

BLOCKED PUNT AND WEAK LINE PLAY BEAT HUSKERS

Oklahoma Wins, 14 to 7—Make First Touchdown Through Break In Game and Add to Total by Smashing Through Nebraska's Forward Wall.

BLOODGOOD PASSES TO COLLINS FOR LONE SCORE

NORMAN, Okla., Oct. 11.—An Oklahoma touchdown gained in the first minute of play when Woodall blocked Bloodgood's punt from the 25-yard line was the margin which defeated the Huskers, 14 to 7, before 7,000 spectators at Owen field here today.

Hendricks, who smashed through the Husker line time after time for substantial gains, was the star, although "Obie" Bristow, Sooner captain, ran him a close race for honors with his defensive work and his wonderful passing game.

Inability to drive through the Sooner line at the necessary times, coupled with failure to hold the line against the Sooner drive in the second quarter, accounted for the Husker defeat. In yards gained from scrimmage, Nebraska held the advantage, as she did in throwing her opponent for losses.

The first touchdown came after only a minute of play when Bloodgood's punt from the 25-yard line was blocked by Woodall, who recovered and carried the ball over the line. Bristow kicked goal. Score: Oklahoma, 7; Nebraska, 0.

Neither side could gain after the kick-off and an exchange of punts gave Oklahoma the ball at the end of the quarter on her 47-yard line.

Bristow made 10 yards and a first down putting the ball on the Nebraska 47-yard line. Hendricks plunged off tackle for 3 yards, Bristow made 2 yards, and a pass, Bristow to Hendricks, was good for 7 yards and a first down. With the ball on the Nebraska 33-yard line, Oklahoma took time out.

Ogden went in for J. Weir at left guard. Lamb made four yards. Weir caught Bristow for a 5-yard loss. A Bristow-to-Woodall pass for 25 yards put the ball on Nebraska's 15-yard line. Hendricks went over twice for a 10-yard total, putting the ball on the 5-yard mark. Pospisil went in for Ogden and Dailey for A. Mandery. In two downs Hendricks made 4 yards. Lamb carried the ball over for a touchdown and Bristow kicked goal.

Score: Oklahoma, 14; Nebraska, 0. Kamm went in for Bloodgood at quarter. The Oklahoma stand started a "forty-four to nothing" chant. Westouppal blocked the kick-off, but the Huskers lost the ball when Stough intercepted a pass. Oklahoma was penalized 15 yards for holding and Lamb punted. Nebraska made a first down. Oklahoma was penalized for holding. Bronson went in for Kamm at quarter. Hendricks intercepted a Nebraska pass just as the gun banged for the half.

Score: Oklahoma, 14; Nebraska, 0. After running the ball to the 33-yard line, Nebraska punted 60 yards. An out-of-bounds punt by Lamb gave the Huskers the ball on the Oklahoma 25-yard line. Rhodes made 2 yards and on a tackle around play Weir carried the ball to the 10-yard line. A 5-yard gain by Rhodes and a pass to Collins back of the goal gave the Huskers their touchdown. Bloodgood kicked goal.

Score: Oklahoma, 14; Nebraska, 0. Neither team could gain, and an exchange of punts left Oklahoma with the ball in the middle of the field at the end of the third quarter. More punts, and a 22-yard pass, Bristow to Hendricks, put the ball on Nebraska's 30-yard line, where the Sooners were held on downs. Nebraska was penalized 5 yards, and Rhodes fumbled, Brockman recovering and carrying the ball to the 10-yard line. Bristow made 8 yards in two downs. Lamb was stopped. Bristow tried the line, but was stopped 6 inches from the goal. Nebraska took the ball on downs.

Huskers made one first down, but seemed unable to gain further. Bristow intercepted A. Mandery's pass and was downed on the 45-yard line as the game ended.

MAILAND KILLED IN CAR ACCIDENT

University Freshman Meets Death When Machine Strikes Embankment.

FETTERMAN IS DAZED AS RESULT OF IMPACT

Karl G. Mailand, '28, Omaha, son of Mr. and Mrs. W. M. Mailand of the Wellington Hotel, Omaha, was killed almost instantly, and Jesse Fetterman, '28, Omaha, was injured when the stripped speedster in which they were driving to Omaha to spend the week end with their parents, left the road and struck an embankment two and one-half miles east of Gretna on the D. L. D. highway about 6 o'clock Friday evening.

Fetterman, who was thrown clear of the car and escaped with slight injuries, was delirious and unable to tell how the accident happened. He was taken to his home in Omaha. Although he was driving when the two students left Lincoln about 5 o'clock it is not thought that he was still at the wheel when the accident occurred. In his delirium he told rescuers that the boy with him was Russell Hunter, a freshman, of Omaha, with whom he had planned earlier to make the trip. Hunter's parents made a trip from Omaha to Gretna expecting to find the dead body of their son, but found another man instead.

Mailand, 18, and Fetterman, 19, were graduated from Omaha Central high school in 1924. Both entered the University this fall and pledge to the Alpha Sigma Phi fraternity. Mailand had registered for the pre-med course.

Defective lights are believed to have been responsible for the accident, making it impossible for the driver to see the loose gravel at the edge of the road. W. M. McArthur, Omaha, who with N. O. Knutson, also of Omaha, arrived at the scene just a few minutes after the accident, said that when the young men had passed his machine a short time before, they had been running without lights.

Mailand was found pinned between the car and an embankment by the side of the road, which had been graded a little below the natural surface of the hill. He suffered a severe fracture of the skull. Fetterman, his companion, was badly bruised about the face, and was found several feet from the car. The machine was badly damaged.

In delirium, Fetterman told that the machine was borrowed. It was the same speedster in which Russell Hunter was arrested by Officer Schappaug for driving with defective lights Tuesday evening. In police court Wednesday morning he was forbidden to ride in or drive a car for ninety days. The "Bug," as the car is called, belongs to William Dover, according to members of the fraternity.

Besides his parents, young Mailand is survived by two brothers, Walter C., 19, and Homer, 9. The body was taken from Gretna to Omaha by the father of the deceased. No funeral arrangements have been made yet.

TO GIVE COLGATE REAL RECEPTION

Nebraska Will Continue Hospitality; Illinois Appreciates Welcome.

The policy of welcoming visiting teams with as much heartiness as possible will be carried out through the season. Reports have come in from many sources to the athletic department indicating that Illinois was highly pleased with the reception given them last week by Cornhusker students.

"Welcome Colgate" will be the spirit in which the easterners will be received this week. The house decorating contest will tend along the line of showing the Colgate guests through banners, pennants, lights and other decorations that Nebraska is glad to have them here.

This is one of the great inter-sectional games of the season and the athletic department, team, and campus organizations are going to cooperate to show Colgate as hearty a welcome as was shown Illinois.

TO DECORATE FRAT HOUSES

Hallett and Hardy Furniture Company Offer Prizes to Organizations.

WILL BE PART OF PLANS FOR HOME-COMING DAY

Prizes will be offered for the best decorated sorority and fraternity houses next Saturday, Home-Coming Day, by Hallett, the University Jeweler, and Hardy Furniture Company. Last year a similar contest was held by the College Book Store. Many other universities carry out this same idea on Home-Coming Day each year.

It is not necessary to spend a large amount of money on the decorations as the contest will be judged entirely on the basis of cleverness and originality. The idea of Home-Coming and also of the football game should be used to some extent.

Two prizes are offered: one for the best decorated sorority house or dormitory given by Hallett; and the other for the best decorated fraternity house given by the Hardy Furniture Company. These prizes will be displayed in the windows of the respective stores sometime this week.

The contest last year was won by Sigma Alpha Epsilon. Every house in the University entered into the spirit of the idea, and it received favorable comment from the visiting Jayhawkers and many alumni.

HOWELL TALKS TO STUDENTS

Senator Says Fight Is Between President Coolidge and Davis.

PRAISES BUDGET LAW OF THIS ADMINISTRATION

"The fight in this campaign is between President Coolidge and John W. Davis," declared United States Senator R. B. Howell in his address Saturday morning at the Temple. Senator Howell stated that Davis was sure of 139 electoral votes in the south and that President Coolidge was certain to carry New England, Pennsylvania and New York. In this case, even if LaFollette carries the other thirty states he would not have enough electoral votes to make him president.

"We must cast our ballot so it will have some weight as between these two leading candidates," the Senator declared. He said that if the election went into the House of Representatives there would be five states whose votes would not count at all because of a tie in the delegation. Nebraska would be one of these states because she has three republicans and three democrats. He admitted that the House would probably be unable to settle the contest.

Senator Howell opened his address by stating that it was too bad more student did not take an active interest in politics. He stated that politics is just as important as business. "Good politics is just good business, and everything less than this is bad politics."

The speaker praised the budget law of the present administration and the reduction of the public debt. He maintained that the administration had been economical and had reduced the public payroll by 100,000 employees during the last three years. He said that the business record of the Coolidge administration should warrant its return to power.

"The only reason for a third ticket in the field today is the agricultural problem," declared Senator Howell. He said that one-half of the people are not getting their share of the national income and that the farmer never has received his share. He quoted Kin, the statistician, to show that thirty-two percent of all our people engaged in gainful occupations are agriculturists while agriculturists receive but eighteen percent of the total national income.

(Continued on Page Two.)

In making the promotions, Major Erickson stated that the men were appointed to the positions by merit of their leadership, their interest in military work, their ability in practical and theoretical work, and their general capability to discharge the duties assigned to them.

CHARLES C. CALDWELL. Charles C. Caldwell, '25, Arlington, who was commissioned colonel of the University of Nebraska R. O. T. C. Regiment. He is president of Pershing Rifles and of Scabbard and Blade. He is also a member of Sigma Chi fraternity.

The three majors will be in command of the three battalions of the regiment. They will be in command whenever the regiment is assembled for review, parade, or inspection.

Other appointments will be made as soon as the officers have time to review the work of the cadets on the field with the companies. In order to assure the better men of the higher promotions, it was thought quite probable that delaying further appointments for a week or more will allow the issuing of an order carrying the names of men deserving the priority in any promotions that might arise.
