

IRISH DEFEAT BIG TEN TEAM

Wisconsin Conquered 31-3 by Notre Dame While Nebraskans Scout Game.

INJURIES STILL BOTHER HUSKERS

Notre Dame gave Wisconsin, one of the leading teams of the Big Ten a lesson in football Saturday afternoon by defeating the Wolverines, 31 to 3. Captain Ed Weir of the Cornhuskers, Coach Fred Dawson, Al Bloodgood, Doug Myers and Harold Hutchinson, Varsity football men, attended the game and looked over the Notre Dame play.

What the Huskers saw must have given them considerable food for thought. Knute Rockne, more than ordinarily whimsical, used his usual strategy of starting his second team against the Wolverines. The second team proved itself capable of playing even with most big-time teams Notre Dame has met this season.

Nebraska has one more week in which to prepare for the Irish. Captain Weir is not in the best of shape, an injury received in the Colgate game still bothering him. Myers, full-back, has also been hampered by injuries. Hutchinson, center, who received a broken collar bone in the Illinois game, will be back in the lineup against Notre Dame. He will probably not be in very good physical trim because of his long lay-off.

The freshmen have been using the Notre Dame shift all week to accustom the Varsity to this style of play. Hard work will be on the schedule Monday and Tuesday. Wednesday the gates will be thrown open to the public and next day the team will leave for South Bend. A stop will be made at Chicago, where a workout will be held on Stagg field.

VARSIITY GRIDSTERS GIVEN LIGHT WORK

Dawson and Four Regulars at Madison; Freshmen Beat Second Team.

With Coach Fred Dawson and four regulars at Madison, Wis., to scout the Notre Dame-Wisconsin game, practice for the Varsity was light Saturday morning. The regulars were not called upon for work while the freshman team trounced the Varsity reserves, 14 to 6.

The regulars have been given fairly light work all week. Coach Dawson wishes to guard against any tendency toward staleness before the Notre Dame battle.

Secrecy has been enforced during the week. Not even newspaper men have been admitted to the workouts. This system was also used before the Notre Dame game last year and proved so successful that it has been tried again.

HOLD RALLY WEDNESDAY

Students to Meet Before Team Leaves for Notre Dame.

A football rally will be held in the Armory Wednesday evening, the day before the team entrains for Notre Dame. An exceptionally large attendance is expected because of the significance of the game at South Bend. A good sendoff for the squad is desired.

Usual rally proceedings will be followed, except that members of the team will be introduced, for the first time since the Illinois game.

Freshmen Trample Varsity Reserves

The freshmen team defeated the Varsity reserves 14 to 6 Saturday morning on Stadium field. Stephens, former Hastings quarterback, and Oelrich, former Columbus halfback, featured the freshman attack. A pass from Bronson to Ristine gave the Varsity its tally. Oelrich scored both touchdowns for the freshmen.

National Secretary Sees Local Chapter

Miss Jessie Taber, of Los Angeles, national secretary of Phi Mu is visiting the local chapter during an inspection of all the Southern, western, and Middle-Western chapters. From here Miss Taber will go to Drake University at Des Moines, Iowa Wesleyan, Knox College, and the University of Wisconsin. She will then return to the Pacific coast to visit the chapters in Oregon, and Washington.

Air Service Captain Sees Nebraska Again

Henry Pascale, '16, of Dayton, Ohio, captain in the United States Air Service, visited the Alumni Association headquarters last week. He took the Spanish military attaché, a Spanish colonel, and a number of United States Army officials by aeroplane from Dayton to visit Fort Sill and other army camps, and then flew home to Omaha for a six-day leave of absence.

NOTRE DAME AND U.S.C. MAY MEET

Coast Team Negotiating For Game New Year's Day at Pasadena.

Notre Dame and the University of Southern California, one of the strongest of the Pacific Coast teams, may meet on the gridiron at Pasadena New Year's day. Negotiations for the game are now in progress, but the Irish must finish the season undefeated or the game will not be scheduled, Father Walsh, head of the Indiana school, stated. The consent of the Notre Dame athletic board must also be obtained.

The game will be in the Tournament of Roses bowl, present plans state. It will be played under the auspices of the Pacific conference.

Southern California has another post-season game scheduled, that with Syracuse University, December 6.

The University of California, undefeated on the coast, will play Pennsylvania, champion of the east, on New Year's day also. This game will be at Berkeley.

SIMPSON-WESLEYAN CLASH IN STADIUM

Nebraska and Iowa Schools To Meet In Interesting Game Armistice Day.

Nebraska Wesleyan and Simpson College of Indianola, Ia., will play in the Nebraska Stadium Armistice Day in a game that will be watched with interest by football fans of their respective states.

Simpson has so far been undefeated and is said to have the strongest team in the school's history. Wesleyan has a strong team this year, under the leadership of Glen Preston, former Cornhusker quarterback. Preston's men have been working hard to prepare for the game, rated as one of the best on the schedule.

This will be the Homecoming game for the Wesleyan team. A big delegation of Simpson students and alumni are also expected to attend.

Simpson and Wesleyan are the leading Methodist schools in their respective states and are about equal in enrollment.

COACH POSTPONES NOVEMBER GAMES

Events Will Be Run Off Afternoon of This Week, Except Tuesday.

The annual November Games, scheduled for Saturday morning, were postponed by Coach Henry F. Schulte because of cold weather. The events will be run off this week, several events each afternoon with the exception of Tuesday, Armistice day. It is feared that the cool weather might injure the tracksters, who are as yet unused to the low temperatures.

Sargent, '03, Visits Nebraska University

Joseph A. Sargent, B. Sc., '03, C. E., noted engineer, visited the University last week. He was with the Ebro Irrigation and Power Company in Spain from 1913 to 1917. When the United States entered the war, he was made a captain in the Second Engineers Corps, serving at the Argonne, Chateau Thierry, Belleau Wood. He was wounded and received the Croix de Guerre.

After the war he spent a year in Europe, inspecting reconstruction ac-

tivities in France, Belgium, Poland and Spain, and studying economic conditions in the Balkan countries. He is now engineering superintendent of a private company engaged in heavy dam construction in Brazil.

UNIVERSITY OF CALIFORNIA—No more jumbo peanuts will be sold in the stadium, by order of the graduate manager. The hulls make the stadium look untidy. Salted peanuts will be sold instead.
