

PI BETA PHI LEADS FIELD

Sorority Competition Keen in Contest for Nebraskan Subscriptions.

MUST CHECK IN SALES AT END OF EACH DAY

PI Beta Phi sorority led at the end of the first day in the subscription contest for The Daily Nebraskan. Although several sororities were not represented until after noon, competition was keen all day Monday. The Delta Gamma's were in second place, while other sororities were not far behind.

No certain results for the first day can be published since no sorority had checked in completely Monday evening, and several had not checked in at all. Sororities are asked to turn in all their subscriptions each day, between 4 and 6 o'clock at the business office of The Daily Nebraskan, University Hall 10B. Receipt books will be returned in ample time for the next day's campaign. Additional books were distributed Monday evening. A supply of tags for identifying subscribers will be available at the business office shortly after noon Tuesday.

After Wednesday morning The Daily Nebraskan will not be distributed free of charge from the University Post Office in University Hall. The presentation of receipts showing payment will be the only identification that will entitle a subscriber to a copy of the paper.

Although some of the sororities secured promises from fraternities that the fraternity would credit its subscriptions to that sorority, Clarence Eickhoff, business manager, announces that fraternity or sorority subscriptions to be delivered to the houses each morning will not count in the contest.

The contest will end Thursday afternoon at 4 o'clock. After the sororities have checked in their books and money, the standings will be figured. Immediate announcement will be made in regard to the winning sorority, which will receive twenty copies of The Daily Nebraskan delivered to the sorority house every morning. The sorority which secures the most points will, in addition, have its group picture published in the paper soon after the close of the contest.

The ensuing publicity, the management feels, would in itself be sufficient award to the winning sorority, since the circulation will total more than 3,000 this year, being distributed to all the high schools of Nebraska, to the leading colleges of the country, as well as to many of the alumni of the University.

For each year's subscription, 10 points will be awarded the sorority securing it, whether it be a local or mail subscription; and for each one of one semester duration 3 points will be awarded. Local and students subscriptions will cost \$2 a year and \$1.25 a semester. Mail subscriptions will be \$3 a year.

Each sorority will be in charge of one of the three tables, located in University Hall, Social Science Building, and Library, for half a day once during the campaign. Miss Barbara Wiggens, chairman of the committee in charge of the contest, is also arranging for a campaign to be launched from the booth located between Grant Memorial Hall and University Hall.

SINGERS TO TRY FOR GLEE CLUB

Tryouts to be Held Wednesday Evening in the Art Gallery.

Try-outs for the men's University Glee Club will be held Wednesday, September 24, at 7 o'clock in the Art Gallery, Library Building. These try-outs are open to all men of the four classes who are regularly enrolled in the University. The club will be directed by Parvin Witte who has been with the club for the past three years.

Under Mr. Witte's direction, the club will start work at once on the program which will be used in the Missouri Valley Glee Club Contest which is being held in Kansas City, February 14th. The winner of this contest will be sent to the International Glee Club Contest which is held in New York City.

The Club will make its usual annual spring tour during spring vacation, visiting some of the larger towns of this state and the neighboring ones. It is the wish of the club to increase its present membership to forty voices. Freshmen are especially urged to try out.

Fraternity Pledges' Names Published Soon

A complete list of the new students who have been pledged to any of the social fraternities will be published at the end of this week. Professor R. D. Scott, professor of modern english drama and in charge of instruction in freshman english, is handling the pledge lists.

Pledges were required to turn in a statement of high school fraternities or social clubs to which they belonged. If this has not been done, such a statement should be submitted immediately, according to Professor Scott.

DORMITORY RULES CHANGED BY DEAN

Rooms May Now be Leased for Only One Semester; the Houses Not Full.

Dormitory rooms may be leased for only one semester, according to an announcement made Monday by Dean Amanda Heppner. A number of choice rooms are still available and may be had for prices varying from \$41 to \$58 for one semester, or four and one-half months. Women who are interested should inquire at Ellen Smith Hall.

Until this year women living in dormitories were required to lease their rooms for the entire year. As vacancies still remain it has been decided to make the ruling less binding. The dormitories are open to upperclassmen, graduate women students and women employees as well as freshmen.

A large percent of the rooming houses near the campus also have vacant rooms. This fact is attributed to the large number of women who are working for board and room in private homes, to the movement of students to the residence section where they make their homes with friends and relatives, and to the small increase of women students in the new registration.

New Method Adopted by Athletic Committee for Ticket Campaign

After selling student athletic tickets for two years by the salesman method, the athletic department has decided that the students are sufficiently educated to fully appreciate the real value of the single tax method. Consequently no students will be asked to sell tickets on the campus nor will any student be approached other than through posters and publicity.

The student athletic ticket, a blanket ticket to cover every athletic event on the Cornhusker schedule, is universally used in colleges. It gives the student the advantage of the money saved by eliminating the cost of separate campaigns for each sport. And, it balances the profitable and unprofitable sport to enable regular expenditures in each department.

According to the present plans, tickets will be placed on sale and students will present their registration fee receipt to prove that they are regularly enrolled students in the University. Seats will be reserved for the four Nebraska football games

1924 Cornhuskers to be Disposed of This Week

The sale of 1924 Cornhuskers was very good, according to the management of last year's annual. There are a few books on which first payments were made and which have not been claimed. Any student who failed to make his later payments can get his Cornhusker by paying the remainder of the price at the student activities office in the Army Tuesday or Wednesday afternoon.

PLANS COMPLETE FOR INITIATION

Freshmen Expected to Overflow the Armory in Meeting this Morning.

OFFICIALS AND LEADERS OF UNIVERSITY TO SPEAK

Everything is in readiness for the annual Freshman Initiation, which will be held at the Armory this morning at 10 o'clock. All freshmen have been excused from their 10 and 11 o'clock classes to attend the meeting, and the first-year students are expected to go direct from their 9 o'clock classes to the Armory.

The main floor and the galleries of the Armory will be thrown open to the freshmen, who are expected to pack Memorial Hall to the doors. The meeting will be opened by selections by the University Band. Following the band numbers will be cheering led by "Duke" Gleason and his corps of cheerleaders. The freshmen will learn and practice the Cornhusker yells, which will be printed on handbills distributed at the entrances.

Following the yell practice by the new students, Wendell Berge, president of the Innocents, will make a preliminary speech and introduce Chancellor Avery, who will address the freshmen, welcoming them to the University.

Following the talk by Chancellor Avery, Prof. R. D. Scott will give a short talk on scholarship. Dean of Women Amanda Heppner will speak and she will be followed by Kathryn Warner, President of Black Masque chapter of Mortarboard. Dean of Men Carl Engberg will explain the various aspects of university life. Dean Engberg's talk will be followed by a speech on "Cornhusker Spirit" by director of athletics and head football coach Fred T. Dawson.

The "Nebraska Oath" will then be given to the freshmen by Wendell Berge. Following the oath the University Quartet will sing the chant. The entire gathering will then sing the "Cornhusker."

Following the singing of the Cornhusker the Class of '28 will adjourn to the campus south of the Armory, where still and motion pictures will be taken of them. These pictures will be shown in the leading theatres throughout the state during the fall and winter months.

Cadet Ushers for Games Still Needed

More than 300 cadets are needed to usher at the Stadium for the football season beginning with the Illinois game, October 4. About sixty men have been accepted so far. Application blanks may be secured in the Military office on the second floor of Nebraska Hall and must be turned in before Saturday.

Ushers will be able to see the games free and will be given free tickets for all other athletic events during the year. Advanced course men will be given charge of the various sections. Sophomores are given preference but it will be necessary to use a number of freshmen to fill in.

MANY GREEN CAPS SEEN ON CAMPUS

More Than 600 Already Sold by Farquhar's; Supply Running Low.

The stock of green caps at Farquhar's is completely exhausted. A new shipment is expected by Thursday or Friday.

More green caps are putting in their appearance on the campus every day. According to the last figures given out at Farquhar's yesterday afternoon, more than 600 have been sold, and the supply is running low. More have been ordered, and freshmen without caps will be able to get theirs by the end of the week.

The dead-line for purchasing the head dress has been set at October 1, and it is desired that they be worn at the Freshman initiation this morning. Fraternities are urging their pledges to wear green caps immediately, and many are already enforcing the rule.

Because of the more desirable shape of the caps this year, less violations of the rule are expected to appear, and as has been the custom, the Iron Sphinx will be in charge of enforcement.

DEAN HEPPNER TO GIVE TEA

All Women Connected With University Invited to Annual Affair.

FRESHMAN WOMEN TO BE GUESTS OF HONOR

Dean Amanda Heppner will give her annual tea for all women connected with the University Thursday afternoon, September 25, from 4 to 6 o'clock in Ellen Smith Hall. Freshman women will be guests of honor. In the receiving line with Dean Heppner will be Mrs. Samuel Avery, Miss Erma Eppley, secretary of the University Y. W. C. A., Mrs. J. F. Thompson, hostess of Ellen Smith Hall, and Miss Helen Cook, assistant in the office of dean of women. Miss Barbara Wiggens, president of the Women's Self-Governing Association, will introduce the guests to Dean Heppner during the first hour and Miss Kathryn Warner will be at the door the second hour.

An informal program will be given. Following the custom of past years, members of the W. S. G. A. Board, the W. A. A. R. S. Mueller, '98, Gives Test Clips to Engineers

R. S. Mueller, '98, of the Mueller Electric Company of Cleveland, Ohio, recently presented more than eighty universal test clips to the Electrical Engineering Laboratory for use in making quick connection in electric circuits.

A number of the clips are especially adapted for storage battery work, being developed after extensive research in the field of electroplating. They are of brass or copper, lead plated so that the acid of the latter will not have a corrosive effect. Others of the clips are six inches in length, and are capable of carrying 200 amperes.

STADIUM SEATS ALL RESERVED

Nebraska Athletic Tickets Go On Sale Next Monday for \$7.50.

STUDENTS' SECTION TO BE LOCATED IN CENTER

A section comprising three thousand seats in the heart of the Memorial Stadium, extending from the 20-yard line to 20-yard line and from the first to the twenty-second row, has been reserved as the student section for the 1924 football season, according to John K. Selleck, business agent for the athletic department. Contrary to the plan of a year ago, all students will reserve seats for the season. This, Mr. Selleck stated, will eliminate the necessity of students going early to the games in order to get the choice seats.

All tickets will go on sale Monday morning September 29, at 7:15. They will be sold for \$7.50. Prior to that time, no tickets will be reserved and preference will be given in order of demand at the ticket windows on that morning. Monroe D. Gleason, general chairman of the sales, stated that students will not be solicited by salesmen in any manner but that it is purely a question of the student appreciating the real value that he is receiving "a privilege that no one but a regularly enrolled student in the University is given."

According to the present plans, the chairman stated, a student will have to prove that he is a student in the University by presenting his registration fee receipt. He will then be allowed to buy a ticket. This is planned to eliminate all outsiders from the student section, placing any lack of sportsmanship on the student body or on the other spectators.

Organizations that want to sit in a body at the games are urged to collect the money before the tickets go on sale and appoint a member to be in line Monday morning. This is the only satisfactory method that the committee has been able to find to give everyone an equal chance at the choicer seats.

Mr. Selleck stated that students have been given every consideration in the choice of seats in the stadium. He also added that the department has made a provision to enable students to turn in their tickets for any one game and receive another in some other part of the stadium so that they may sit with their friends or relatives. This was planned to eliminate any objection to the reservation of seats.

Monroe D. Gleason, general chairman, and Emmett V. Maun, chairman of the publicity feel confident that the students will take at least three thousand of the seats. Freshmen, who have not had the opportunity to realize the real benefits of the student athletic ticket, are considered the only obstacles to the immediate success of the sales mark. To announce the sale of the tickets and to better inform all men and women of the real benefits of the athletic ticket, a short campaign of publicity will be conducted before the sale opens. Posters, bills, and cards plus the newspapers will be used to encourage rapid sales.

N BOOK SUPPLY GROWS SMALLER

Freshmen Are Urged to Present Cards for Copies Immediately.

Freshmen who have not received copies of the 1924-25 "N" book must do so immediately. Philip Lewis, editor of the N book, states that as the books have been put on sale to upperclassmen, the supply has diminished to less than 400. The books are free to new students who present their cards, given them at registration at the Y. M. C. A. in the Temple building, or at the Y. W. C. A. in Ellen Smith Hall.

The N book includes information of all kinds for students. Among the interesting features are a calendar of important events and explanations of the point system for women's activities and the University traditions. Lists of fraternities and sororities, an athletic section and a list of campus organizations are included.

The book is bound in leather and is gold trimmed. It is larger than those of previous years. The price to upperclassmen is fifty cents.

Students in the School of Journalism and any others who have had experience in newspaper work who would like to report for The Daily Nebraskan are requested to call at the editorial offices in University Hall 10 any afternoon this week.
