

MORE SECRECY DAWSON'S RULE

Team's Practice Not Even Viewed by Sport Scribes After New Order.

LINEUP FOR ILLINOIS GAME STILL UNCERTAIN

With secret practice that was really secret, and even newspaper men excluded from the field, the Cornhusker football team entered its second week of practice.

The flat order to exclude everybody from the field, issued Monday night by Coach Dawson, was taken as an indication that the serious practice was beginning.

Scrimmage was begun although fundamentals—made necessary by a green team—were still stressed. Considerable shifting is still necessary and the coach is far from sure of the lineup that will face Illinois in the opening game of the season here October 4.

The tentative lineups which have been working are as follows:

- Ends—Rhodes and Robertson.
 - Tackles—Captain Weir and Mollen.
 - Guards—Hubka and Pospisil.
 - Center—Hutchinson.
 - Quarterback—Bloodgood.
 - Halfbacks—Locke and A. Mandery.
 - Fullback—Myers.
- A second team was also lined up as follows:
- Ends—R. Mandery and Collins.
 - Tackles—Wostoupal and Gross.
 - Guards—Swearingen and Miller.
 - Center—Grow.
 - Quarterback—Bronson.
 - Halfbacks—Dailey and Meilenz.
 - Fullback—Crites.

Some of the plays which will be used against the Illini were gone over Monday evening. The scrimmage was not long, most of the time being spent again in fundamentals.

High school students will be admitted to all home games at half rates, it was announced by the Student Activities office Monday. Letters written on high school stationery and signed by the superintendent or principal must be sent to John K. Selleck at the University to make reservations. Nothing else will be considered.

Delegations of high school students from Auburn, Norfolk, Plattsmouth, Nebraska City and Omaha Central have already signified the intention to attend the games. Other schools are expected to fall in line and several thousand high school students should be present at each game.

The Knothole club will probably add 5,000 more, all these being between the ages of 10 and 15. People from out-state can register their children for the Knothole club at the Stadium on the days of games.

Another report to worry Nebraska football fans comes from Illinois. Leonard, of the 1923 Illini freshman team, is reported to be revivalling "Red" Grange for honors. He is forcing Britton, veteran Illinois fullback, to extend himself to hold his job. In case Grange is stopped by opposing teams it is planned to slip Leonard into the fray to bring

about a double-threat with two redoubtable backs.

K. U. is said to have the heaviest team in the history of the school and the Jayhawkers have never been noted for frail football men.

Missouri is spreading the bear dope, but there are too many veterans at the "Show-me" school to make the story of much worth.

Oklahoma followers report that their team this year is stronger than it has been for some time.

Glancing over the schedule, it is not difficult to see that the Cornhuskers are going to be fully occupied and have a busy fall season. No game on the schedule can be called easy.

SEVENTY-FIVE OUT FOR FRESHMAN TEAM

Candidates Answer First Call And Are Given Stiff Workouts.

Seventy-five freshmen football candidates answered the first call for grid practice yesterday afternoon and were sent through the first of a tough series of conditioning workouts for the yearlings. Assistant Coach Rasely was in charge of the freshmen gridsters although the announcement was made that the entire Husker coaching staff would alternate during the coming season in that task of tutoring the first year prospects. Due to the present shortage of equipment only about half of the youngsters were issued the moleskins but it is likely that the shortage will be overcome before the middle of the week.

During the initial workout the freshmen were given setting up exercises. Two teams were given signal drill for a short time during the afternoon's drill although real practice will not begin until after the entire roster of candidates has been equipped. The freshmen are not expected to do any scrimmage against the Varsity until after the Illinois contest in order that the green first stringers may receive attention during the next few weeks. The workouts for the freshmen will continue to be fundamentals for several days.

Following are the freshmen who were issued football equipment yesterday: Harold Nichols, Lawrence Malm, Earl Voris, Ross Roden, Ed Jolley, E. B. Karr, Ted James, Ray Davis, Harold Peaker, J. L. Jorgenson, Lonnie Stiner, Jaul Mousel, Elwood Grossbrennen, Fred Robertson, Stuart Chase, W. J. Redfield, Dave Foster, L. Armour, P. Wyant, Curtis Rogers, A. Righter, E. G. Ford, R. M. Stephen, A. Babson, Don Wilson, Melvin Wostoupal, Lloyd Schramm, H. P. Conklin, Wilbur Stede, Ward Minor, R. A. Randels, E. A. Durisch, Dorsey McIntyre, Verne Gibson, Clarence Ralsch, Joe Harbaugh, John Brown, Theodore Pickett, J. K. Pruitt, James McGrail.

Prof. William E. Brooke, Civil Engineering '92, head of the department of mathematics and mechanics of the University of Minnesota, visited the engineering college recently. Professor Brooks has been connected with the Minnesota university for many years, and has been employed in his present capacity for several years.

Paul Zimmerman is Captain of Harriers

Paul "Zim" Zimmerman, who will captain Nebraska's cross-country team during the coming season is shown in the accompanying picture. Zimmerman was the first man to finish under Husker colors in all the cross-country runs last year making his first appearance in Varsity competition against Oklahoma harriers in which he placed third, being headed by two Sooners only by a few feet in a close finish.

Zimmerman will pilot a Husker harrier crew which bids fair to cop Missouri Valley cross-country honors for 1924, being composed of a trio of dependable veterans with several numeral wearers looming up as bright prospects. The Husker hoofsters are already limbering up for the opening of the cross-country schedule October 11. Zimmerman will have his second chance against Oklahoma, Kansas and possibly Missouri as well as leading the Varsity long winders in the annual Missouri Valley competition late in the Halloween month.

DAIRY SQUADS LEAVE FOR JUDGING MEETS

Three Teams Will Compete in Contests in Iowa and Wisconsin.

The dairy judging teams, representing the University of Nebraska, left Saturday afternoon for Waterloo, Iowa, where they will compete Monday. Members of the senior cattle judging team are: Richard Parsons, Warren Noggle, Arthur Von Bergen, and Ross Miller.

The dairy products judging team is made up of Peter K. Pratt, Richard Parsons, Robert Bushnell, and Ted King. These two teams go from Waterloo, Iowa, to Milwaukee, Wisconsin, to compete in the national judging contest. The junior cattle judging team, composed of Peter Pratt, Ross Miller, Arthur Von Bergen, and Ted King, will be judges at Waterloo, only.

Coach Ray Morgan will accompany the teams on the entire trip. Judging teams from all of the largest universities in the United States and Canada will compete in the national contest at Milwaukee.

KANSAS—Three thousand students turned out for the annual rally and initiation of new students.

COLORADO AGGIES—Polo has been made a major sport with the Colorado Aggies.

CROSS-COUNTRY MEN TURNING OUT SLOWLY

Only Twenty Harriers Answer Coach McMaster's Call; First Meet Oct. 11.

With the first cross-country meet coming on October 11, the Husker harriers have a stiff assignment ahead of them for the coming week. Twenty runners have reported for workouts so far. This is far below the number that answered Coach McMaster's call last fall.

The prospects of the present season have been cut by the failure of Dickson, last year's letterman, to return. The lettermen back this fall include: Captain Paul Zimmerman, James Lewis and Jacob Schultz. The other veterans to return are: Jacob Cohen, Jack Ross, and Richard Rogers. Last season almost fifty men took part in the final tryouts for the first meet, while the list to date only includes twenty names. Ex-captain Hyde who has completed three years of competition is back this fall to work out with the team.

The new course will be laid out some time this week, under the supervision of Coach McMaster. At present the men are taking turns around the stadium track and short distances out on the old course. The men out for the team this fall are: Captain Zimmerman, Jacob Schultz, James Lewis, Jack Ross, Dick Rogers, Jake Cohen, Oscar Johnson, Dick Ross, G. M. Sarchette, D. E. Wight, Harold Lewis, Keith Miller, W. E. Chrisman, E. M. Cumings, Paul Whalen, David Webster, Henry Eller, and Dwyer.

Pledge Lists Omitted in Sunday Nebraskan

Reba Rossiter, Gordon.
Gwendolyn Shafer, Omaha.

KANSAS GRIDSTERS IN HARD PRACTICE

Coach Clark's Squad Looks Good in Daily Scrimmage at Manhattan.

MANHATTAN, Kas., Sept. 22.—Coach "Potsy" George Clark tried out his football squad's offensive and defensive powers both last night when he put the red sweater crew on the defense against the blue sweater squads for the daily scrimmage.

One blue sweater squad would continue on the offense until they failed to make 10 yards in four downs and then the other one would go in. The red sweater men held the blues on several occasions and the changing came thick and fast.

Zuber Shows Up Well.
During the scrimmage Zuber got off a beautiful punt that argues well for his future. He promises to out-shadow Carl McAdams, who was perhaps the best kicker that Kansas has had for many years.

Gene Hart showed the red sweater boys his heels once during the evening when he got off for a fifty yard run. He is fast and has the knack of following interference.

Captain Harold Burt pulled a spectacular run when he caught a punt and ploughed back through the whole opposing team. Time after time he slipped through tackler's fingers but was finally downed.

Blue Line Holds.

Later in the practice the backfield of the blue squad was taken out and the line alone left for defense. The reds were able to get through occasionally but line coach Karl Schlade-man expresses his approval of the progress the line men were making. The freshman squad under the direction of coach John Bunn were expected to furnish competition for the varsity squad last night but their appearance was postponed until Thursday or Friday night.

The yearlings have been having some strenuous scrimmages among themselves and ought to be able to furnish the varsity some good opposition. The average weight of the freshman team will probably be somewhat greater than that of the varsity.

Bernard S. Gradwohl, '23, Law '24, Lincoln, has gone to Columbia University, New York, to pursue graduate studies in law. Mr. Gradwohl won both Phi Beta Kappa and Order of the Coif honors, and membership on the Varsity intercollegiate debate teams three years.

KANSAS—The Spanish play, "El Apeneo" as given by the Spanish club for the instruction of the advanced Spanish students.

CALIFORNIA—Work has been started on new training quarters at the University of California. The cost will be \$40,000.

DARTMOUTH—The Dartmouth Interfraternity Council has published

new rules for rushing which limit the time for social affairs and prohibit communications between freshmen and fraternity men. Invitations must be issued formally to freshmen at mid-night the last day of rushing.

The University Players

Announce Plays for the season of 1924-25.

Rollo's Wild Oat October 23, 24, 25
Thank You November 20, 21, 22
Loyalties December 4, 5, 6

Ask Any of "The Old Gang"

If you're a newcomer at Nebraska, ask any of "the old gang" about FARQUHAR'S.

FARQUHAR'S are Nebraska's leading college clothiers—one of the outstanding college stores of the middlewest. And good clothes, you know, play such an important part in college life that you ought to get acquainted here at your first opportunity.

We have the clothes information—and the clothes themselves—that college men appreciate.

Ask any of "the old gang." They'll tell you so!

FARQUHAR'S
NEBRASKA'S LEADING COLLEGE CLOTHIERS
