

AG STUDENTS TAKE HONORS

Alpha Zeta and Omicron Nu Elect New Members on High Standing

SLAMA AND MOORE ARE GIVEN MEDALS

The new members of Alpha Zeta and Omicron Nu were announced at an Agricultural College convocation, Thursday morning.

A man who is eligible for Alpha Zeta, must rate in the upper two-fifths of his class, scholastically and must have had three semesters work in the College of Agriculture.

Three new members were elected to Omicron Nu, which is the highest honor that can come to a home economics girl.

A medal was awarded to the sophomore man in the college who had received the highest average during his freshman year.

Alice Slama, Paxton, received the highest average of any sophomore girl and her name will be engraved on a handsome loving cup that is kept in the Home Economics building.

The names of nine others who also made very high averages are: Rosina Heim, Dawson; Pearl Jones, Omaha; Krissie Kingsley, Seward; Lillian Leitner, Sutton; Irene Noyes, Lincoln; Etta Park, Scribner; Helen Renz, Homer; Vivian Vallicott, Lincoln; and Selma Vahl, Seward.

JUNIORS ELECT MINOR OFFICERS

WOMEN VOTERS HEAR MRS. A. T. DEWEESE

'Girls' Activities in Public Life' Is Subject Presented to Junior League.

'Girls' Activities in Public Life' was the subject of Mrs. Alice Towne Deweese, while Miss Sarah T. Muir discussed 'The Federal Child Labor Amendment.'

Mrs. Deweese first pointed out the movement toward organized play for children under the supervision of adults, which has developed since her childhood.

'The need of leadership in the regulation of children's lives is the key-note of woman's interest in public affairs,' declared Mrs. Deweese.

'We older women,' she added 'are merely carrying on until you girls are able to take the reins. Our one advantage over you is our experience.'

'We hope for a time when people will be active in politics as individuals, and not as men and women. Until that time comes, we women must develop and maintain a spirit of support for one another.'

Statements asserting that the Federal Child Labor Amendment will prevent the mid-western boy from working on the farm are false, according to Miss Muir.

'The Federal Child Labor Amendment is merely an enabling act,' explained Miss Muir, 'by which Congress may enact a measure heretofore declared unconstitutional, although sponsored by both political parties.'

'Provision will be made as to the age, physical fitness and education of the child. Labor permits are even now in the hands of some public school authorities, available for children who are qualified for self-support.'

Botanists Will Hold Initiation on Tuesday

The Sem Bot society will hold an initiation Tuesday evening for sixteen students. Five will be initiated into the society and eleven will be promoted to the second and third degrees.

Campus Club Will Entertain Women

The Campus Club will give a tea Saturday afternoon from 3 to 5 o'clock, at Ellen Smith Hall. All women on the faculty and those holding administrative offices are cordially invited.

The program will consist of a one-act play presented by members of the Dramatic Department and some musical numbers.

BAND WILL GO TO NOTRE DAME

Student Council Authorizes Tag Day to Raise Money.

TO SERENADE SORORITY WINNING IN CAMPAIGN

'Send the band to Notre Dame' will be the slogan on the campus for Wednesday, October 29, according to plans developed by the athletic department, the military department, and the members of the band.

Emmett V. Maun who will be in charge of raising the funds to send the band stated that the members of the organization are making personal sacrifices to be present at the Notre Dame game and will need but little assistance from the students to give the South Benders the original production of 'There is No Place Like Nebraska.'

The athletic department is sending the band to Kansas for the K. U.-Nebraska game Saturday. Each member of the band who goes to K. U. will contribute five dollars toward the Notre Dame trip and those who make the South Bend trip will contribute ten dollars.

According to Mr. Maun, the plans worked out now will be to hold a tag day. Students will be asked to contribute ten cents toward the plan.

Sororities will be requested to supervise the collection of the funds, being given tags and a small box for each student to offer his bit toward a 'Nebraska band at South Bend.'

PLEDGES ON STADIUM DUE

Fourth Installment on Those Made in 1922 Now Payable.

WILL ERECT BOOTH AT CORNER FOR STUDENTS

Stadium pledge installments are due today. The fourth payment on those pledges made in 1922, and the third upon those made in the fall of 1923, become payable today at the Alumni office, Temple.

Fifty-four per cent of the total number of those pledging had failed to make their third payment on July 1. Twenty-eight per cent had failed to make their second payment; and two per cent had not paid the first installment.

'These students doubtless expect to pay it sometime,' said Mr. Holz of the alumni office, 'but we cannot tell the bank that. We must make good our notes on the day they are due.'

According to contract made with the trust companies when the loan of \$300,000 was made for the construction of the Stadium, if lack of payments cause default, the trust companies have the right to take over, operate it, and hold it until all due them is paid.

The interest on the bonds due the trust companies each year is \$18,000, which the Athletic Department of the University is under contract to pay. No money from pledges is used in the payment of interest.

Pledges Cannot Be Cancelled. If one who has made a pledge does not pay when the installments are due, his name remains as a delinquent on the list until he does pay.

J. C. Miller, of Miller and Paine's store, has been selected as toastmaster for the third annual Dad's Day luncheon, to be given by the University of Nebraska, November 1.

MAIER TALKS TO LAFOLLETTE CLUB

Says Progressives Have Nebraska if Everyone Goes Out To Vote.

'We've got the old guard scared. Nebraska will go LaFollette-Wheeler if everyone goes out to vote,' stated C. W. Maier of California before the Lancaster County LaFollette-Wheeler organization in the University of Nebraska Law College Wednesday night.

The speaker emphasized that the Republicans are not using the general expression 'that we point with pride to the past four years.' They do not have anything to point with pride to so they sling mud.

As to the vetoing of a supreme court decision by an act of congress, Mr. Majer cited statements by Justices Beveridge and Clark urging the change in the vote of the bench declaring laws unconstitutional.

FOOTBALL TEAM GOES TO KANSAS

Twenty-seven Varsity Men En Route to Lawrence; Reserves Go Friday.

The Cornhuskers football team left Lincoln at 10:30 last night enroute to Lawrence, Kansas, for the game Saturday with Kansas University.

More than 300 students will be at Lawrence Saturday to cheer their team. The University band, reserves and freshmen will swell the total to almost 500.

All tickets were sold Thursday for the game and Mathias Volz, chairman of the committee in charge, wired for fifty more.

FOOTBALL TEAM GOES TO KANSAS

Twenty-seven Varsity Men En Route to Lawrence; Reserves Go Friday.

SEATS SOLD THURSDAY; TELEGRAPH FOR MORE

The Cornhuskers football team left Lincoln at 10:30 last night enroute to Lawrence, Kansas, for the game Saturday with Kansas University.

More than 300 students will be at Lawrence Saturday to cheer their team. The University band, reserves and freshmen will swell the total to almost 500.

All tickets were sold Thursday for the game and Mathias Volz, chairman of the committee in charge, wired for fifty more.

No injuries of any serious nature were reported on the Varsity squad. A few men were carrying slight bruises as the result of the Colgate game, but every man on the Varsity squad was expected to be in shape to go in if necessary.

Wickman, halfback, was a new addition to the Varsity. He has been showing up well in the last week. Locke and Mielenz, speedy halfbacks, who did not make the Oklahoma trip because of injuries, are now in shape. Locke's showing in the Colgate game may gain him a prominent place in the Kansas battle.

The following Varsity men left last night:

Collins, end; Ford, end; E. Weir, tackle; Scholz, tackle; Hubka, guard, Pospisil, guard; Westoupl, center; Grow, center; Grosse, guard; J. Weir, guard; Orden, guard; Molzen, tackle; Gray, tackle; Robertson, end; R. Mandery, end; Bloodgood, quarterback; Kamm, quarterback; Bronson, quarterback; Rhodes, halfback; Smith, halfback; A. Mandery, halfback; Locke, halfback; Ristine, fullback; Mielenz, halfback.

Harold Hutchinson, center, who received a broken collar bone in the Illinois game, will also go with the team. He scouted the Kansas game for the Huskers.

The team will stop off at Kansas City, arriving there at 7 o'clock Friday morning. A workout will be staged on Muleback field there Friday and the team will leave for Lawrence at 10:30 Saturday morning.

On arriving at Lawrence, the team will be greeted by the Husker aggregation, which will have arrived at 8:30 that morning.

Kansas grads have been working hard with their team and they expect to see the Jayhawkers play better football than formerly. A hard fought game is in prospect.

Walter Eckersall of Chicago, noted football expert, will referee the game. The lineup will probably be as follows:

Table with 3 columns: Nebraska, Pos., Kansas. Lists players like Robertson, Mandery, Molzen, Hubka, Westoupl, Weir, Collins, Bloodgood, Mandery, Rhodes, Myers and their positions.
