Coach Schulte's Husker tracksters had a rather easy time winning the dual meet Friday afternoon, doubling the score on the Kansas Aggies, 78 to 39. It was a clean cut victory for the Nebraskans. Only two places counted in the meet and the Huskers scored in every event, taking eight firsts, ten seconds, with a clean sweep of five events.

The work of "Red" Erwin, Kansas Aggie speed star, who lowered the Valley record in the 220-yard dash, and "Duke" Gleason, who set a new varsity record in the pole vault, featured the meet.

A large crowd was on hand to see the Huskers perform in the last test of strength before the Missouri Valley championship meet to be held in the stadium next Friday and Saturday.

Erwin Equals Mark

On the fast Nebraska cinders Erwin stepped the hundred in 9 3/4 seconds, equalling the Valley record and coming within 1/4 of a second of the world's record. He lowered the Valley record in the 220-yard dash when he made it in 20 9-10 seconds. The previous Valley mark was 21 4-10 seconds and Erwin's new record lacked but 1-10 of a second of equalling Paddock's world record.

Roland Locke, Cornhusker sprinter, lost out by two yards in the century dash but gave Erwin the fight of his life in the two-twenty. In the furlong race, Locke held the lead up to the last fifty yards. Erwin then bore down on him slowly and had a hair-line lead at the finish. Locke's time was 21 seconds flat, three fifths of a second better than the old Valley mark.

Garrett, Florence Whitwer, Ruth Coddington, Harriet Tunberg.

When the Missouri Valley schools meet for annual track and field championships next Friday and Saturday, May 23 and 24, in the Nebraska stadium, some of the leading athletes in the United States will be brought together. Here is a group of men who should figure prominently in the scoring. Upper left is Hartman, Nebraska shot-putter and javelin star. Center top is Gartner, husky Kansas Aggie discus-heaver. Upper right is "Hobb" Turner, Nebraska stellar high-jumper who should give Tom Poor of Kansas a strong run for first position. Lower right is Captain Hammerly of Ames. He is considered one of the greatest middle-distance runners in the country. Center lower is Captain Gardner of the Cornhuskers who expects to show his heels to other Valley entries in the middle-distance events. Lower right is Captain "Red" Erwin of the Kansas Aggies, probably the fastest sprint man in the Valley.

HUSKERS TO PLAY JAP NINE MONDAY

University of Meiji Baseball Squad Will Arrive Today or Early Tomorrow.

RELEASE LOCKE AND RHOCES FROM GAMES

The University of Meiji baseball squad will arrive in Lincoln today or early tomorrow to meet the Nebraska pastimers at the Rock Island park, 4 o'clock Monday.

Locke, flashy shortstop, and Rhodes, Husker left-handed pitching ace, have been released from all three of the home games this week for fear of injury before the Missouri Valley track meet Saturday.

Peterson will be on the mound and Lang at the plate for Nebraska Monday afternoon. Collins, outfielder, has been in the sanitarium with an infected foot for several days. Lewellen, star right-hander, may take his place.

Bell Goes in at Shortstop.

The remainder of the lineup is unchanged, with the exception of the insertion of Bell at shortstop: Volz, first; Janda, second; Gibbs, third; Bloodgood and Patton, outfield.

The Japanese team left the west coast May 14 and have played several games en route. Reports from the west praise the Jap pitching staff and shortstop particularly. They coach and "talk it up" in Japanese, is a report from witness of a game in Washington.

Danger of Injury Too Great.

"Locke is a wonderful shortstop," said Coach W. G. Kline, Saturday, "and I consider Rhodes the best left-hander in college baseball. But the danger of losing the Missouri Valley meet through an injury to one of them is too great. The students are entitled to see Rhodes in a home game, but it is impossible this week."

Admission to the game is the regular 50 cents or by student ticket.

PUSH FORWARD PLANS FOR MILITARY SHOW

Reserve Officers Arrange Formal Ball to be in Scottish Rite Temple.

Plans for the military celebration to be held in conjunction with the Missouri Valley track meet, are developing rapidly in the hands of the Officers Reserve Corps, members of the organization state.

Among the social activities to be held in honor of the visiting officers is the most elaborate Military Ball to be held at the Scottish Rite Temple. This will be a formal affair open to visiting officers, cadets and reservists. Tickets may be secured from members of the Pershing Rifles.

Individual records of men in the regular army units which will give exhibitions here are being secured as well as the war record of the units. This is being done to impress the spectators with the actual accomplishments brought about by such training as will be exhibited May 23.

Companies of the University R. O. T. C. are going through special training to perform on the regular program. The Pershing Rifles are drilling daily in preparation for a special close-order drill. The regiment will march in the parade to be held at noon May 23.

On the morning of May 24, the companies of the R. O. T. C. regiment will compete for honors on the drill field. In the afternoon, the annual Missouri Valley Championship track meet will be held in the Memorial Stadium.

Dormitory Put Under Temporary Quarantine

The dormitory at 1345 T street was temporarily quarantined Friday morning when Dr. I. C. Philbrick diagnosed the illness of Lillian Brier, Teachers College freshman, as diphtheria. The quarantine was lifted Saturday morning when Miss Brier was taken to her home at DeWitt, Nebr.

Cultures of the throats of all the girls in the dormitory tested negative. Miss Brier is only slightly ill and will probably return to the University in a week.
