OFFERS SCHOLARSHIPS TO UNIVERSITY WOMEN

A.A.U.W. to Give Three Prizes
—May Get Applications from Dean Heppner.

Announcement of the three scholarship gifts, amounting to \$300, awarded annually to undergraduate women by the Lincoln branch of the American Association of University Women is made by the scholarship committee composed of Miss Ida Robbins, Miss Gertrude Hanford and Miss Gertrude Jones. Application blanks may be got from Dean Amanda Heppner. The following rules govern application:

1. An applicant must be in her freshman, or sophomore, or junior year at the date of her application. She must be a sophomore, or a junior or a senior when she holds the scholarship.
2. An applicant must have been and be, wholly or in part, self-supporting.
3. An applicant must be a regularly enrolled student at the University of Nebraska. She must be in good standing at the time of her application.
4. An applicant must have a high scholarship and must have some interest in general college activities.
5. Every applicant must fill out one of the regular application blanks which may be obtained from Miss Heppner or from the chairman of the scholarship committee, Miss Gertrude Jones, 2427 P street, Lincoln.
6. Every applicant must furnish five references. Three of these should be from persons on the campus; the other two from persons not connected with the university. The dean of women will always be used as reference so her name should not be given. A transcript of grades must accompany the application. The applicant should make arrangements with the persons whose names are given as reference to send all recommendations to Miss Jones by June 1, 1924. Applications will not be considered unless these requests are complied with.
7. The three scholarships offered consist of gifts, one of \$100, and two \$50 each. They will be paid in two parts, half the first semester, and half the second semester.
8. All applications for the year 1924-25, together with the tran-

script of grades, must be delivered by the applicant in person to Miss Gertrude Jones, 2427 P street, Lincoln, by June 1, 1924.

ENGINEERS COLLEGE ADDS NEW SUBJECTS

Two-Year Mechanic Arts Group for High School Students to be Established.

(University News Service.)
A new group of subjects will be offered next fall by the College of Engineering, to be known as the two-year mechanic arts group. The purpose of this new group is to provide some technical and mechanical training for positions in industry involving the care and operation of power plant machinery, construction work and manufacturing operations. It is intended for high school graduates who have not the mathematical propensities to pursue successfully a regular four-year engineering group but who have a proclivity for things mechanical. Certificates will be given, upon the successful completion of the courses included in the group.

Dean O. J. Ferguson of the College advises students looking forward to engineering as a career not to enter the new group, as there will be required at least three additional years after its completion to attain a degree in one of the engineering groups. The new group is, he points out, neither a trade course nor an introductory engineering course. Many of the mechanic arts courses are not so advanced as the corresponding engineering subjects for which the students must have a better foundation in mathematics, chemistry and physics.

Close Matches Mark Womens Tennis Meet

In a close match marked by deuce games and one deuce set Dorothy Supple, tennis champion of last fall, won a semi-final tennis match from Kathro Kidwell 9-7; 6-3. Olive Huey defeated Ruth Wright 6-2; 6-3.
Anna Jensen defeated Karen Jensen 6-0; 6-1, in the third round of the tournament.
Olive Huey and Anna Jensen will meet in the semi-finals this noon. Anna Jensen was runner-up in the finals of the fall tournament. The finals will probably be played Wednesday as an effort is being made to finish the womens singles tournament before the Missouri Valley tennis tournament begins.

ACTUAL SIZE

You like to grasp a pen like this. It's big. It's husky. It looks strong, reliable, long-lived. And it is.

This new Wahl Signature Pen is a wonder for college work. It never needs prompting. You don't have to shake it. Touch that flexible point to paper and the ink starts with your thought.

The Wahl Comb Feed regulates the flow so perfectly that the ink never floods. The ink capacity is enormous.

And the everlasting nib—it's a marvel. It suits itself to any writing style. Just seems made for your hand. It is heavy

14-karat gold. Tipped with the hardest and finest grade of iridium that money can buy. Experts say this everlasting nib is the finest made.

Another big idea—clipped in pocket, purse, shirt-front, or notebook, the Wahl Signature Pen will not leak. The patented cap-construction assures this. The gold band you see around the cap prevents splitting.

There are two big sizes at \$7 and \$5—one for men, one for women. Ask for the Wahl Signature Pen. Other Wahl Pens from \$2.50 up.
