

CONTINUE TAG DAY FOR BAND

Delay in Organizing the Sales Force Causes Receipts to Fall Short of Mark.

DRIVE FOR MUSICIANS ENDS AT NOON TODAY

"Although the sales force was slightly late in organizing, the tag day to raise funds to send the University Band to Notre Dame, November 15, was fairly successful," said Emmett Maun, chairman of the drive, yesterday.

The drive will continue until noon today. In addition to the regular sales force of fraternity freshmen members of the band will have tags and sell them for contributions.

Hundreds of tags were sold by freshmen on the campus, but the amount taken in is not sufficient alone to send the musicians east.

The band itself and the athletic department have contributed a large amount to the fund, and several Lincoln business men have taken an interest to such an extent that they have made donations. It has been decided to pass a huge "N" blanket through the stadium at the Missouri-Nebraska game Saturday in an effort to make the fund larger.

"The amount that was taken in yesterday from the sale of tags, that contributed by Lincoln business men, the fund raised by the band and athletic department along with what is expected to be received Saturday will insure a band of thirty-five to forty pieces a trip to Notre Dame next month," said Maun.

THORPE PREDICTS COOLIDGE VICTORY

Makes Speech at World Forum Luncheon in Interest of Republican Cause.

"I prophesy that on November 4, less than one week from today, a mighty voice growing into a gale will sweep down from the pine-clad hills of Maine to the sunny waters of the Golden Gate and from the turbulent streams of the St. Lawrence to the calms of the Gulf of Mexico proclaiming that Calvin Coolidge is still to be President of the United States," asserted ex-Congressman R. H. Thorpe, in his speech to the World Forum at the Grand Hotel Wednesday noon.

Mr. Thorpe vigorously upheld the record of the Republican party from the time of its founding to the present. He told how the party had been formed in 1826 to fight slavery, how it had kept the nation together during the Civil War, and how it had always protected the interests of all the people.

Discusses the Tariff. In discussing the tariff, Mr. Thorpe said that history had shown that it was fatal to adopt a policy of "tariff for revenue only" such as the Democrats favored. When the Democrats under Grover Cleveland tried it in 1888 it resulted in a near disaster, he said.

The recent oil scandals were made light of by Mr. Thorpe who said that they were insignificant when compared with the great wastes and scandals connected with the World War.

Chancellor Goes To Minneapolis

Chancellor S. Avery left for Minneapolis yesterday to attend meetings of the American Association of Universities. He will return Sunday morning.

Invalid Mother of Dean Heppner Dies

Mrs. Mary Heppner, mother of Dean Amanda H. Heppner, died early Wednesday afternoon at her home, 944 Washington Street. Funeral arrangements have not yet been made. Mrs. Heppner had been an invalid for some time and seriously ill for about a week.

SYRACUSE UNIVERSITY — A motor caravan carried rosters 265 miles to the Penn State-Syracuse football game after a collection had been taken up during the Boston College-Syracuse game to defray expenses.

UNIVERSITY OF MINNESOTA — A vest pocket edition of the 1926 "Gopher" student yearbook, will be given to every student. The purpose of the gift is to acquaint the students with the features and the general content of the annual.

Party Limitations on Penalized Organizations Based on Statistics

Limitations of house parties fixed as the penalty for breaking University rules on "sneak nights" is based on a compilation of the average number of parties given by fraternities and sororities in the past year. An average of four house dances, two each semester, were given last year. Offending groups are deprived of the privilege of giving one house dance this semester and are allowed to give one.

For groups who were not penalized, no restriction is made upon the number of house dances they are allowed to have.

AWGWAN AGAIN IS PUBLISHED

"Comeback Number" Is Being Distributed in Station A in U Hall.

ANNOUNCE COMPLETE STAFF OF MAGAZINE

The first issue of the Awgwan, humorous publication of Sigma Delta Chi, was distributed yesterday after an absence from University publication circles for more than a year. Copies of the "Comeback Number" may be obtained at Station A in U Hall, representing a receipt of subscription.

The magazine contains thirty pages and is nine by twelve inches in size. The cover, by Donovan K. Bryant, '25, Hartington, is printed in two colors. Art work throughout together with articles by a large staff of contributors, helps the Awgwan to live up to its reputation of "Full of Fun." Several serious editorials, clippings from other comic magazines, and advertising, both of a local and national character, complete the contents.

Name Staff. Paul C. Richardson, '25, Lincoln, is editor and Clayton B. Snow, '26, Chadron, business manager. Both are students in the College of Arts and Sciences. Edward J. Kubat, '27, Lincoln, is managing editor. The remainder of the staff follows: Contributors—Whitney Gilliland, W. B. Zimmerman, Corine K. Anderson, William Card, Irene Ellis, Lone Gardner, Mary L. Freeman, Wilbur Gaffney, H. H. Branch, Jr., Alfred Mooney, William Norton, Robert Moore, George Johnson, Ivan Hall, Arline Rosenberry, Irene Schrimf and Lucille Bauer. Art—D. K. Bryant, Donald Jameson, Peter Coniglio, Leonard Thiesen, George Herron and Don Jarick. Business—Paul C. Larson, John Allison, Merle Jones, Floyd Stryker, Donald Becker and George Fitzsimons.

Wrestling Coach Is Injured in Practice

Claude Swindell, first assistant coach of wrestling, was injured slightly in practice last week. He suffered a minor injury of the knee which kept him from active participation in work for several days.

Anthropometric Survey of Class Shows Freshmen Importing Hot Air to Denver

An unprecedented amount of hot air has been imported to the Denver University campus this year by the freshmen.

That is the startling statement of the department of physical education, issued yesterday after the completion of an anthropometric survey of the male faction of the freshman class in which many interesting details concerning the physical state of the yearlings were brought to light. This survey, which is an annual event, and derives its name from the meaning "measurement of man," is made upon the freshmen for the purpose of establishing a record on which the advantages they may derive from gymnasium work during the year can be checked.

The lung capacity for the freshmen, as shown by the examination, averages 241 cubic inches, or 78,325 cubic inches for the Arts yearlings alone. The freshman who holds the lowest record for lung capacity, nine one-hundredths of a cubic foot, will have a lot of exercise to take, even on the highly efficient gym courses, before he can compete with Strangler Lewis, world's champion matman, who is reputed to boast about eight times that amount.

Many other facts concerning the physical examination. The average is five feet eight inches. But the tallest member of the class towers over the common throng with a height of six feet one. The smallest yearling can stand comfortably under his outstretched arm. The highest yearling

penalized groups holds only for this semester and they will be free to give as many as they like in the second semester. No maximum or minimum rule in regard to house parties exists by the action of the committee on student organizations.

The first down-town party which penalized groups have scheduled must also be given up according to the committee. This ruling was made without regard for time because some organizations have scheduled no events at down-town party houses until the second semester.

EXPECT 2000 AT DAD'S DAY

Tickets for Banquet Placed on Sale Under Charge of Vikings.

SPECIAL SECTION OF STADIUM IS RESERVED

Tickets for the Dads' Day banquet, to be held in the Armory Saturday, went on sale yesterday, and the Vikings, in charge of the sales, expect 2,000 "dads" of Nebraska men and women to be in Lincoln for the event. The time of the banquet has been set at 11:30 o'clock, and serving will start promptly then.

Copies of yesterday's Daily Nebraskan, containing a letter to the fathers of Nebraska students, have been mailed throughout the country. A large increase of attendance over the other two years the event has been held, is expected.

The Missouri-Nebraska football game in the afternoon is the main attraction on the program, and a special reserved section of the stadium has been set aside for the visitors.

Orchestra on Program.

The Kandy Kids orchestra will entertain the guests with music during the meal.

J. E. Miller, a former member of the University Board of Regents, has been selected as toastmaster, and Coach Fred T. Dawson, Dean C. C. Engberg, and Ed Weir, captain of the football team, will speak.

This is the third year for the Dads' Day movement in Nebraska, and it will probably surpass the others. The first year of the event was in 1922, and 1,000 were present at the banquet. The following year the attendance jumped to 1,800, and this year it is expected to be even greater.

To Hold Banquet for All Baptist Students

The first semester banquet of Baptist students will be held at the First Baptist church Friday night, from 6:00 to 8:30. Miss Jessie Burrall of Stephens College, Columbia, Missouri, will be guest and speaker. University songs and cheers will feature the occasion. Robert Bramlette will also play several violin selections.

SCHOENFELD TO MAKE ADDRESS

LaFollette-Wheeler Club Is Sponsor of Meeting Today at the Grand Hotel.

INDEPENDENT TICKET IS TOPIC OF SPEECH

Hon. F. W. Schoenfeld of Madison, Wisconsin, will speak under the auspices of the University LaFollette-Wheeler club today in behalf of the Independent ticket at a noon luncheon at the Grand Hotel. The club extends an invitation to all students and faculty members regardless of party affiliations.

"Mr. Schoenfeld comes well prepared to give us an intelligent talk on LaFollette both politically and personally. He is an intimate friend of Senator LaFollette and will thus give us a correct idea of the individual. He is chief clerk of the senate of Wisconsin and can as well tell us about the political accomplishments of Robert M. LaFollette both locally and nationally. The chief clerk in Wisconsin ranks next to that of governor," J. J. McCarthy, jr., president of the club stated yesterday.

"Mr. Schoenfeld is a graduate of Northwestern University and also of Union Seminary of Chicago. He has been a Congregational minister for thirty years and prides himself with the honor of having the senator in his congregation," he added.

Roy M. Youngman is in charge of the luncheon. Tickets may be purchased for thirty-five cents from Mr. Youngman, J. J. McCarthy, Agnes Kessler, Franklin J. Potter or secretary Campbell. Provision has been made to take care of an overflow of attendance and those unable to purchase tickets of those named will have a chance to purchase them at the hotel. However, in order to be assured a place, it is urged by the committee that tickets be obtained from the above individuals.

University Episcopal Club Elects Officers

The University Episcopal club met Tuesday at 6:30 at the Grand Hotel, with eighty-seven present. Following the dinner a business meeting was held. Jack Wimble was elected president; Henry Eller, vice president; Miss Ethel Bundy, secretary; John Paul Bennett, treasurer. The officers were appointed as a committee to arrange for a party in the near future.

Rev. L. W. McMullen explained the national student council of which the club is a part. He said the council now has branches in seventy-nine universities and colleges.

WASHINGTON AND LEE UNIVERSITY—Forty-three per cent of the student body received grades of "U"; unsatisfactory, at the first reports. About 673 unsatisfactory grades were received by 360 students, making an average of about two each.

Need More Women to Sell Candy at Game

Only two women have signed up to sell apples and candy at the Missouri game, and there are seventy required. This opportunity is open to any woman, regardless of her association with the Woman's Athletic Association. Those women who wish to sell during the game should leave their names with Mrs. Pierce in the Armory, and they will be admitted free to the game.

POST PROOFS OF DIRECTORY

Request Students and Faculty Members to Check Their Names on the Lists.

NEED STUDENTS TO DO PROOF READING

Galley proofs of the student and faculty lists of the 1924-25 student directory will be posted on the bulletin boards in the lobby of the Temple from 1 o'clock Thursday afternoon until 5 o'clock Friday afternoon. All students and faculty members are urged to check their own names by this list, in order that the directory may be as accurate and as up-to-date as possible.

Necessary corrections are to be made on cards which will be provided at the Temple, and which should be dropped in the boxes there. No corrections are to be made on the galley proofs themselves. Persons checking their names are asked to be very careful to observe this rule. The management is doing everything in its power to make this year's directory accurate.

All persons interested in reading proof for the directory, and who can put in several hours of time on Thursday, Friday, Saturday, and the earlier days of next week, are asked to leave their names, and a schedule of the hours they can work, either at the office of the University Y. M. C. A. or with V. Royce West, editor, at B6304.

22 SIGNED FOR DEBATE TRYOUTS

Two Seniors, Three Juniors, Seven Sophomores and Ten Freshmen on List.

Two seniors, three juniors, seven sophomores, and ten freshmen have signed for the interclass debate tryouts Monday, on the question, "Should the State Government Make the Ku Klux Klan Illegal?" The time and place of the tryouts will be announced in Sunday's Daily Nebraskan.

Five minutes will be the length of the speeches allowed in the tryouts, with the exception of the first speech in each group in which four minutes may be taken for direct address, and two minutes for rebuttal after the other speeches. Both direct argument and refutation will be expected from each speaker.

The local chapter of Delta Sigma Rho, national intercollegiate debating society, is sponsoring the debates.

Professors to Speak to Teachers Meetings

Miss Clara Wilson, chairman of the Kindergarten-Primary department of the Teachers' College, will address a meeting of District 1 of the Nebraska State Teachers' Association at Omaha Technical high school on November 7.

At Grand Island, on November 6, District 4 of the State Teachers' Association will be addressed by Miss Opal Lewton, instructor in Kindergarten-Primary education at the University of Nebraska.

College Annual Expert Praises Plans for 1925 Cornhusker

"I have every reason to believe that the 1925 Cornhusker will be one of the foremost books of the country and will rank with annuals which are recognized as the best," declared J. J. Sher, manager of the college annual department of the Bureau of Engraving, Minneapolis, Minnesota, at a meeting with the staff yesterday.

"New ideas, a new theme, and wonderful improvement in every section of the book will produce an annual which will be recognized as one of the best. The staff has an early start and is working out plans for an almost different book than that of 1924," he said.

Most of the annuals of schools in the "Big Ten," such as Minnesota, Wisconsin, and Illinois, have not

SPHINX PLAN FOR OLYMPICS

Sophomore Organization Looks Forward to Victory This Year.

At a meeting of Iron Sphinx, sophomore men's organization, last night at the Acacia house, plans for the annual class Olympics, scheduled for Saturday, November 29th, were made and committees appointed to handle the sophomore arrangements.

With the spirit shown among second-year students and the material available in the sophomore class, the Iron Sphinx is looking forward to a victory over the yearlings. A change in the events gives the sophomores a better chance than in previous years, for in every contest except the pole vault the two classes will be on an equal basis.

Reports of the green cap vigilance committee and other committees were also made at the meeting.

WILL ISSUE NEW BLUE PRINT SOON

Announce Complete Business Staff for Engineer's Publication.

The second issue of the Blue Print, official magazine of the College of Engineering, will be out November 10, it was announced yesterday by Harold Edgerton, business manager. The new issue will contain a complete directory of graduates of the College, their addresses, and what they are doing at present.

One of the main feature articles of the month will be an article on Bion J. Arnold, '97. Mr. Arnold is now one of Chicago's prominent engineers, and is one of the graduates of the College to have his picture hang in the Hall of Fame in the Mechanical Arts building. Mr. Arnold was one of the speakers at the dedication of the Nebraska Memorial Stadium last year.

Besides the directory and the special article named, there will be several other feature articles, now being worked up by the staff.

Select Staff.

The complete business staff of the magazine was announced yesterday. The appointments are: Assistant Business Manager, Mark Fair, temporarily taking the place of Roland Carr, who is not in school this year. Local Advertising—William Eddy, Gene Spellman, Carl Gerber, and Dewitt Green. Local Copy—Edward Jolly, Emil Lindquist, and Emerson Mead. Accounts—Mark Fair, Chester Hawke, and M. L. Nickols. New Copy—Ernest Pollard, Verne Gibson, and Richard Hughes. Foreign Advertising—K. M. Hickman and Earl Luff.

HECKEL TO VISIT UNIVERSITY

Member of University of Missouri Faculty Will Be Here a Week.

Dean Albert H. Heckel, professor of history and dean of men at the University of Missouri, will arrive in Lincoln Saturday with the Tiger football team and will be the guest of the University the following week. He will give an address at convocation on Tuesday morning and will speak Thursday morning before the district meeting of the State Teachers Association.

The Faculty Mens Club will give a dinner for Dean Heckel, Monday evening at the Grand Hotel. Members of the faculty of the history department will be guests at a tea Sunday evening given at the home of Prof. and Mrs. John D. Hicks, for the visitor. Professor Hicks and Dean Heckel were friends when both were living in the south.

OREGON AGRICULTURAL COLLEGE—Scarfs of orange, brushed wool with one large and two small black stripes will be worn by all sophomore girls.

PLAN MONSTER RALLY FRIDAY

Huge Bonfire to Feature Pep Session on Eve of Game With Missouri.

DRILL FIELD TO BE SCENE OF MEETING

With a huge bonfire as its crowning feature, a monster football rally will be held tomorrow evening on the drill field at 7 o'clock. Hundreds of Cornhuskers are expected to attend the demonstration on the eve of the Missouri game, which will be the last home game before the encounter with the Oregon Aggies, Thanksgiving.

The speakers will deliver their addresses from the elevated stand and it is said that every student, no matter where he is on the drill field, will be able to hear what is said. Among the speakers for the evening will be a representative of the Missouri squad.

Athletic authorities are anxious to extend to Missouri the same welcome which Nebraska has offered to its other invaders this season. "The idea of giving our guests a royal welcome is one of the greatest ideas ever carried out at Nebraska," says Coach "Indian" Schulte.

In connection with the welcoming plans windshield stickers have been printed and distributed to car-owners. "How Are You-All, Missouri?" is the slogan for this week's demonstration.

STILL NEED MEN FOR WRESTLING

Two Classes Are Left Vacant Even Though All Letter Men Get Berths.

Vacancies still remain on the Varsity wrestling team and candidates are urged to make application at once. The positions, in the 125 and 158-pound classes, are left open by graduation of men and by shifting of weights.

The team has not been chosen yet, according to Dr. R. G. Clapp, wrestling coach, but if all letter men are eligible and make their positions again this year two vacancies will remain. Practice at present is being held Monday, Wednesday and Friday at 4 o'clock, some of the men working out every day. Regular daily workouts will be installed in a few weeks.

"It is very probable," said Dr. Clapp, "that the team will make a southern trip during the Christmas holidays or in January which will go as far south as Texas. Arrangements are now being made but it is not entirely assured." The regular Missouri Valley Conference and Western Intercollegiate Wrestling Association meets will probably be part of the schedule. The date for the Missouri Valley meet will be set at a meeting of officials in Kansas City December 26. The Western Association will meet in Chicago, December 6.

Besides these regular meets and the southern trip the schedule will include individual meets with several other universities. The contract for a meet with the University of Iowa is now under consideration, while Washington University and Ames will bring their grapplers to Lincoln. If Kansas renews her contract that meet will be held in Lincoln also.

Last year Nebraska finished the season as champions of the Missouri Valley Conference and the Western Intercollegiate Wrestling Association.

PI LAMBDA THETA PLANS INITIATION

Honorary Educational Fraternity Will Hold Banquet Tonight for Initiates.

Pi Lambda Theta, honorary educational fraternity, will hold a dinner this evening at the Woodburn in honor of its new members.

Blenda Butts, Dorothy Van Vranken, Irma Stockdale, Lottie Leon, Harriet Schwenker and Rosabelle Reimers are the fraternity's initiates.

Members are chosen from seniors and graduates with faculty recommendations. They are selected for personality, campus activities, interest in education, and high scholarship.

COLUMBIA UNIVERSITY — An appeal has been made to students to contribute standard books on any subject to be used in an English library which is to be established in Mexico City by the Friends of Mexico Committee.
