PRELIMINARIES TODAY

The preliminaries for the Missouri Valley track meet will be held today. 264 athletes are representing the valley schools in the annual track classic.

Ticket sales have been good and Nebraskans are showing their interest in the track team, and are doing everything possible to make this meet a success. They are trying to make Lincoln the permanent home of the Missouri Valley track meet.

Nebraska has a crack team this year with plenty of star talent. Our athletes have had a great season thus far, and they are going to put forth every effort to make Nebraska the fourth consecutive winner of the Valley title.

No student should miss this meet. The best talent in the west will be assembled and records will probably tumble in some events.

Plan to attend the meet.

THE TASSELS

A new organization has appeared on the campus an organization brought into being by the feeling that there has been a lack of organization and cooperation among the coeds of the university. The Tassels are here to further the ideals and principles of Nebraska in every way, to assist at athletic events, to cooperate with all other organizations in putting across anything the school attempts.

The Tassels hope through working unselfishly for the school, through trying in every way to create closer friendship between university women, and through bringing into existence a closer feeling of cooperation between the men and the women of the school to raise and uphold Nebraska's standards.

Progress in a co-educational school is either retarded or advanced by the feeling existing between the women and the men. If they cannot work together harmoniously the advancement of the school is greatly deferred. Tassel intends to work toward the end of closer fellowship and harmony.

Taken all in all the main purpose of Tassel is to back the Scarlet and Cream everywhere, in everything.

INTER-COLLEGE SPIRIT

Well, the laws are not such a bad crowd after all. Every once in a while,—just when you are hanging on to a "last shred" of faith,—along comes something that makes you feel maybe there's some chance for a league of nations or a world court or something of the sort. Now, it's like this: You see, last week was engineer's week when the students of the engineering college and a few of the old grads, too, got to feeling like the world was theirs and all that sort of thing. They pretty near proved it, too, the way they appropriated the entrance to the campus and built a fine big arch over the walk. Now, here is the mean part of this story: Along comes some one—he can't be found now—and of all the invitations to a war writes on that fine arch, both sides, these tantalizing words, "Law '24." But that wasn't an act for which the law college would accept the responsibility. Not for a moment. The very next morning all classes of the law college held meetings and adopted resolutions protesting and condemning the act as one of individual vandalism with a public apology to the engineers. The engineers responded in spirit and now it seems that that "welling of good fellowship and friendly rivalry between the two colleges has been established more solidly than ever before.—University Journal.

Students Should Buy Home Tickets Early

Students should buy railway tickets for home, at the downtown ticket office in order to avoid congestion at the stations, was a suggestion from the executive deans office yesterday. The large number of University students leaving at about the same time cannot be handled adequately by the depot ticket windows.

A special train to the Notre Dame-Nebraska football game next fall is being arranged over the Burlington, according to H. P. Kauffman, city passenger agent of that road. Special rates will be made to University students attending the game.

Engineers Reschedule Junior-Senior Smoker

The Electrical Engineer junior-senior smoker scheduled for next Tuesday night, has been changed to Saturday, May 24, to conform with the University ruling relative to social affairs after 8 o'clock on mid-week nights.

OPEN VALLEY TENNIS AND GOLF TOURNEYS

Fourteen Teams Compete in Missouri Valley Conference Today and Saturday.

The Missouri Valley conference tennis and golf tournaments will be played today and tomorrow in Lincoln in connection with the Valley track meet. Eight schools will enter tennis teams and six schools will be represented in the golf competition. The dual tennis meet between Ames and Nebraska, scheduled for Thursday afternoon, was called off because of the tournament.

The tennis championships will be held in regular tournament fashion. Twenty-four men from the following schools are entered: Missouri, Washington, Ames, Grinnell, Kansas, Drake, Kansas Aggies, and Nebraska. The tournament will be played all day Friday and Saturday morning. Four rounds will be played to decide the winners.

Valley schools are represented by teams which will put up some strong competition. Ames won a dual meet with Nebraska several weeks ago and Kansas will also have a strong combination. Nebraska will be represented by Don Elliot, Minor Skalborg, Lloyd Shildneck and Fred Colby.

The golf tournament will be played Friday and Saturday morning. The tournament will be seventy-two hole medal play. Thirty-six holes will be played each day.

All play will be on the Lincoln Country Club 18-hole course. Four men will represent each school.

The Cornhusker golf team is composed of Jack Whitten, Fred Vette, George Ready, Carl Henkelman and Charles Cox. Nebraska defeated the strong Drake team, Missouri Valley champions for the past two years, last week, by a score of 17 to 5. The Huskers will undoubtedly prove a strong contender for the championship.

REGISTRATION LIMIT IS SATURDAY NOON
(Continued From Page 1)

The purpose of spring registration, says Dean Engberg, is not only to give the students a chance to get their registration out of the way, but it also gives the administration offices a chance to get organized and to get everything in shape before the opening of school in the fall. The assignment committee can do its work better.

In the latter part of August the bursar will notify the students as to the amount of their fees, which should be paid by check, not later than September 8. A three dollar fee for late payment will be charged the students after this date.

If the student does not attend school next semester, he has lost nothing by his early registration, and if he should decide that he will not attend after paying his fees, the entire amount will be refunded to him upon application to the bursar.

Musical Sorority Initiates Nine

Gladys Mickle Folmer, Gladys Tipton, Ruth Ann Cottingham, Lucy Gail, Grace Roge, Helen Oberlies, Marjorie Little, Fleta Graham and Muriel Deering were initiated into Delta Omicron, honorary musical sorority, at a meeting held Tuesday evening. Installation of officers was also held.
