

VARSITY WORK OUT IS STIFF

Football Squad Spends Next to Last Hard Practice on Forward Passing.

LOCKE AND MIELENZ IMPROVING RAPIDLY

The Varsity squad worked out forward pass plays in practice Wednesday, the last hard practice but one before the Illinois game. Several pass plays were tried by the Varsity with the freshmen as the subjects of the attack.

Bloodgood was back at quarterback after having been on the sidelines since last Saturday nursing a bad shoulder. Joe Weir, brother of Captain Ed Weir, was still playing right guard. Weir, although light, has shown the goods to class him among the best on the squad. Both will be able to play Saturday, according to "Doc" McLean, Varsity trainer.

Mielenz and Locke, injured halfbacks, were reported to be improving rapidly. Mielenz was in suit Tuesday evening, while Locke was on the field but not in suit.

Dailey, former Alliance high school all-state halfback, was playing right halfback. Dailey is a speedy half and should do his part in offensive work.

Only one more hard practice is in prospect before the Illinois game. A hard workout Thursday night will be followed with a little "polishing off" Friday night.

Reports from Illinois are that their Varsity squad is now in good shape. McIlwain, veteran half, returning to practice after a layoff of several days due to an injury.

The Nebraska squad is not in the best of condition. Locke and Mielenz, two of the most promising halfbacks, are not in shape to do any great amount of work, and this with a green backfield to start with.

Rhodes should add offensive strength to the team. He is a hard line-plunger. Dailey and Mandery will be fast enough to menace any team. Both are capable open-field runners. Bloodgood, or Kamm, whichever plays the quarterback position, should run the team well. Both are good at carrying the ball.

The Illini will leave for Lincoln Thursday morning. They will be in Lincoln some time Friday.

WILL HOLD CROSS COUNTRY TRYOUTS

To Be Basis for Selection of Squad to Be Sent to Oklahoma.

Tryouts for the first cross country meet will be held on the new course at 4 o'clock Friday afternoon. The tryouts will be the basis on which to pick the team to make the trip to Oklahoma the Saturday following. With over thirty men out, the prospects for a fast race and keen competition are good.

Tuesday, thirty men took the three-mile workout together to determine the proper pace for the distance grind. Coach McMaster was well pleased with the showing made by the men, and expects a team of reasonable strength to take to Norman, October 11.

Among the men who showed up well in the run held Tuesday were the two letter men, Lewis and Schultz, and the numeral winner of last fall, McCartney. Cohen, who has been bothered with a stone bruise was unable to do his best. Several other men, including Rogers, Johnson, and Lawson also showed strong possibilities.

Jack Ross, a member of the team last fall, and one of the best milers in the Valley, will be out to win a place among the first six. Dick Ross, a brother, is considered among the possible first. Captain Zimmerman completed the course in 30 minutes Tuesday morning, which points toward continued strong competition.

Coach McMaster expressed the hope of a fairly strong team this year in view of the interest shown by the numbers out, as well as by the good material that shows up daily. However, the tryouts Friday will disclose the true rating of the men as a team by the comparative time, as well as the individual standings.

Band Practices on Drill Field Daily

The band is practicing on the drill field every afternoon in preparation for the game Saturday. Prospects for a band even better than '25 are one of last year are very good according to Mr. Quick, the instructor of the band, as the freshmen are very promising. Within two or three weeks, practice will start for several concerts to be given. The date of these concerts will be announced later.

Have Enough Ushers For Illinois Game

No more ushers are needed for the Nebraska-Illinois game Saturday, according to David Richardson who is in charge of ushering. Applications for these positions were closed Tuesday. Instructions will be sent to the men selected before the game.

Illinois Star Who Will Face the Cornhusker Team for Second Time

Britton, line-plunging fullback of the Illinois team, is pictured above. Britton had his part in beating Nebraska last year. He played the full game for Illinois.

The third Illinois touchdown last year came as the result of a 30-yard pass from Britton to "Red" Grange, all-American halfback. Britton also plunged through the Nebraska line for many good gains. He was one of the few men who had any success in this line of endeavor.

Britton is one of the best drop-kickers in the country and his punts have usually averaged nearly fifty yards. His passing has been accurate and it is upon this that the Illini de-

pendent at times when the line-plunging game failed to click.

Britton does so many things on a football field that no team can feel any sense of security while he is around. He may kick, pass or run—in other words, he is an ideal triple-threat man.

Several capable understudies are being developed at the Illinois camp to take Britton's place in case of anywhere near enough ability to need, but none of them has shown make the Varsity fullback at all worried about his job.

A man who can punt, dropkick, pass and carry the ball—all equally well—is not to be benched without considerable thought.

KANSAS FRESHMEN DEFEAT REGULARS

Yearling Football Team Is Victor in Scrimmage With the Varsity.

University of Kansas, Lawrence, September 30.—Coach John Bunn's freshmen went through the first Varsity football squad last night in regular scrimmage and gave the Varsity men the first set-backs they have received this season. Bunn's men were working well on both offense and defense and scored one touchdown against the Varsity early in the scrimmage. The Varsity was unable to score against the freshmen during the remainder of the practice.

The freshmen points came when Captain Wall intercepted a Varsity pass. He escaped most of the Varsity tacklers and Cory took the last

Varsity man out of the way with a neat spike.

Burt and Zuber in the Varsity backfield were the best ground gainers, with Joe Anderson and Hart both going well. Wellman was running the team at quarter most of the evening.

Mullins and Babe Smith both were breaking through the frosh line to throw them for losses occasionally. Davidson looks like the best bet at center so far. Anderson, Testerman and Sanborn are fighting for the wing positions. Russell, Smith, Halley, Halpin and Snyder are probably the outstanding men at the guard position.

Coach George Clark will have a wealth of replacement material for his entire team in case of injuries, and as long as competition for the various berths continues as strong as it is now,—no one has a cinch on any place.

Mrs. Helen Aughey Fulmer, '89, of Pullman, Wash., widow of Prof. Elton Fulmer formerly instructor in the department of chemistry at Nebraska, visited the University last week. She is a daughter of Prof. Samuel Aughey, one of the pioneer instructors in the early days of the University. She is sister-in-law of Clark C. Fulmer, state director of vocational education.

James C. Howgate, '25, spent the summer in the commercial service department of the General Electric Company at Schenectady, N. Y. This department is engaged in the analyzing of markets and studying of distribution and sales methods for electrical apparatus. Mr. Howgate made an extensive study of the markets for motor driven pumps.

Dr. E. D. McCuen of the geological survey spent part of the summer vacation visiting the University of Chicago and the University of Indiana. She is now giving part of the instruction in the geological survey course in the department of industry and survey studying the Nehawka anticline and also working on the state geological survey.

DARTMOUTH COLLEGE—Nine track letter men are assisting Coach Cohn in preliminary track practice in the absence of Coach Hillman, who is at work with the football squad.
