Freshmen to Attend Stag Party Tonight

Freshman men will be the guests of the University Y. M. C. A. at a freshman stag party to be given in the club rooms in the Temple after the football rally this evening. A varied program of stunts, games, and music is being arranged by Duane Anderson, who is in charge of the party. Refreshments will be served.

DEMOCRATIC CLUB HEARS FROM ALLEN

Chairman of State Committee Writes to Wendell Berge About Prospects.

A letter received by Wendell Berge, '25, Lincoln, from T. S. Allen, chairman of the Nebraska Democratic State Committee, expresses the gratification of the committee to learn of the formation of a Democratic club among students. The letter predicts victory for the party in the coming election.

The letter: October 1, 1924. Wendell Berge, President, Davis-Bryan Club, University of Nebraska, Lincoln, Dear Mr. Berge:

The Democratic state committee is very much gratified to learn that the students of the State University are taking such an active interest in the organization of a Democratic club on the campus.

I have just been advised that you have large membership, and that it is increasing rapidly. Reports received at our headquarters indicate a Democratic victory this year. The scandals of the present administration, coupled with the tariff policy of the Republican party, have caused many men and women, heretofore Republicans, to align themselves with the Democratic party.

It is difficult to understand how the people of Nebraska can support a party that stands for a tariff policy that takes from the people of the state, according to the report of the non-partisan tariff commission, more than 80 million dollars a year; while the benefits which the state receives from a protective tariff are about 2 million dollars on beet sugar and 150 thousand dollars on wool. In other words, the tariff costs the people of Nebraska more than 77 million dollars a year.

The Democratic party is pledged to safeguard our wages and standards. We are seeking to make the tariff honest. Teapot Dome profited Sinclair, all-told, 100 million dollars. Dishonesty in the tariff costs 200 million dollars more per month than any honest tariff would cost. The people of the country are beginning to see that they can not be continuously dishonest in the tariff policy and honest otherwise.

There has been an awakening. The situation at present is not unlike that of 1892, when Cleveland swept the country, and 1912, when Wilson was elected.

Please convey to your club the good wishes of the Democratic state committee. I hope that your membership will increase until the roll contains every Democratic and independent student in the University. If the committee can be of any assistance to you, in supplying literature or in other ways, let me know.

With best wishes, I am,
Yours very truly,
T. S. ALLEN,
Chairman Democratic State Committee.

Tennis Tournament Is Planned by Ag College

Plans for an Ag College tennis tournament were made at the Ag Club meeting, Wednesday night. More than thirty students and a large percent of the faculty have agreed to enter the tournament. Trophies will be given to the winners of both the singles and doubles. Professor Filley gave a short talk in which he stressed the importance of getting into college activities. He urged the freshmen to go out for as many activities as possible. A large number of first-year men made known their wish to become members of Ag Club and an initiation will probably be held in the near future.

Underclass Engineers Guests at Open House

Freshman and sophomore engineers will be guests at an open house Thursday evening, October 9, from 7:30 to 9 o'clock, in the Electrical Engineering Building.

The committees in charge are: Program: Harold Edgerton, '25, Aurora; O. A. Andrews, '25, Lincoln.

Posters: R. Randolph, '25, Lincoln; Harry Moyer, '25, North Bend. Laboratory: Gordon McKenty, '26, Lincoln; Ray Schindler, '25, Monowi; Ralph R. Miller, '25; Ed Morris, '24, Lincoln.

Special Feature: Frank Phillips, '26, Chadron; Vern Johnston, '25, Schickley.

UNIVERSITY OF CALIFORNIA—The freshman football team held the junior squad to a scoreless tie in the first of a series of interclass grid contest. The heavy freshman team lacked the punch to score at several opportunities.

MISSOURI TIGERS DEFEAT FRESHMEN

Yearlings Hold Varsity In First Half But Are Finally Beaten, 20 to 0.

UNIVERSITY OF MISSOURI, Columbia, October 2.—After a scoreless first half in the annual freshman-Varsity football game played Saturday, the Tigers changed pace and gave the yearlings a 25-to-0 drubbing in the final periods. The first half of the game was played on Rollins Field but the driving rain made a change to the practice field south of the bleachers advisable. It was following the change that the Tigers, back on their practice field, seemed to gain life and ground alike.

Four touchdowns were made in the second half. In order, Tuttle, Coglizer, Thomas, and Hicks crossed the freshman goal. The extra point was made only once. Following Thomas' touchdown, Jackson, Varsity quarterback, crossed the line in an off-center play.

Each Varsity touchdown came as the result of a different kind of football. Tuttle, who scored first, crossed the line on a short buck after the ball had been worked up to within a foot of scoring distance.

Coglizer, after having been robbed of a touchdown on an end-around play earlier in the game, repeated and carried the ball twenty yards for a counter.

Thomas drove the ball across the line. Aided by interference by Var-Dyne and Lewis, he carried about five yearlings over with him.

Hicks scored in the last minute of the game, after worming his way through the freshman line and running forty yards over the goal line.

At times the Tigers looked good. Jackson worked well at quarterback. Several times he broke through the yearling line for long gains. He was better on the offense than on the defense, however.

The Varsity line held well at times. At no time in the game were the freshmen able to gain consistently through it.

TAKING OF JUNIOR PICTURES STARTED

Individual Portraits Can Be Taken at Townsend or Hauck Studios.

Taking of junior pictures will start today. This year the individual portraits can be taken at Townsend or Hauck studios. An equal number of students will be assigned for each. The Cornhusker will make the appointments. During the next few days the student can make his own appointment directly at the studio. The Cornhusker staff is aiming this year to have 700 junior pictures. They are setting the goal about 150 higher than last year.

The price this year is four dollars. Of that amount \$1.25 goes to the photographer and \$2.75 to the Cornhusker. The engraving costs more this year because of the more elaborate panels. On each panel there will be a view representing some part of Nebraska.

One dozen pictures can be ordered by the student by paying \$1.50 more. Students are cautioned to attire themselves properly for the first sitting. An extra fifty cents will have to be paid for a second sitting unless it is the fault of the photographer.

Both studios are guaranteeing uniform work. Their contract provides that all pictures will be of the highest quality.

November 12 is the last date that the junior pictures can be taken. At the studio the student will be required to fill out an information blank, and this is turned over to the Cornhusker staff and the information is printed in the book.

"Go to Church Sunday" Will Be Observed Soon

"Go to church Sunday" is to be observed in Lincoln, October 5, as a part of a nation-wide movement on the part of all churches. The sixty-seven organized churches of Lincoln and vicinity are extending on that day an invitation to all students to attend the church of their choice. The church organization, through advertisements and other channels of publicity, is seeking to emphasize the social and moral value of the church in the community.

Methodist Students Will Be Entertained

All new Methodist women students will be entertained at tea, Friday afternoon from 3 to 5:30 o'clock at the home of Rev. Dr. H. F. Huntington, 1417 R. The women will be presented to the Methodist student pastor, Dr. Huntington and sponsor of the organization, Miss Mill. Mrs. H. F. Huntington, a former sponsor, will also be present.

Ushering Force for First Game Complete

The ushering force for the Nebraska-Illinois game is completely organized, according to Dave Richardson, who is in charge of the squad. Both officers and privates should be at the Stadium by 12:40, using the ushers' south entrance.

I find it's much easier to tackle these banes of my existence—irregular French Verbs—in the good looking blue charmeen classroom frock I bought at Rudge & Guenzel's for only \$29.50. That's the style-right store, you know, and even Dad admits my allowance goes a long way there.

Beautiful Dresses!

For the college girl

DISTINCTIVE styles, smart lines, beautiful materials, characterize our fall dresses. Simple styles and tube-like lines are the dictates of fashion but these dresses have achieved unusual distinction by way of smart trimmings and extraordinary touches. They represent the most desirable in fabric and line.

SILK and WOOL

BEAUTIFUL Bengalines, Failles & other ribbed silks which are so popular; crepes and satins trimmed with furs and embroideries for afternoon and the numerous dressy occasions for which the girl in college must provide herself; smart twills, charmeens and flannels for street and general service—all absolutely essential and all here.

See our display of extraordinary dresses priced
