 and they must be in by that time. First and second choice of dates and the purpose of the drive must be submitted in the application.

A schedule to be prepared by the student council and printed in the "N" book when the applications are in will bind the organizations to the dates given them. This will eliminate conflicts and unnecessary drives next year.

## Chancellor Declares Festival Test of States Appreciation of Stadium

The Nebraska Memorial Stadium offers for out of door programs possibilities unequalled elsewhere between the Mississippi River and the Pacific Coast. The May Festival given on the 14th instant is in a certain sense an experiment to determine whether the University, the community and the state will appreciate the opportunity for out of door productions that the stadium affords. The program offered on May 14 consisting of Elijah by the Minneapolis Symphony Orchestra and Mrs. Raymond's own talent will be a masterpiece. If it is properly patronized, the University will be encouraged to plan for even greater things in the future. If the community is ready to attend such out of door gatherings in large numbers, I have no doubt that the Regents will see their way to providing for the securing of amplifying devices that will make it possible to have concerts, lectures and public addresses to audiences of 30,000 people. Undoubtedly the leading candidates for the presidency of the United States will gladly accept invitations to address the people of Nebraska

## STADIUM PLEDGES COMING IN SLOWLY

### Secretary Declares Donation Promises Constitute Business Obligation.

Payments of stadium pledges due last month have been very slow according to the stadium headquarters office. Only a small percent of these pledges have been paid.

"Each individual must feel the responsibility of his pledge to the stadium fund," stated Harold Holtz, alumni secretary. "In making payments the student should regard his pledge as a business obligation to be met on time.

"Subscribers have failed to consider seriously their action in letting their pledges slide. Many students have not made the necessary personal effort, to get their payments in on (Continued on Page 4.)
