French Society Will Offer a Number Of Fellowships to American Students

The Society for American Field Service Fellowships for French Universities will offer a number of scholarships not to exceed ten for open competition among graduates of American colleges and other suitably qualified candidates of the value of \$1200 and tenable for one year, for the purpose of encouraging advanced study and research in French Universities during 1925-1926. They will be renewable for a second year upon application, provided circumstances warrant it. They may be awarded in any one of thirty-one fields of study, but, in general, will be granted for pursuit of advanced study only in a field in which the candidate has already shown proficiency. They are offered for study in the Universities, Faculties, and other Institutions of Higher Learning in Paris, or in any one other of sixteen provincial universities.

Dean J. E. LeRossignol, of the College of Business Administration, is a member of the Advisory Board of the West Central States, and will be glad to confer with any who wish additional information in regard to the scholarships.

BIG SISTERS CALL ON LITTLE SISTERS

Party for Freshman Girls to Be
Given Thursday Evening
At Armory.

About 130 Big Sisters called on Little Sisters Sunday afternoon to further acquaintances. All freshmen not affiliated with a sorority were visited.

The Little Sisters were invited to an all-sister dinner party to be given Thursday in the Armory from 5 to 8 o'clock. There will be an orchestra, dancing, games, and a general good time. This is one of the biggest parties of the year and the only party where all the sisters will be together, so every freshman girl is heard from their Big Sisters, but who urged to be present.

All freshman girls who have not received invitations, should give their names and get tickets from Miss Helen Cook at Ellen Smith Hall not later than Wednesday noon. Some girls could not be reached because of the impossibility of securing their correct addresses. The addresses, however, are gradually being checked up from corrected lists and all the girls will be reached very shortly.

MAY STILL GET GREEN CAPS

Freshmen Given More Time to Wear
Emerald Headgear.

Freshmen who have been unable to get their Green Caps due to a delay in shipment, will be able to get them at Farquhar's, 1325 O street.

The deadline for the wearing of the emerald headgear had been set for Monday, but because of the late shipment, time has been extended. All first-year men will be required to get their caps immediately. The Iron Sphinx plans to enforce the rule.

"Freshmen are urged to get the caps at once," said Raymond Swallow, chairman of the Innocents committee. "Show true class spirit and know your classmates so that every effort may be made to prepare for the Olympics. The Green Cap tradition is one of the oldest at Nebraska and it is a mark of true Cornhusker spirit to wear the cap."

UNIVERSITY OF KANSAS — The Oxford debating team will make its first trip to the midwest when it meets the Kansas debating team at Lawrence, Kas., October 20. The question will probably be: "Resolved, That the Principle of Prohibition is Unjustified." Malcolm Macdonald, son of Premier Ramsey Macdonald, is a member of the English team.

UNIVERSITY OF KANSAS — Beginning with the Oklahoma A. and M. game Saturday the Star-Spangled Banner will be played between halves at football games. This custom is being started to remind all present of the lives of Kansas University students that were given during the war.
