## Students No Longer Need to Rush to Football Games to Get Good Seats

When the Illinois team arrives next Saturday, there will be three thousand or more students who will not have to leave home in the forenoon to get the most desirable seats in the Stadium. Instead, every one of the students will have a reserved ticket and will know the seat will be kept for him until he is ready to enter the Stadium and see the opening game of the season.

Not only this provision but several other provisions have been made by the athletic department for the accommodation of the students at the football games. Feeling that the games are essentially for the students, the management made special concessions to see that the students were given the best tickets; that no outsiders got into the student section to hurl unprofessional remarks at the visiting players and let the blame fall upon the Nebraska rooters; and that every person in the Nebraska section could be depended upon to give the team unflinching support.

Taking a blue print of the Stadium, John K. Selleck, business agent

of the athletic department, cut out the very heart of the east stand and called it the student section. So that no student would be too far at one end of the field, he did not extend the section farther than the 20-yard line in either direction, and to group up the section as much as possible he twenty-second rows. If the demand would extend from the first to the announced that the block of seats becomes too heavy, the section will lap over into and absorb some of the seats reserved for outsiders.

The Wesleyan-Simpson game, the homecoming game for Wesleyan, will be played in the Stadium, and all holders of student tickets will be admitted to this game as well as the four Cornhusker games. And then to grant other concessions, the athletic department voted all those who bought tickets the free use of the tennis courts for the entire year. These provisions, plus the score or more athletic contests, have been carefully planned to give the Nebraska student an opportunity to enjoy every athletic event on the Cornhusker schedule.

## Fraternity Freshmen Attend Smoker Friday

Freshmen from all of the fraternities were entertained at a smoker Friday evening, at the Kappa Sigma fraternity house. A short talk on what students should gain from University was given by Dean Engberg.

Preceding Dean Engberg's talk an orchestra, composed mostly of Kappa Sigma's, played several pieces.

## MEETING HELD BY UNIVERSITY SENATE

Committee Will Draw Up Resolution Following Death of Max Westermann.

Judge James Stuart Daies, recording secretary of the Board of Regents; Dr. H. B. Alexander, professor of philosophy; and Dr. R. G. Clapp, professor of physical education, were appointed to draw up a resolution expressing the deep regret of the faculty at the death of Max Westermann, assistant finance secretary of the University, and for thirty-five years connected with the finance department, at a meeting of the University Senate held Saturday morning at 10 o'clock in Chemistry Hall 207.

Two committees to investigate the general scholastic standings were appointed. One will make recommendations in regard to the general requirements of fraternal organizations other will advise in matters connected with the scholastic standings and requirements of fraternal organizations on the campus.

## CHEERLEADERS ARE APPOINTED

Two Freshmen Added to Former Staff Following Try-outs Last Week.

Nebraska's cheerleading staff will be comprised of six yell foremen during the coming year, it was announced by the committee of innocents following the cheerleading try-outs last week. Nicholas Amos, former Omaha Central leader, and Donald Woerner, University Place, were selected freshman cheerleaders. The judges said, in choosing the two freshmen, that after their one year apprenticeship they will be better fitted to fill vacancies next year.

The veteran yell leaders who will again be seen in action are Duke Gleason, Bill Bradley, Phil Sidles and Bus Owens.

## Professor Brooks, '92 Pays Alma Mater Visit

(University News Service.) Prof. William Brooks, '92, now head of one of the engineering departments of the University of Minnesota, visited the University this week. He was graduated with Chancellor Avery when there were only two buildings on the campus—University Hall and the present Pharmacy Hall, then the Chemistry Building—and when cows were grazing on the campus.

All women upon matriculation, automatically become members of W. S. G. A. It is the organization which is interested in the welfare of the students attending the University and the rules it makes are made with their betterment in view.

## M. WESTERMANN DIES SUDDENLY

Assistant Secretary of Board of Regents Succumbs at His Home.

WAS CONNECTED WITH FINANCE DEPARTMENT

All classes will be dismissed at 11 o'clock Monday because of the funeral services for Max Westermann.

C. C. ENGBERG, Executive Dean.

Max Westermann, assistant secretary of the Board of Regents and for thirty-five years connected with the finance office of the University, died suddenly of heart disease at his home Friday morning. In evident good health, Mr. Westermann complained of slight illness on Thursday and early Friday he awakened to live only a few minutes.

Mr. Westermann came to the University in 1889 and has been connected in various capacities with the financial department since that time. During the war he had charge of the

finances of several relief drives and has been active in other civic affairs.

Born in Bellevue, Ill., Mr. Westermann moved to Decatur, Ill., before coming to Lincoln. The Westermann family has been a familiar one in University circles since that time. As the last of the family to retain an official connection with the University, Mr. Westermann kept alive many of the intellectual and social memories of the younger years of the institution. His five brothers: Fritz of Lincoln, Theodore of New York, Will L. of New York, Louis A. of Miami, Fla. Mrs. Augusta Schroll of Memphis, Tenn, his sister, his wife, Mrs. Louise Westermann, Emma his daughter a University senior and a son, John D., now at Princeton, survive him.

The University Senate appointed a committee to propose a declaration of sympathy over the loss of Mr. Westermann and a number of instructors have commented on the passing of one whose home has been refuge for professors and instructors because of the intellectual atmosphere and a welcome made constant by the ever sympathetic attitude of Mr. Westermann and his unusual interest in the arts and letters.

## First All-University Party Well-attended

Approximately 650 students attended the All-University party held Saturday evening in the Armory. The mixer, the first of the present school year, and intended especially to be a "get acquainted" affair for the freshmen was one of the pepiest of recent years.

Dancing to the music of Woodward's Kandy Kids, singing by Harriet Cruise, '27, Hubbell, and xylophone playing by Charles Wiles, Weeping Water, featured the entertainment of the evening. Get acquainted games were played.

In the contest for securing the greatest number of names of the opposite sex, together with their address and the color of their eyes, Alic Kolden won among the girls and LeRoy Waterman, of the boys.

## Need 25 More Ushers For Illinois Contest

A call for twenty-five more ushers for the Illinois game was issued Saturday by the military department. Although 316 applications had been received and the filings closed Friday, the large crowd expected for the initial game made the addition of more ushers necessary. Applications will be received until 10:30 at Nebraska hall Monday.

## Innocents Want No Singing in Classes

The following statement was issued yesterday morning by the Innocents, senior honorary society:

An erroneous announcement was made Friday in The Daily Nebraskan that singing in classes to work up spirit for the Illinois game should start at once. Such an announcement was premature. Aside from interfering seriously with regular class work, if singing is started now it will serve to bring the climax of enthusiasm early in the week instead of Friday and Saturday when they should be reached.

The Innocents have asked the University authorities to allow singing in the classrooms Friday. No action has been taken yet, according to Executive Dean Engberg.

The heartiness with which you comply with this request will be evidence of your loyalty to the Scarlet and Cream.

THE INNOCENTS.

## RHODES SCHOLAR TO BE SELECTED

Committee Announces Appointment For 1925 Will Be Made December 13.

SEND WINNER TO STUDY IN OXFORD UNIVERSITY

The Nebraska committee of selection for Rhodes Scholarships has announced that a Rhodes scholar will be selected for the year 1925. The selection will be made on December 13 and applications must be in the hands of the committee by October 25. Two Rhodes scholars are selected every three years.

This scholarship entitles the holder to three years at Oxford University in England, pursuing any line of study which the University offers and for which he is fitted. It amounts to three hundred and fifty pounds a year payable quarterly which amounts to about sixteen hundred dollars a year in American money. It is almost, but not quite sufficient to cover all living and University expenses during the three years, including reasonable amount of travel during vacations.

The requirements for the scholarship are that candidates must be male citizens of the United States, having lived in this country for at least five years and unmarried. By October 1, 1925, they must be not less than nineteen years of age nor more than twenty-five years old and on that date must have completed at least two year sin some degree-granting college or university in the United States.

In Nebraska, candidates must either reside in Nebraska or have had at least two years of college work in Nebraska. The selection is made in the first instance by the colleges or universities which the candidates are attending and each college or university can recommend a limited number of candidates, proportioned to the total number of students attending that college. The state committee has nothing to do with this selection but will consider on an equal basis all those recommended by the colleges or universities. This recommendation must be made so that the candidates from any college may have their applications in the hands of the secretary of the committee by October 25.

The basis of the selection by the state committee is required by the will of Cecil Rhodes and by the Rhodes Trustees to be as follows:

1. Scholastic ability and attainments.
2. Qualities of manhood, force of character and leadership.
3. Physical vigor as shown by interest in outdoor sports and otherwise.

## Need No More Ushers For Football Games

No more ushers will be needed for the football games. The 300 have been secured. All necessary instructions will be mailed to them by the Military Department at an early date. This will be a permanent list for all home games.

## Xi Delta Meets for First Time This Year

Xi Delta, the Sophomore honorary society held the first meeting of the year Wednesday evening at Ellen Smith Hall. A dinner was planned, for October 9, at Ellen Smith hall to get the girls acquainted. ## SECOND ORDER OF N BOOKS ARRIVES

Three Hundred Are Still on Hand in Temple and in Ellen Smith Hall.

About three hundred N books are still on hand at the University Y. M. C. A. and Y. W. C. A. offices and may be obtained Monday or Tuesday. Philip Lewis, '26, Sutton, editor and business manager, has received a new supply which will enable those who have not received books to do so. "We are especially desirous of having the freshmen receive their books," Lewis says. "There are about two hundred cards out yet and the students may receive a copy by presenting that card."

All Innocents, Black Masques, and members of both the Y. M. C. A. and Y. W. C. A. cabinets may call Monday morning for a free copy. All N book staff members will also receive copies. The books are bound in leather and are twenty pages larger than those of last year. Much new information is included. They may be obtained at either the Y. M. C. A. in the Temple or the Y. W. C. A. in Ellen Smith Hall.

## OFFICE-SEEKERS MUST FILE SOON

Election Next Month Will Include Honorary Colonel of Regiment.

Only a few days remain in which to file candidates' names for any of the offices of class president and honorary colonel of the regiment. Filing must be made before 5 o'clock Friday at the Student Activities office in the Armory. The names will be sealed and will not be known until they are announced in The Daily Nebraskan of October 5. This is to prevent any political slate which might be attempted.

Students will vote at the Student Council room in the Social Science building all day, October 7. The results will be announced the evening of October 7, and the complete returns detailed in The Daily Nebraskan of the following day.

Candidates are requested to be sure they are eligible for the office they seek before filing their names.

## NOTRE DAME TRIP WILL BE PLANNED

Burlington Railroad Arranging For a Special Train to Indiana.

A special train will consist of two day coaches and as many Pullmans as necessary. It will leave Lincoln at 4:40 o'clock November 14 and arrive at South Bend, at 10 o'clock that night and arrive in Lincoln at about 4 o'clock November 16.

"A special rate will be in effect for the train in order to enable as many students as possible to attend the Notre Dame game," said Mr. Lyman.

## Stag Party Will Be Held Following Rally

Following the football rally Friday evening the Y. M. C. A. will entertain the Freshman men at a stag party. The party will be held in the Temple from 8 o'clock to 10. A program of games and music has been arranged. All freshman men are urged to attend and get acquainted.

## TICKETS GO ON SALE TOMORROW

Expect Long Line in Front of Booth East of University Hall in Morning.

MANY ORGANIZATIONS WILL SIT TOGETHER

Student athletic tickets go on sale Monday morning at 8 o'clock in the both east of University hall. The sale will continue through the week.

Members of the committee in charge expect a large line to be present when sale begins. Fraternities, sororities and other organizations are planning to reserve blocks of seats so that the members may sit together. Representatives of these organizations who make reservations first will have the choice of seats. The student section is from 20-yard line to 20-yard line and the first to twenty-second row.

The tickets admit the bearers to all athletic events of the University during the year 1924-25, including football, basketball, baseball, track and wrestling, and also give the privilege of using the University tennis courts. The ordinary cost of buying tickets to these events would be \$30. By paying \$7.50 for a student ticket, the students saves \$22.50 or three-fourths of the ordinary cost. The seats are reserved for all games this season.

The idea of the student ticket is so well understood by students and its advantages are so widely realized that no solicitation is necessary, those in charge of the sale believe. No difficulty has been encountered in selling the tickets in the past; on the contrary they have been so popular that many not eligible to hold them have bought them.

Precaution is being taken this year to prevent outsiders from buying the tickets. Some of the rules are as follows:

1. All students must present registration slips when buying tickets to prove that they are actually registered in the University. In case these slips are lost certified copies may be obtained at the office of the registrar.
2. All organizations must have presented the names of members who intended to buy tickets for the organization's special section before 5 o'clock Friday evening. The mere reporting of names is not reserving seats, though, and the reservation for the organization's special section must be made by some representative who may buy the tickets when the sale opens.

Every organization is doing what it can to aid in the selling. A committee has been appointed for each day; a separate group taking charge of each day's sales. The members of these committees are being announced in The Daily Nebraskan. Committee members are asked to report to General Chairman Monroe D. Gleason at the ticket booth as early as possible on the day on which they are to serve.

No seats in the student section will be reserved before Monday morning. Three hundred seats, in a block in the center of the student section, are set aside for the special cheering section which will be organized. This section will lead the cheering and will be specially drilled.

The other seats will be grouped around it and with the special cheering section as a nucleus it is expected that a well-organized student group can be gathered this year.

This is the chief reason for the special precautions against outsiders getting student tickets. It has been found that outsiders disorganize the students and the cheering, and as real pep will be needed for the stiff games Nebraska has scheduled, a good volume of noise is wanted.
